**Ref.No.I1 / 1772 / 2016 (L.Ref.), Dated 26.6.2016**

Sir,

Sub: Revenue Courts – Computerization of Revenue Courts – Software Programme developed by NIC for Revenue Courts – Scanning and uploading of served copy of order - Instructions – Regarding.

Ref: Discussion with CEO, TNeGA held on 6.6.2016.

---

A perusal of updation of Revenue Court case progress in the Software developed for Revenue Courts by NIC reveals that the Special Deputy Collectors (Revenue Court) did not update the disposal of cases. In this connection, some of the Special Deputy Collectors (Revenue Court) have reported that the order passed by Special Deputy Collectors (Revenue Court) could not be uploaded in the website without the scanner facility in the office of the Special Deputy Collectors (Revenue Court).

I wish to state that this issue was discussed with Managing Director and Chief Executive Officer, TNeGA. It is hence instructed that the served copy of final order passed by Special Deputy Collectors may be scanned in the nearest Offices i.e Office of the Revenue Divisional Officer / Collector / Tahsildar and with the help of EDM – 2 of TNeGA in the Districts, if required. The Managing Director and Chief Executive Officer, TNeGA will be issuing instructions in this regard to the EDM. The 7 Collectors concerned have also been requested to extend necessary co-operation through the Collectorate , Divisional office and Taluk office in this regard, so as to update the data entry as per the above instruction.

Yours faithfully,
Sd/- Jayashree Raghunandan
