ABSTRACT

Local Planning Area - Master Plan for Cuddalore Local Planning Area - Approval under section 28 of the Tamil Nadu Town and Country Planning Act, 1971 – Accorded

Housing and Urban Development (UD4-2) Department

G.O.Ms.No.176 Dated: 14.7.2006
Read:

1. G.O.Ms.No. 803, Housing and Urban Development Department dated 20.9.1984.
2. G.O.Ms.No. 160, Housing and Urban Development Department Dated 6.4.2000
3. From the Director of Town and Country Planning Letter Roc.No.3[illegible]/MP1 dated 16.12.2005.

.....

ORDER:

In the Government order first read above, the Government have accorded approval to the publication of the master plan for Cuddalore Local Planning Area under section 28 of the Tamil Nadu Town and Country Planning Act, 1971 (Tamil Nadu Act 35 of 1972). In the Government order second read above, the Government have accorded consent to the Cuddalore Local Planning Authority to the publication of a notice of preparation of modified Master Plan for Cuddalore Local Planning Area. The Director of Town and Country Planning in his letter third read above, has forwarded the modified Master Plan for the Cuddalore Local Planning Area and requested the Government to accord approval to it, under section 28 of the Tamil Nadu Town and Country Planning Act, 1971.

2. The Government, after careful examination of the proposal of the Director of Town and Country Planning, have decided to approve the modified Master Plan for the Cuddalore Local Planning Area. Accordingly, under section 28 of the Tamil Nadu Town and Country Planning Act, 1971 (Tamil Nadu Act 35 of 1972), the Governor of Tamil Nadu hereby approves the modified Master Plan for the Cuddalore Local Planning Area, submitted by the Director of Town and Country Planning. The copies of the modified Master Plan for the Cuddalore Local Planning Area, as approved by the Government are communicated to the Director of Town and Country Planning.

3. The following Notification will be published in the next issue of the Tamil Nadu Government Gazette:- The Director of Town and Country Planning is

requested to ensure that the Notification is republished in the manner as prescribed in rules 17 and 15 of the Master Plan (Preparation, Publication and Sanction) Rules.

NOTIFICATION

In exercise of the powers conferred by sub section (1) of section 30 of the Tamil Nadu Town and Country Planning Act, 1971 (Tamil Nadu Act 35 of 1972), the Governor of Tamil Nadu hereby publishes the approval of the Government under section 28 of the said Act for the modified Master Plan for the Cuddalore Local Planning Area, submitted by the Director of Town and Country Planning.

2. The modified Master Plan for the Cuddalore Local Planning Area with all its enclosures shall be kept open to the inspection of the public in the office of the Cuddalore Municipality, during office hours.

(BY ORDER OF THE GOVERNOR)

R. Sellamuthu,
Secretary to Government.

CUDDALORE MASTER PLAN

Chapter 1
Introduction

1.01 **CUDDALORE MASTER PLAN :** Rapid urbanisation due to population explotion and industrialisation have resulted in the growth of urban centres. The pull and push factors have attracted the rural folk towards the urban centres. This urban growth if not guided properly will result in hapazard development in the urban areas. Considering the importance of this vital problem, the **Town and Country Planning Act 1971** among other things, provides for preparation of Master Plans for the towns and also **review of Master Plans** so prepared for every five years.

1.02 **The First Master Plan for Cuddalore Town** was prepared after studying the various developments such as physical, social and economical activities in existence in the year 1979 and the Cuddalore Master Plan was approved by the Government in **G.O.Ms. No. 803 H&UD, dated 20.9.1984.** Since more than twelve years lapsed, it is imperative to review the Cuddalore Master Plan based on the latest developments on ground and the prevailing trends of development. The Government have also ordered for the preparation of Master Plan

Verified © Reg TM

1.03 In this context, the Cuddalore Local Planning Authority has under taken various **exercises and inventories** in this regard to collect **data** on the **present trend** of development to formulate proposals for the review of Master Plan which could be more **practical for enforcement** as well as for implementation to facilitate **orderly development** in the Cuddalore Local Planning Area.

1.04 The review of Cuddalore Master Plan was taken up by Cuddalore Local Planning Authority even earlier, in anticipation of Government orders taking into account of the **difference in realities on the ground** and the Master Plan that **was operational.** The major constraint was **resurvey of a number of villages** of the Local Planning Area made by State Land and Survey Records Department and the **non-availability of up-dated town and ward maps**. **Deviations in** the proposed land use of approved Master Plan and unauthorised developments in Velisemmandalam Village close to the **SIDCO Industrial Estate** on the major high way to Cuddalore-Pantrutti-Villupuram road was observed. Similarly a number of **unauthorised residential developments** have taken place in Koothapakkam village, the urban extension in the fringe of Cuddalore Town. Government owned Transport Workshop and Co-operative printing press emerged in the place of **anticipated commercial use.**

1.05 Though it is a good sign of **industrial development** in the Kudikadu village of Chidambaram main road, the prevailing land use is special and hazardous industrial use instead of the anticipated General Industrial Zone. The **main component** of the Master Plan, i.e. the **by pass road** has not taken off due to already available **well laid arterial roads** and require minor change in alignment considering the ground conditions.

