11.	Thanjavur City Corporation – Construction of additional road bridge across GA canal at RD13/4932 in Thanjavur town near Thanjavur Big Temple – Estimated cost Rs.380.Lakh – Seeking funds to a tune of Rs.380.00 Lakh under Infrastructure and Amenities Fund.	The committee recommended to Government for the sanction of Rs.380.00 lakh for construction of additional road bridge across GA canal at RD13/4932 in Thanjavur town near Thanjavur Big Temple from Infrastructure and Amenities Fund.
12.	Projects 2014-15 Thanjavur Corporation – Construction of 9 Bridges in the Moat area around the Thanjavur Big Fort – Seeking fund to a tune of Rs.3455.00 lakh under Infrastructure and Amenities Fund.	The committee agreed and recommended the proposal to Government. The committee recommended to spread the proposal over 3 years time span and priorities the work for sanction of funds.

2. In the letter first read above, the Commissioner of Town and Country Planning has stated that based on the recommendation of Infrastructure and Amenities Promotion Committee, the District Collector, Thanjavur, has sent necessary proposals to the Commissioner of Town & Country Planning. The District Collector, Thanjavur, in his proposal has stated as follows:-

(i) Formation of Thiruvaiyaru Road with Culvert and bridges in corporation area at an estimated cost of Rs.1070.00 Lakhs:-

The Old Thiruvaiyar road is one of the oldest roads in the Thanjavur City Municipal Corporation. In the olden days, this road was used as a main road to Kumbakonam and Thiruvaiyar. Afterwards, this route was not used for heavy vehicular transport. At present, the Karanthai Rajaveethi road is being used for heavy vehicular traffic which is insufficient to handle the traffic. So the relaying of Old Thiruvaiyar road and bringing it for use is found necessary to regulate the heavy traffic in the city. The estimates for the above proposal have been prepared based on the current PWD and Highways schedule of rates for the year 2014-15 and the work will be carried out as per standard specifications.

(ii) Construction of 9 Bridges in the Moat area around the Thanjavur Big fort at an estimated cost of Rs.3455.00 Lakh:-

The District Collector has stated that with a view to improve the infrastructure facilities and aesthetics of the important heritage town-Thanjavur, it is proposed,

a) To improve the condition of the moat which was created long ago around the palace and the four Rajaveedhis by removing bushes and desilting the moat. Thus, storage of water in the moat will be ensured which will improve the ground water table in the surrounding area. This work is under progress.

b) To arrange for boating in the moat for the tourists.

c) To create parks with tall trees on the banks of the moat with proper bridges across the moat will be of immense use to improve the aesthetics of the place and will be well used by the tourists.

Based on this, the following projects have been proposed under infrastructure and Amenities Fund:-

Sl. No.	Construction of bridge across the moat	Estimated amount (Rs. in lakhs)
1.	Western part of the Moat near Srinivasapuram Location:0/0 Km	650.00
2.	Western part of the Moat near Srinivasapuram Location:0/19 Km	275.00
3.	Western part of the Moat near Srinivasapuram Location:0/298 Km	360.00
4.	Northern part of the Moat Location:1/100 Km	200.00
5.	Northern part of the Moat Location:1/520 Km	300.00
6.	Northern part of the Moat Location:1/900 Km	300.00
7.	Eastern part of the Moat Location:2/320 Km	650.00
8.	Eastern part of the Moat Location:2/930 Km	360.00
9.	Eastern part of the Moat Location:3/300 Km	360.00
	Total	**3455.00**

(iii) Construction of additional road bridge across Grand Anicut Canal near Thanjavur Big Temple :-

The District Collector, Thanjavur District has stated that large number of tourists and pilgrims from various parts of our country and foreign nations are visiting Thanjavur Big Temple, Palace and Saraswathi Mahal. Many important historical festivals are being celebrated periodically every year. More number of vehicles from Kumbakonam and Thanjavur old bus stand utilize the above said road and Thanjavur Medical College road to reach the new bus stand. Hence, to augment the infrastructure and to meet the burgeoning traffic needs, it is essential to construct an additional road bridge across GA canal at RD13/4932 in Thanjavur Town.

3. In the letter third read above, the Director of Municipal Administration has sent the Detailed Project Reports of Thanjavur Corporation and has requested the Government to accord administrative approval and also sanction of fund for execution of the following works in Thanjavur Corporation under Infrastructure and Amenities Fund:-

Sl. No.	Name of the work	Amount (Rs. in Lakh)
1.	Formation of the Old Thiruvaiyaru road with culvert and bridges in Thanjavur Corporation area.	1070.00
2.	Thanjavur Corporation – Construction of additional road bridge across GA canal in Thanjavur town near Thanjavur big temple.	380.00
3.	Thanjavur Corporation – Construction of 9 Bridges in the Moat area around the Thanjavur Big Fort. As recommended by Infrastructure and Amenities Committee, to spread the proposal over 3 years time span and prioritize the work for sanction of funds.	3455.00
	Total	**4905.00**

4. The Government carefully examined the proposal of Director of Municipal Administration and accord administrative sanction for implementation of various infrastructure facilities in Thanjavur Corporation at an estimated cost of Rs.49.05 crore (Rupees forty nine crore and five lakh only)under Infrastructure and Amenities Fund, as recommended by the State Infrastructure and Amenities Promotion Committee.

5. This order issues with the concurrence of Finance Department vide its U.O. No.47743/Fin(MAWS)/2015, dated 14.09.2015.
