3. From the Principal Secretary and Commissioner of Land Reforms letter No. Rc. No.A1/0001/2012 (L.Ref.), dated 17.09.2014.
4. Government Letter No. 22630/LR. I (2)/2014, Revenue, dated 07.11.2014.

ORDER:-

In the reference first read above, the Principal Secretary and Commissioner of Land Reforms has requested the Government to permit the restructuring of the Land Reforms Department by forming one Land Reforms Unit at each Collectorate except Chennai and to have a Uniform Staffing Pattern in all Revenue Courts.

2. In the reference second read above, the Hon'ble Revenue Minister has made an announcement for the formation of separate Land Reforms Units in all the District Collectorates (except Chennai) and the consequential sanction of posts of 10 Additional Personal Assistants (APA) (Land) to the districts not having these posts, along with the sanction of uniform staff pattern in all Offices of Special Deputy Collectors (Revenue Court) by re-structuring the Land Reforms Department.

3. The Land Reforms Department consists of three wings dealing with Land Reforms Acts and Rules, Revenue Courts and the implementation of the Chief Minister's Uzhavar Pathukappu Thittam 2011. In the years 1999, 2004 and 2006 the Urban Land Tax, the Agricultural Income Tax and the matters relating the Bhoodan Board lands respectively have also been attached to the Land Reforms Department.

4. In the reference third cited, the Principal Secretary and Commissioner of Land Reforms has stated the following:-

i. Land Reform Units in the Districts:-

The Department of Land Reforms has, since the beginning, operated as an independent unit, with the Commissioner of Land Reforms and Director of Land Reforms at the Headquarters at Chennai and the subordinate offices of Land Reforms in the district, without going through the District Administration. This system was created for implementation of the Land Reforms Act 58/61 and Amended Act 17/70, and the same had delivered effectively. Over the years the number of offices which was the highest at 18, has reduced from time to time, considering the work load, to the present 6. There has also been the attachment of various subjects to some of these offices, viz. Urban Land Tax in the year 1999 and Agricultural Income Tax in 2004. Bhoodan on the other hand was attached in the year 2006. The implementing authority of Land Reforms Act in the district is the Assistant Commissioner (Land Reforms) who is the Authorised Officer, notified by Government under the Land Reforms Act (as amended) and a quasi-judicial authority under the Act. The jurisdiction of Assistant Commissioner (Land Reforms) covers multiple districts ranging from 4 to 8 districts. The Land Reforms Act is being implemented in all the districts, except Chennai.

ii. Bhoodan:-

Bhoodan in the State is being implemented from Land Reforms Department Headquarter at Chennai and the 9 Bhoodan Inspectors in the State, who have a jurisdiction ranging from 1 to 7 districts. These 9 Bhoodan Inspectors, are in 9 Collectorates. The Government have already directed all the District Collectors to deal with the subject of Bhoodan, instead of only 9 Bhoodan Inspectors of Assistant Cadre for the whole State.

iii. Revenue Courts:-

The Revenue Courts at Lalgudi, Mannargudi, Tirunelveli and Nagapattinam were formed consequent on the announcement made by the Hon'ble Chief Minister in the Floor of the Tamil Nadu Legislative Assembly during the Budget Session for the year 2012-13, to dispose the long pending tenancy cases, in addition to the 6 Revenue Courts that were in existence at that time.

5. The Principal Secretary and Commissioner of Land Reforms has, hence informed of the following bottlenecks in the existing establishment pattern of Land Reforms Units, Bhoodan Inspectors and Revenue Courts:-

(i) Under the present administrative set up, the redressal of public grievances, implementation of Land Reforms Act and the Bhoodan Act, key functions under Land Reforms are not many a time, effectively performed due to the existence of satellite units in selected districts only and their jurisdiction over vast areas. The services of revenue staff in the Taluk office right from the Village Administrative Officer upto the level of Tahsildar and Surveyors are

necessary to be utilized for declaration, assignment and payment under the Act, and for implementation of various provisions of the Act. However, with satellite units of Assistant Commissioner (Land Reforms) and separate Bhoodan Inspectors in select Districts, this is not effectively possible at present.

(ii) The Special Deputy Collectors (Revenue Courts) are having jurisdiction of multiple districts and they have to tour extensively and have camp sittings also to conduct hearings at various districts/taluks. In the absence of the Special Deputy Collector (Revenue Court), there is no post in the cadre of Deputy Tahsildar to look after the office of Revenue Court to ensure smooth functioning.

6. (i) The Principal Secretary and Commissioner of Land Reforms has, therefore, requested that to enable the public to have easy access for redressal of their grievances related to Land Reforms, to enable them to get the benefits intended for landless agricultural labour and cultivating tenants under the various Land Reforms Act and Rules, to ensure that the lands donated during Bhoodan movement are utilized for the eligible beneficiaries as per the Tamil Nadu Bhoodan Yagna Act, to establish effective links for the implementation of various Tenancy Acts through Revenue Courts, also to deal with lands for Industrial/ Commercial purposes and for Educational / Hospital purposes covered under the Land Reforms Act, one separate Land Reforms Unit in each Collectorate, except Chennai, headed by a Deputy Collector with supporting staff is required.

(ii) Further for the Revenue Courts, it is essential to create one post of Superintendent in the cadre of Deputy Tahsildar to all the 10 Offices of the Special Deputy Collector (Revenue Court). Further while the new 4 offices of Special Deputy Collector (Revenue Court) have a uniform staff pattern, the posts sanctioned to the old 6 Offices of the Special Deputy Collectors (Revenue Court) are not having uniform pattern and in order to have a uniform staff pattern including now, the post of Superintendent / Deputy Tahsildar in all the 10 Offices of the Special Deputy Collectors (Revenue Court) so as to lead to better output in the disposal of cases, it is essential to sanction a uniform staff pattern in all the 10 Offices of the Special Deputy Collector (Revenue Court).

(iii) The Principal Secretary and Commissioner of Land Reforms has also stated that the Assistant Commissioner (Land Reforms) are performing Urban Land Tax duties and residuary Urban Land Ceiling work relating to Court matters. It is suggested that these works be given to the Revenue Divisional Officer concerned and they be made the 'Assessing Authorities' under the Urban Land Tax Act, on similar lines as 'Authorised Officer' under Land Reforms Act.

7. An **Announcement** has been made by the Hon'ble Revenue Minister on 08.08.2014 about the formation of separate Land Reforms Units in all the District Collectorates (except Chennai) and the consequential sanction of posts of 10 Additional Personal Assistants (APA) (Land) to the districts not having these posts, along with the sanction of uniform staff pattern in all Offices of Special

Deputy Collectors (Revenue Court) by re-structuring the Land Reforms Department. Consequent on the announcement made by the Hon'ble Minister for Revenue, the Principal Secretary /Commissioner of Land Reforms has in the reference 3rd cited requested for orders in this regard for its effective implementation and ensuring continuity.