1.06 Now the growth trend is towards Thiruvanthipuram road and Cuddalore - Chitoor (Panruti - Villupurum) road because of availability of **good ground water.** Fast development is taking place in Vandipalayam road of the town, the approved Cuddalore Detailed Development Plan area.

1.07 Cuddalore Local Planning Area has **a long coastline** of 21 K.M. and requires to be regulated under **Coastal Regulation Zones I, II and III.**

1.08 **The Master Plan now reviewed** has taken into account all these aspects discussed above and a judicious allocation of land for various uses are made for a **healthy environment** to the people living in **Cuddalore Town and its environs.** The Master Plan is proposed for the **year 2011** based on1991 census and **1996 existing developments**. **The 1990 Aerial Photographs** were fully utilised to update the existing land use and the extensive use of it is worth mention since it provided **treasures of information. A random ground check** is made and the land use for the year 1996 is arrived. The wet and dry agricultural lands are derived from the 1401 fasli. Once again the **by pass alignment** forms the main component and all proposals revolve around that. The **proposed bus terminus** lies at the junction of Cuddalore-Chittoor and the proposed bypass roads. **Truck terminal**

Verified by RealEstate™

1.10 The details are discussed in the following chapters.**The land use zoning** will be regulated as per **G.O.Ms.No.1730 RDLA dt. 24.7.74** and by the **existing regulatory measures** till the new **Development Control Rules** to be approved by the Government come into operation.

1.11 Cuddalore Town was designated as a **Growth Centre** in the **VIII plan** and hence there is lot of scope for development, of course in a planned manner. The Master Plan now prepared will provide light in this direction.

Chapter 2

Profile of Planning Area

2.01 **LOCATION** : Cuddalore Town is the **Headquarters** of the Cuddalore Taluk and the **Cuddalore District.** It is located at the estuary of rivers **Gadilam and Pennayar** with Bay of Bengal. The town is at a distance of 200 Kms. **south of Chennai.** The latitude and longitude are 70°45' and 11°45' respectively.

2.02 The town is **well connected** by road and rail with adjoining urban centers viz. **Chidambaram, Vridhachalam, Panruti, Nellikuppam and Villupuram.** The Union territory of **Pondicherry** is at 22 Km. in the north **by road.** The Cuddalore-Harbour Junction (O.T.) and Thiruppathiripuliyur **railway stations** provide vital passenger link with various parts of the State. The present bus terminus is very close to the Thiruppathiripuliyur railway station.

2.03 **PHYSIOGRAPHY** : The area is of **plain land** with gentle slope towards east. **Black and Alluvial soil** is predominant and **sandy** along the **sea coast**. Cuddalore

2.04 **CLIMATE** : It has sufficient rain fall and experiences an equatable temperature except during hot months. Though the spell of April to June is hot, the **climate is balanced** during the season and as a whole can be characterised as dry. The average temperature is 83°F.

2.05 **RAINFALL** : The average rain fall is 1400 mm. The rain fall is on account of **North East Monsoon** which is nearly **double** that of the **South West Monsoon** rain. The South West Monsoon winds influence the temperature and thus brings **relief** to the town.

2.06 **HISTORY** : **Seven centuries** old Arulmighu **Padaleeswarar** temple is located at **Thiruppapuliyur.** Arulmighu Sambandar and Appar have composed songs in praise of the deity. Part of erstwhile Thondaimandalam, it has passed over chain of dynasties such as Chola, Chera, Pandian, Pallava, Eastern Chalukya, Muslim, Vijayanagar Kingdom, Nayaks and by Bijapur generals in 1648. Later Hariji, the Maratha Chief encouraged the **English people** to settle at Cuddalore. Nawabs leased out the whole district to **East India Company.** The beginning of the 19th century saw British ruling the South Arcot of Carnatic region till India obtained **Independence.**

2. Fort St. David at Devanampattinam.
3. Arulmigu Paadaleesvarar Temple at Thiruppadripuliyur
4. Arulmigu Devanadaswamy Temple at Thiruvandipuram
5. Siva Temple in Thirumanakuzhi Village
6. St. Mary's Church, Manjakuppam

2.08 The Town witnessed **growth** during 1900. **New suburbs** or pettais were formed **for the craftsmen. Brookespettai,** now the popular Bandipalayam and Cummingspet near Thiruppathiripuliyur are such cetres which **deserve mention.** Cuddalore is **one of the coastal towns in South India** and ranked second in terms of all the Municipal towns. The **segments** of the town include Thiruppapuliyur, Manjakuppam, Pudupalayam and Gudalur.

2.09 The **Thiruppathiripuliyur railway station** came into existence in 1876. **The Government Offices** functioning at Gualur were shifted to Manjakuppam during 1866. The popular Cuddalore O.T. was **re-christened as Cuddalore Harbour** in the year 1972. **The commercial and residential developments** predominated at Thiruppapuliyur. The Cuddalore Harbour (O.T) is dominated by commercial activity. **Residential areas** spread over Thiruppathiripuliyur Harbour and Manjakuppam.

