

Location of TNHBS Proposed Projects in CMA

The map illustrates the geographical context of the TNHBS proposed projects within the Chennai Metropolitan Area (CMA). It shows the city limits of Chennai, the CMA boundary, and the locations of various taluks: Tiruvallur Taluk, Saidapet Taluk, Sriperambur Taluk, Chennai City, and Chebyslav Taluk. The map also highlights the locations of lands already proposed for acquisition (yellow hatched areas) and lands now identified for future housing schemes along major road corridors (red hatched areas). A legend in the bottom right corner defines the symbols used for city limits, CMA boundary, highways, roads, and lands for acquisition. A north arrow and a scale bar are also present.
