GENERAL

- i. The Monitoring Committee requested for status report on the Regularisation Applications being dealt by the Local Bodies.
- ii. In respect of the individual regularisation applications being placed before the Monitoring Committee, the Members directed to give priority to Commercial MSB cases and directed CMDA to decide and dispose the Residential Special Building and Residential Individual flat applications, where the evidences furnished are clear and credible in establishing the completion of the building prior to the cut off date of 28.02.1999. The list of such cases decided by CMDA may be placed before the Monitoring Committee, for information.
- iii. Only those cases where it is difficult to draw a conclusion regarding the date of completion of the building shall be brought to the Monitoring Committee.
- iv. DF&RS was requested to give a detailed report of the 78 Nos., of Monitoring Committee accepted Regularisation Applications that have been referred by CMDA to DF & RS on the reasons for the issuance or non-issuance of NOC by DF&RS.
- v. The Members decided that Monitoring Committee may be convened once in a month.
- vi. The list of Monitoring Committee accepted/rejected applications to be hosted in the CMDA's web site.
- vii. The Monitoring Committee directed CMDA to reject those applications for which
 - a) no evidence has been received within the prescribed time limit
 - b) the Monitoring Committee has approved and the applicant has not furnished the required particulars called for within the time limit
- viii. In respect of suggestions made to Government by CMDA stated in the Minutes of Special Meeting, the members wanted to know the list of suggestions made to Govt.
- ix. With regard to indicating the name of the developer in Building Permit, the Chennai Corporation informed that it cannot be captured in the Building Permit as majority of the applicants are owners and they decide on the developer only after obtaining the Building Permit. MS, CMDA informed that an undertaking is obtained from the land

owner/architect/structural engineer at the stage of Planning Permit and it would be sufficient to make them responsible, in cases of any violation/deviation in the building. The Members suggested to include the following words in the said undertaking: “if the owner changes /developer has been engaged and the owner does not inform to Authorities concerned within the specified time limit, then the owner will be held responsible for the deviations/violations in the building”.