2.10 The **'Akkarai'** island comprises of **Gori, Singarathoppu** and **Sonankuppam.** Though isloated from the town, they are the age old **fishermen colonies.** The island lacks proper **access** till today. **Ferry services** are the only hope for the people living there, as the river Uppanar divides the island from the main land. **Anti-disaster** shelter designed by **Town and Country Planning Department** is an addition to the island.

2.11 The Town has a **river port** located at the confluence of rivers Gadilam and Paravanar with the sea. The Uppanar river is **navigable** to a length of one Kilo metre. The port was linked with main rail line during 1935. 1987-88 witnessed the construction of a **new light house.**

2.12 The **Century Old Cuddalore Municipality** was established during 1866. Today the Municipality enjoys a status of **Selection Grade** in terms of population and income. The **1991 Population** of Cuddalore Town is **1,43,000.**

2.13 **SIDCO Indistrial Estate** at the fringe of Cuddalore Town along the Cuddalore - Chittoor road and **SIPCOT Chemical Industries** at Kudigadu village in the vicinity of Cuddalore **contribute** to the Industrial development of the Town and the **whole region.**

2.14 Thiruventhipuram **Anicut** across the river Gadilam lies along the fringe of the Planning Area. Paddy is the predominant crop being cultivated through tank and well irrigation. The very popular Capper Hills, 30M above Mean Sea Level accomodates the **Tuberculosis Sanatorium** and the District Jail. Gravel and Ware Laterite metal quarry are available in **Karaikadu** and **Cuddalore** O.T. Villages of Planning Area.

2.15 **Cuddalore Local Planning Area** was declared by Government during 1974 and it comprises of **Cuddalore Municipal Town, 31 revenue villages of Cuddalore Panchayat Union** and **2 revenue villages of Kurinjipadi Panchayat Union.** The

Chapter 3

Data Inventory

3.01 **POPULATION GROWTH :** The population of Cuddalore **Town** and Cuddalore **Local Planning Area** are **144561** and **2,33,738** respectively as per **1991** census. The decadewise population figure of Cuddalore Town and that of the Planning Area are given in Table 3.1.

TABLE 3.1

DECENIAL GROWTH AND VARIATION OF POPULATION

Year	Population	Variation	Percentage
Cuddalore Town			
1961	79168	10084	14.60
1971	101335	22167	27.90
1981	127625	26290	25.94

Year	Population	Variation	Percentage
Rest of the Planning Area			
1961	48017	..	
1971	55950	7933	16.50
1981	68375	12425	22.21
1991	89177	20802	30.00

Source : Census Department

3.02 In respect of Cuddalore Town the **variation doubled** during **1961-71** and **declined** shaply by 50% in **1991.** The 12.94 growth during 1991 is **below the state average** of 14.94%. This **deserves mention.**

3.03 In case of the **rest of the planning area** consisting of 33 villages, the growth of population is **on the increase** from 16.5% to 30.00% during the period from 1971 to 1991. There is 30% population increase in the rest of the Planning Area during the decade **1981-1991** when compared to the town which had decrease from 25.94% to 12.65% during the same period This is due to **development of the town outside** the town limits due to lesser **land value.** Koothapakkam village had **10 fold** population increase from 1971-to 1991, Kondur, Kudigadu, Pathrikuppam and Pachaiyankupam Village show **sharp population increase.** Indeed the same is not expected in Kudigadu village where the **special and hazardous - SIPCOT Chemical Industries** are located. Kothapakkam village developed on expected lines, but Kondur developed **in contrast** to the anticipated Industrial development.

3.04 The population growth in planning area as a whole is given in Table 3.2.

TABLE 3.2

POPULATION GROWTH IN PLANNING AREA

Year	Population	Variation	Percentage
1961	1,27,185	---	---
1971	1,57,285	30100	23.60
1981	1,96,465	39180	24.91
1991	2,33,738	37273	19.00

Source : Census Department

3.05 There is a decline in percentage of population growth in the decade 1981-1991 eventhough the decline is not there in the town.

3.06 **SEX RATIO :** The total number of females per 1000 males has steadily decreased during the previous decades. The 1991 figures are well close to the **state average** figure

1971	51290	50045	975
1981	64918	62707	965
1991	72867	70907	973

Source : Census Department

3.07 **DENSITY** : The density pattern continue to remain in the **same status** as in the last two decades. The **maximum** is registered only in the age old settlement of **Thiruppapuliyur** and in some **pockets of Manjakuppam at 150 persons per hectare.** The **average density** of the **Cuddalore Town** varies from **50 to 100** persons per hectare. **The rest of the area** recorded only **50 and below.**

3.08 The **low density** prevailing in Cuddalore Town and the Planning Area as a whole are attributed to the **vast area covered by land under water** i.e. 21% of the extent of the Planning Area. 56% of the extent are **agricultural lands** and area covered by **Railways** and **Major road corridors** is 5% of total area.

3.09 **OCCUPATIONAL PATTERN** : In the last three decades viz. 1971, 1981 and 1991 the total **working population** of the town stood at 41%, 46% and 50%. In the rest of the planning area the corresponding figure is 59% and 68% respectively. The details of working force in the town and local planning area are shown in Table 3.4. As per 1991 census figures primary workers in Cuddalore Municipality stood at 7913, secondary workers at 17832 and tertiary workers at 15,649. The main economic activity of the town is commerce dealing with jewellery, groceries as well as fish products.

