

From  
Tmt. Jayashree Raghunandan, I.A.S.,  
Principal Secretary/  
Commissioner of Land Reforms,  
Chepauk, Chennai – 5.

To  
All the District Revenue Officer,  
(Except Chennai)

Ref.No.L5/64/11 (BB) dt. 10.09.2012.

Sir,

Sub: Bhoodan Lands – Electricity power Connection to the  
Grantees for Agriculture – Issue of No Objection Certificate  
– Regarding.

Ref: 1)G.O.Ms.No.144, Rural Development and local Admn.,  
department, dt.11.10.06.  
2)This office Ref.No.L1/7/12 (BB) dt.18.06.12

---

I invite your kind attention to the G.O cited. In the Government Order 1<sup>st</sup> cited, the Government have transferred the Bhoodan Board and Bhoodan lands to this Commissionerate under the control of Revenue Department.

In this office letter 2<sup>nd</sup> cited, all details of Bhoodan Lands, data, guidelines, G.Os, Act and Rules have been sent to the District Revenue Officers for pursuing the subject and protecting the Bhoodan Lands.

In this connection, it is informed that Bhoodan lands are allotted to the landless poor people mainly for agriculture purpose. Therefore, the allottees are frequently requesting this office to issue No Objection Certificate for getting Electricity power connection to their pump set for agricultural purpose as the Bhoodan lands are vested with the Tamil Nadu Bhoodan Board and the patta stands registered in the name of the Board. In this connection, it is informed that the grantees (allottees) are given a deed “நில விநியோகப் பத்திரம் “ by the Tamil Nadu Bhoodan Board. However the right and title over the Bhoodan lands are with the Board even after the

land is allotted. Therefore, the Electricity Board is requesting the allottee to submit No Objection Certificate from the Board.

In as much as it is merely for the No Objection Certificate for electricity connection that the allottee has to approach this office from the District and it is felt that it would cause delay and unnecessary expenses and affect the raising of crop, the District Revenue Officers are requested to issue No Objection Certificate to the Electricity Board based on the land allotment deed (நில விநியோகப் பத்திரம்) and after making enquiry, verification and inspection of the lands, ensuring that the allottee is continuing to pursue agriculture operations himself/herself.

Yours faithfully,  
sd/- Jayashree Raghunandan  
Principal Secretary/  
Commissioner of Land Reforms
