Dear

Sub: Computerization of Revenue Courts – Software Programme developed by NIC for Revenue Courts – Scanning of served copy of final order – Assistance requested - Regarding.

The Revenue Courts case progress has been brought onto website of Revenue Courts based on the software developed by National Informatics Centre.

A perusal of updation of Revenue Court case progress in the Software developed by NIC reveals that the Special Deputy Collectors (Revenue Court) could not update the disposed cases. The Special Deputy Collectors (Revenue Court) have reported that they could not upload in the website without the scanner facility in their offices.

This issue was discussed with Chief Executive Officer, TNeGA. He informed that the served order copy may be scanned in the nearest Office i.e Office of the Revenue Divisional Officer/Collector/Tahsildar with the help of EDM – 2 under the control of TNeGA and then upload in the web.

I therefore request you to kindly extend necessary co operation in this regard to the Special Deputy Collector (Revenue Court) Cuddalore, Lalgudi, Madurai, Mannargudi, Mayilduthurai, Nagapattinam, Thanjavur, Tiruchirappalli, Tirunelveli, Tiruvarur which is in your district and issue necessary instructions also to the Sub Collector/Revenue Divisional Officer concerned and Taluk Office concerned as per list enclosed.

The EDM-2 would be given instructions by the Managing Director & Chief Executive Officer, TNeGA and this may also kindly be ensured from your end.

Encl: List of Revenue Courts & Offices for Scanning

Yours sincerely,