TABLE 3.4

WORKING FORCE IN CUDDALORE LOCAL PLANNING AREA

3.11 The **developed area** has increased from 880 to 1250 hec. in Cuddalore Town in the last two decades. As such 45% of the town area is developed, 13% is under **land under water** and the remaining are **non-urban uses** including a small segment of **quarries and Hillocks.** For the whole planning area, the developed area will be 2500 hectare against the total extent of 14465 hectare which is 17% of Town's extent.

3.12 The **Land use Break-up** of Cuddalore Town and Cuddalore Local Planning Area are detailed as follows:

TABLE 3.5

LAND USE BREAKUP OF CUDDALORE TOWN

Use	Extent in Hec.	% to developed area	% to total area

MAP NO. CLPA-MP-97-01 shows the **EXISTING LAND USE** of the Cuddalore Local Planning Area.

3.13 **RESIDENTIAL** : Residential development has almost spread over the municipal area excepts ward no.3 and ward no. 7 where this development is meagre. Locally these areas are called Vandipalayam, Chellankuppam and Devanampattinam. Dense development is found along Chidambaram road, Lawrence road and Manjakkuppam and sparse development is found in Pudupalayam and Vanniyar Palayam areas (ward 6). Development is fastly taking place in Koothappakkam village and Padhrikuppam village. Apart from Tamilnadu Housing Board and Co-operative Societies, private developers also contribute to the housing sector. More than 4000 house sites have been developed over an extent of 300 hectares.

3.14 **COMMERCIAL** : Though there is no specialised commercial trading activity in Cuddalore Town and the planning Area, commercial activities are **concentrated at Thirupapuliyur, Majakuppam, Childambaram road, Panruti road** and **Thiruvanthipuram** road. Number of commercial activities, Lodges and Commercial establishements and Cinema theatres, have sprung up close to **Bus Terminal. Vertical development** is also anticipated in the years to come in the bus terminal area. Numerous jewellery shops (more than 150 shops) have developed in and around Lawrence Road and this is a special feature of this town. In addition, there are five markets in existence in the following places. 1. Vegetable, Fish and Mutton daily market at Thirupadripuliyur. 2. 1. Vegetable, Fish and Mutton daily market at Cuddalore O.T. 3. Vegetable, Fish and Mutton daily market at Pudupalayam. 4.Vegetable, Fish and Mutton daily market at Manjakuppam. 5. Fish and Mutton daily market at Devanampattinam.

3.15 **INDUSTRIAL : SIPCOT - Chemical Industrial Complex** is predominant when compared to prevailing agro based Industries. About 30 large and medium size chemical industries like SPIC, TANFAC, Asian paints have sprung up in this industrial estate. **Sea**

3.16 **PUBLIC AND SEMI PUBLIC** : Collectorate, Taluk Office, P.W.D, Telecommunication, Government General Hospital, Municipal Disepensaries and alike are covered under this use. Private medical Institutions are coming up in large scale in Manjakuppam area. Govt. offices and hospitals have also come up in the same area.

3.17 **MEDICAL** : The medical facilities available at Cuddalore are listed below in Table 3.7

TABLE 3.7

MEDICAL FACILITIES : CUDDALORE TOWN

	Type of Medical Centre	Nos.	Bed Strength
1.	Govt. Head Quarters Hospital (Estd. 1939)	1	387

Total		**37,590**		**7,598**	

3.19 **WATER SUPPLY (Town) :** In Cuddalore Town, protected water supply system is in existence from the year 1932 onwards. At first, this was executed in the old town and commissioned in the year 1932 with an infiltration well in Pennar river and for other areas it was expanded in the year 1953. The redesign was made in the year 1953 for an estimated population of 92,000 for th year 1986 with per capita demand of 15 Gallons per day. However, in the year 1961 improvements were carriedout to agument the supply to 60.00 lakhs litres to serve the ultimate population of 92,000 during the year 1986.

3.20 **EXISTING ARRANGEMENT :** The source of water for Cuddalore Town is from river Pennar and the head works is located at Chavadi, consisting of infiltration well and gallery. The head work covers three reservoirs with a capacity of 0.26 to 2.52 lakhs gallons located at various parts at town. In addition, ground water supplements to the water supply system. For the purpose of water supply distribution, the town has been divided into three zones namely 1) Old town, 2) New town and 3) Thirupadhiripuliyur and the distribution main covers to a length of 56 K.M. The reserviors one at Manjakuppam supply with 11.85 lakh litres and the other at Pudupalayam with a capacity of 10 lakh litres and the other two situated in Cuddalore O.T. with 1.18 lakh litres and 4.50 lakhs litres capacity server for Cuddalore old town. For the inhabitants of Thirupadhiripuliyur, a separate system is in existence for which the source is ground water.

