Revenue [LR. 1(2)] Department

G.O.Ms.No.285

Dated: 06.08.2012.

Read:

1. G.O.(Ms) No.265, Revenue [LR.1(2)] Department, dated 10.9.2011.
2. Announcement made by the Hon'ble Minister (Revenue) in the Legislative Assembly on 16.4.2012.
3. From the Principal Secretary / Commissioner of Land Reforms, letter No.J1/3319/2012 (L.Ref), dated 27.4.2012 and dated 26.6.2012.

ORDER:

In the G.O. first read above, Chief Minister's Uzhavar Pathukappu Thittam is being implemented and various assistances are given to the farmer members and their dependents.

2. The Hon'ble Minister for Revenue has announced the following Announcement:-

"Monthly pension of Rs. 1000/- shall be paid to the farmer member during the temporary incapacitation of the farmer member who is affected on account of TB, Cancer and other terminal disease"

3. Based on the above said Announcement, the Principal Secretary/Commissioner of Land Reforms has sent a proposal to the Government in consultation with concerned officials of the Health Department which is specifying

the present categories of illnesses to be covered, certifying authority and mode of payment in each case and recommended to sanction a sum of Rs.1,000/- p.m.

4. The Principal Secretary / Commissioner of Land Reforms has also stated that, the patients under such diseases may be very few in the rural areas. As such, the monthly pension for the members for their Incapacitation period as prescribed by the Medical Officer may be paid from the existing Old Age Pension fund and head of account allotted by the Government under the Chief Minister's Uzhavar Pathukappu Thittam and the MIS system can collect the data of numbers sanctioned under this announcement.

5. The Government after careful examination, accept the proposal of the Principal Secretary/Commissioner of Land Reforms and accord sanction for a sum of **Rs.1,000/- (Rupees One thousand only) towards monthly pension** to be paid to the farmer member during the temporary Incapacitation of the farmer member who is affected on account of TB, Cancer and other terminal disease under the Chief Minister's Uzhavar Pathukappu Thittam, 2011 as explained in Items I, II, III and IV below:-

I. T.B. Patient - Members

1. All New Smear Positive TB cases.
2. All Smear Positive Re-treatment cases.
3. All HIV + TB Co- Infection cases.
4. All MDR TB cases (9 Multi Drug Resistant TB cases).
5. Among extra Pulmonary cases the following types of cases may be included for
 - a) TB Meningitis cases.
 - b) TB spine cases.
 - c) TB Hip Joint cases.
 - d) D. Abdominal TB cases Incapacitating.
 - e) Massive pleural effusion.
 - f) Massive pericardial effusion.
 - g) Other bones Joint TB cases - incapacitating.

II. Cancer Patient - Members

For Stage 1 and Stage 2 cancer patients, pension can be given for the period of nine months. Because during this period, the patient is unable to do his work for livelihood. Commonly cancer patients are treated with three modalities of treatment, namely-

1. **Surgery** which needs one month period (pre-operative work up, operation and post operative management)

2. **Chemotherapy** which needs four months period.
3. **Radiotherapy** which needs one and half months.

So the total period is as follows:-

* Surgery	-	1 month
* Chemotherapy	-	4 months
* Gap between Chemotherapy and Radiotherapy	-	1 month
* Radiotherapy	-	1 1/2 months
* Treatment related side effect to subside requires	-	1 1/2 months
Total	-	9 months

For Stage 3 and Stage 4 and recurrent diseases patients, life long pension can be given, because their survival is poor and these are cases of terminally ill. For central nervous system tumours, lymphomas and leukemia patients, life long pension can be given (Survival is mostly less than a year).

(III) HIV / AIDS patient - Member

HIV infected clients who come under WHO classification of HIV/AIDS and are on ART Treatment with CD count below 350.

HIV& AIDS can be both static and highly progressive altering the life in a very short time. An infection can suddenly aggravate the HIV condition which can then move into AIDS and result in death also. The weakness of the body is a natural fallout.

IV. Recurrence, re-treatment, relapse.

This pension would need to continue and be applicable to the cases of recurrence, re-treatment or relapses as laid down in executive instructions.
