3. This office Lr.No.J2/11010/2011 (L.Ref.), dated
13.12.2011

.....

I invite your attention to the references cited.

You are aware that enumeration of members under the Chief Minister's Farmers Security Scheme 2011 is being made by the Village Administrative Officers in each and every village through a register supplied by you as per the G.O. cited. It is seen that in certain villages, the enumeration works have been completed. In the G.O. cited, it has been stated that after completion of enumeration, the Village Administrative Officers should submit the register to the Special Tahsildar (SSS) and the Special Tahsildar (SSS) shall take action for verification of entry in the register through Revenue Inspectors and Deputy Tahsildars in order to include the omitted eligible cases and delete the ineligible if any. It is presumed that this is being followed.

To bring about greater transparency in the system, ensure all eligible persons are included, and no ineligible are included, it is necessary that in such completed villages, the list of persons, enumerated by the Village Administrative Officer after the check by Special Tahsildar (SSS) are to be displayed in the Village Administrative Officer's Office/ Chavadi in the village.

If this exercise is done, then the omitted eligible persons, if any, would be able to register their name in the enumeration register and it will also enable deletion of the ineligible persons, if any, enumerated.

Further, I also request you **to give a press release** stating, about the display of enumerated list in the village and that the omitted eligible persons can register their names with the concerned Village Administrative Officer.

After finalizing the list, it may be uploaded in the **website**. It may be useful to all the people and officials to see and verify the beneficiaries under the scheme in future.

I request you to kindly send the report of having done this item of work, by 20.1.2012 for all villages where enumeration is already completed and to continue to do this regularly and report every week on it.

Yours Sincerely,
Sd/-xxx