3.21 In the year 1978 - 79, three bore wells were drilled to augment water supply for the inhabitants of northen area of Thirupadhiripuliyur but was abandoned due to sand flow and saline. However, once agian 2 more bore wells were sunk during the year 1987-88 and the yeild was also sufficient to meet the demand but could not be used due to salinity. Later on necessary geophysical survey was conducted in Kothapakkam village which is three K.M. from the town on the western direction for the source and two more bore wells of 200mm dia. to a depth of 50 metres have been drilled. The above source is having good yield and is estimated as 750 litres per minute from each bore well and at present, the water from the above source is being distributed in Thirupadhiripuliyur. The total consumption of protected

Verified RedEstate

3.22 Besides the above, 22 deep bore wells, 135 shallow wells and 37 drinking water wells are also available.

3.23 **VICINITY AREA :** The Tamilnadu water supply and Drainage Board (Rural Wing) is incharge to undertake the water supply programme. The following are the schemes implemented in the planning area excluding Cuddalore Town.

1.	A.R.P. :	Accelerated Rural Water Supply Scheme with the assistance of Government of India.
2.	M.N.P. :	Minimum Need Programme with the State Government Assistance
3.	L.I.C. :	Loan from L.I.C. (50%) and 50% grant from State Government
4.	E.P.L. :	Extension of Pipe Line Scheme.

All the 33 villages in the planning area have been provided with water supply through bore walls and over head tanks.

DRAINAGE SYSTEM

3.24 **CUDDALORE TOWN :** There is no under ground drainage system in Cuddalore town. The sullage water from the houses as well as strom water are collected in open drains and disposed off into the river and field channels thus creating health hazards to the people in the town. Dry earth latrine and manual conservancy system is in practice. However, the Municipality initiated a proposal long back (i.e.) in the year 1965 and was sanctioned by the Government in G.O.Ms. No. 134 RDLA dated 2.1.65. Accordingly the investigation was taken up and a scheme was prepared at an estimated cost of 215.00 lakhs with an additional cost of Rs. 6 lakhs for annual maintenance. As the municipality was not able to mobilise its resources to meet the above cost and finally deferred. However the Government was moved in the year 1981 to sanction the above cost as grant but the Govt. turned down the request of the municipality. It is ascertained that the financial condition of the municipality is not so sound to take up the underground drainage programme. Further it has been estimated that if the works are to be taken up now, the cost may go up to Rs.10 crores.

3.25 **PLANNING AREA :** In the vicinity area, no underground drainage system is in existence. The water is being drained off through surface drains. The fringe area of the Cuddalore environs are growing fastly and hence the low cost sanitation may be introduced in these areas.

3.26 **GARBAGE DISPOSAL :** Garbage of the town colleged from different parts and dumped at Municipal dumping yard at Kammiampet (extent 6.0 acres) and at Cuddalore O.T. (extent 1.0 acre).

3.27 **ELECTRICITY :** Power is supplied to the town and to the planning area through State power grid which is inturn connected by Neyveli thermal power units nearby.

Verified by RediEstate TM

3.28 **RECREATIONAL FACILITIES:** The **Great Maidan,** a lung space is a good asset to the Town. In Cuddalore a big maidan is located in Pudupalayam village abutting beach road near the Collector's office. The maidan was formed in the year 1705 by the Britishers. This is a biggest one in South India having an extent of 41.00 acres. It consists of one open air theatre, clock tower and a park. A portion of the maidan is being used for a playground and the remaining portion has been occupied by Stadium, which is under the control of District Sports Council. All the public functions such as meetings, parade, sports etc. are being held in this ground. Besides the above, there are 4 parks one at Cuddalore O.T., one at Vandipalayam, one at Manjakuppam and another one at Vasantharayarpalayam. In addition there are 7 playfields attached to the schools and an another open space of 21 acres of land exists in Devanampattinam area.

3.29 **TRANSPORT AND COMMUNICATIONS** : Cuddalore Town is linked with adjoining urban centres by rail and roads. There are 5 major roads radiating from Cuddalore on all directions maintained by Highways Department of which one in State Highway and the remaining are major and other district roads. Besides the above, there are number of interlinking roads and feeder roads maintained by the Municipality. The main circulation pattern inside the Town has been established by the arterials. Circulation within the town exists only through the existing highway roads and feeder roads which is neither functionally developed nor adequate to carry the persent traffic. It is also worthmentioning that Cuddalore is connected to Pondy by East Coast Road. As sales tax is comparitively less in Pondichery and the distance to Pondicherry is only 22 KM, the inhabitants make frequent travels by moffusil buses to Pondichery for their weekly and occassional needs as well as for employment.

3.30 **BUS TRIPS :** There are a number of Moffusil Buses making 405 trips daily carrying approximately, 20,000 computers from Cuddalore Bus stand to various locations and vice versa. City buses make 55 trips daily carrying approximately 3000 computers.

3.31 **Cuddalore Port** is one of the intermediate ports situated at the confluence of the rivers Gadilam and Paravanar merging with the sea. This river port is in existence since 1820 to handle cargo and has a rail link from Cuddalore Harbour Railway station Cargo handled by the Port is given in Table 3.9.

TABLE 3.9

Verified Report

3.32 The 1km. navigable uppanar channel links the river Gadilam and paravanar on the banks of which port is located.

3.33 A new Light House of height 19.21 mts was built in the year 1987-88. Strengthened rubble mount break water and wharf on the eatern side of uppanar river are available in the light house area.

3.34 COASTAL DEVELOPMENT : The Cuddalore Local Planning Area has a coastal stretch of 21kms and requires to be conserved as per the GOI notification dated 19.2.91 and its amendments issued then and their by the Ministry of Environment and Forest. The 21km coastal stretch commences from Subauppalavadi Village of Cuddalore Panchayat Union i.e. north of planning area limit and ends at Thiyagavalli Village of Kurinjipadi Panchayat Union at Southern boundary.

3.35 The Cuddalore Town itself has a coastal stretch of more than 10kms, with the river port at the confluence of Paravanar and Uppanar rivers with the sea. Development in the Coastal area and the area around the water bodies which connect with sea and have tidal effect will be governed as per the requirements of the notification and the amendments.

3.36 CYCLONE SHELTER : There is only one Cyclone Shelter at Gunduuppalavadi village. This serves for rehabilitation purposes during cyclone period.

3.37 AREA UNDER PLANNING CONTROL : There are four approved Detailed Development Plans in Cuddalore Town out of which two were sanctioned in the year 1969 and the other two in 1994.

3.38 As many as 12 Detailed Developments had been notified in the fringe areas of the town and are in the process of preparation.

3.39 The two old schemes require review and updating taking into account of the latest developments. The information about the Detailed Development Plans is listed hereunder.

Chapter 4

Analysis & Proposals

4.01 **POPULATION PROJECTION :** The population projection for the year 2011 for Cuddalore Town and the rest of the planning area are given below.

The following Population Projection were already made for Cuddalore in the approved master plan in the Directorate of Town and Country planning.

		Projected Population in Lakhs. Year			
		1981	1991	2001	2011
I.	**Approved Master Plan of 1984**				
	Cuddalore Town	—	1.50	—	—
	Rest of the area	—	0.75	—	—
II.	**Regional Plan Division of Directorate of Town and Country Planning**				
	Cuddalore Town	1.28	1.43	1.62	—

Verified RealEsto

4.02 The Population projections are now made for Cuddalore Local Planning Area adopting the following methods.

	Projected Population in Lakhs. Year				
	1971	1981	1991	2001	2011
Method 1 - **Growth Trend**					
Cuddalore Town	1.01	1.27	1.45	—	—
Rest of the area	0.56	0.69	0.88	—	—
Total for the planning area	1.57	1.96	2.33	—	—
Percentage Increase		24.8	19.0		
Adopting the the average percentage increase, Projected Population of the Planning Area	-			2.77	3.30
Method 2 - Graphical Method				2.70	3.25
Method 3 - **Normal Growth** Assuming 2% per annum (1.73 % adopted by census department) the Planning Area Population				2.79	3.35

4.03 The above figures are summed up below

		Projected Population in Lakhs. Year		
		1991	2001	2011
I	As per the **apporved Master Plan** of 1984			
	Cuddalore Town	1.5	—	—
	Planning Area	2.25	—	—
II	**DTCP - Regional Plans Division** Projection			
	Cuddalore Town	1.43	1.62	—
III	**Growth trend**			
	Planning Area	—	2.77	3.30
IV	**Average growth**			
	Planning Area	—	2.70	3.25
V	**Normal Growth**			
	Planning Area	—	2.79	3.35

4.04 Though Cuddalore Town is a fast growing town with the Pondichery Union territory neareby giving an impetus for develoment, the villages in the planning area develops at a slower rate only. Hence an average figure as per growth trend is taken as future population (i.e. for 1991) for all purposes.

Projected population for the years 2001 & 2011 :

Year	2001	2011

Verified © PedlEstate

4.05 **DISTRIBUTION OF PROJECTED POPULATION :** After assessing the capaicty of the Town to take up further growth and the requiremnet of infrastructural facilities of the rest of the Planning area, the projected population of the Planning Area have to be distributed.

The existing distribution of population is as follows :

	1971	1981	1991	Growth%
Cuddalore Town	1.01	1.27	1.43	19.5%
Rest of the Planning Area	0.56	0.69	0.88	21.5%
Average				**20.5%**

4.06 The **reduction** in the rate of population growth in **Cuddalore Town** and the **higher** population growth in the **rest of the planning area** may be attributed to the new residential developments outside the Town limits due to **higher land cost** and due to the fast emergence of **commercial establishments** in Town limits. About **200% increase** in population in Koothapakkam, Pathirikupam villages and **100%** in Ilanelur Village has occured due to the availability of **ground water potential.** The same trend is likely to continue in future decades also.

PROPOSED LAND USES

4.07 **RESIDENTIAL :** Residential development is dense in Majakkuppam, Cuddalore O.T., Thirupopuliyur and Bus stand areas. These areas are likely to absorb double of its present population in its vertical development. So also, the vacant area which constitutes about 40% of total town area is likely to be developed fully with aleast one floor. All these put together can presumably assumed that the present density of 55 persons / hectare will be doubled i.e. 110 persons / hectare. As far as the rest of the planning area is concerned, the density is presumably expected to be 50 to 75 persons per hectare. As such the break up of future population will be as follows :

	Population in Lakhs
Cuddalore Town at a residential density of 110 persons per Hectare	**1.75**
Rest of the Planning Area at a residential density of 50 to 75 persons per Hectare	**1.55**
Total	**3.30**

4.08 The density pattern shall control the extent of land required. Considering the existing density pattern and the projected population of 3.3 Lakhs for the year 2011, the town will accomodate a residential use in 1600 Hectares at a residential density of 110 persons per hecatre. The rest of the Planning Area requires a residential use of 3000 Hectares at a residential density rate of 50 persons per Hectare. The total area under residential use in future (in 2011) will be 4600 hectare.

4.09 The suggested primary residential use zone will have a density of 100 per hectare and the mixed residential zone will have a density of 300 persons per hectare. The major part of the Cuddalore Town and the major road corridors will accomodate mixed residential use zones with the

Verified RedEstate™

4.10 **COMMERCIAL USE :** Thriuppapuliyur can rightly be designated as a **Central Business District** though the Manjakuppam area has just developed with new commercial establishments. Cuddalore Harbour area is concentrated with housing and shopping facilities.The Lawrence Road and Chidambaram Road areas are reserved for commercial use. Similarly the land opposite to SIPCOT and area nearby by pass road junction are earmarked as commercial use zone. Chidambaram Road will also attract commercial developments. Commercial area at the rate of 5hectares / 10,000 population as suggested by the Directorate of town and country planning is proposed in the planning area. As such, the commercial area works out to 165 hectares totally.

4.11 **INDUSTRIAL USE :** Industrial area is proposed at the rate of 7% of the total planning area. This works out to about 1000 hectares. **SIPCOT** - Chemical Industrial Complex has induced Industiral activity in Cuddalore local planning area and the district in general. **The impact is likely to continue.** The SIPCOT Complex also induced lot of **ancilliary units** and more Industrial Developments are forecasted taking into account of the **Government's Industrial Policy.** Hence both sides Chidambaram road beyond SIPCOT Complex is **reserved for special and hazardous Industrial use** zone. In addition, industrial area is proposed along proposed by pass road in Annavalli village. In addition, industrial is proposed in ward no. 3, adjacent to the railway line and at the junction of four roads at Vandipalayam area. Also about 12.5 hectares area at the north west portion of Cuddalore town along Cuddalore - Pondy by pass road is proposed. Totally this works out to nearly 1000 hectares as calculated.

4.12 **PUBLIC AND SEMI PUBLIC USE :** The function of the town is service in nature with already established offices and medical facilities required for the District. The area in Public and Semi Public use is enhanced to 280 hectares from the present area.

4.13 The proposed **Bus Terminal** finds place at the **junction** of the proposed by pass Road and Cuddalore Chitoor State High way covering an extent of 43 hectares. The place is appropriate since it is **not involving** constraint of road-rail cross or additional river cross. The **traffic jam** experienced in the **existing bus terminal** will be much relieved and be more practical due to the reservation of the new site for future bus stand in the **modified Master Plan.** The proposed **Truck Terminal** is located at the junction of Chidambaram Road and by pass road to serve both **special and Hazardous Industrial use** and **Controlled Industrial Use Zones.** A new private medical public complex is proposed near the proposed bus terminal.

4.14 **EDUCATIONAL USE :** The Local Planning Area and the Town in particular has sufficient **established educational facilities.** Some more area is reserved at Cuddalore -Chottor Highway of Senji Kumarapuram Village considering proposals already on the cards. No area is earmarked for proposed educational use, as Annamalai University at Chidambaram which is 50 km away fullfills this need. The total calculated area of both present and proposed works out to 104 hectares for the planning area.

4.15 **The proposed land Use Zoning due to Urban Development do not eat away rich agricultural lands.**

4.16 **TRAFFIC AND TRANSPORTATION :** A 18Km proposed by pass **will alter the life** of the Planning Area with Industrial, Commercial and Mixed residential developments. The proposals will **reduce the pressure** in the **heart of the town** and the development will be centred around this alignment. The survey for **Traffic Operational and Management Plan** conducted during 1994, **emphasised the**

Verified RedEfficate TM

the **truck terminal** and the **bus terminal** virtually at both ends.

4.17 The **internal transport network** interms of service is enough and requires continuous **maintenance.**

4.18 As per the Traffic Operational and Management Plan for Cuddalore, a **link road** connecting Vandipalayam and Chidambaram road near **SN Chavadi** is proposed. Another link road from **Bus stand** now under **renovation** as suggested by Municipality is also proposed to relieve Traffic congestion in Lawrence Road.

4.19 **COASTAL REGULATION ZONE** : Cuddalore is **well developed** as a **Coastal Town.** The **fringe areas** along the coast has also developed especially in the **Pachiyankuppam Village** with **mixed land uses** and **Kudikadu Village** with **Industrial use** south of Cuddalore Town but within Cuddalore Local Planning Area. Similarly on **both sides of Gadilam river sporadic developments have taken place already**. The Pennayar river, Godilam river and Paravanar are likely to have tidal effect from the sea.

4.20 As per the guidelines of **Goverment of India Notification,** the Cuddalore town is **designated as CRZ-II** and the rest of the planning area except a park area adjoining Bay of Bengal (which is mentioned as CRZ-I) is recommended to be designated asCRZ-III by the District level Coastal Management authority. In addition, a **100 Mt. Regulation Zone** is also imposed on **both sides of Gadilam, Pennayar, Uppanar and Paravanar** rivers in which the developments have **to be permitted** under **CRZ-II. This recommended plan is yet to be approved by Government of India in Ministry of Environment** and Forest.

4.21 **WATER SUPPLY** : The sufficiency of the various components of the existing system have to be examined and detailed investigation will have to be made on the following :

i) Identification of additional source to agument the present supply.

ii) Location of additional reservoirs.

iii) Remodelling and extention of distribution system to the uncovered areas.

4.22 In order to meet the above requirement the local bodies with the assistance of TWAD Board and any funding agency are to implement appropriate schemes for the benefit of inhabitants in future.

4.23 **UNDER GROUND DRAINAGE** : The underground drainage system is a must for any town especially to Cuddalore, being a coastal town which is also the Headquarters of Cuddalore District. The scheme may be taken up with the assistance of World Bank (or) from Municipal Urban Development fund.

Verified by RedEstate™

4.24 **PROPOSED LAND USE** : The proposed land use break up for the Cuddalore Local Planning Area in the year 2011 is given

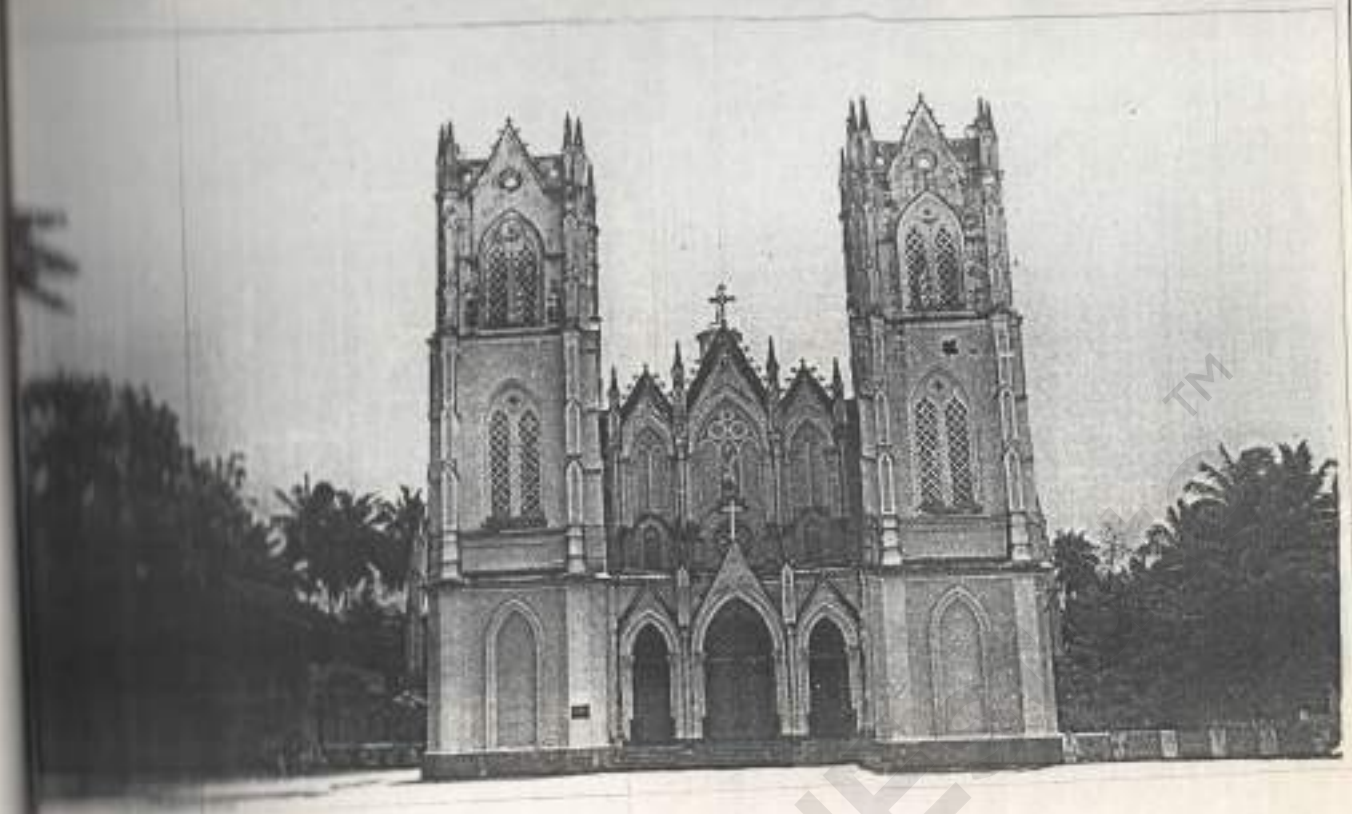

PROPOSED LAND USE BREAKUP - Year 2011

Extent in Hectares

Use	Cuddalore Town	Rest of the Planning Area	Total Planning Area
DEVELOPED AREA			
Residential	1600	2040	**3640**
Commercial	120	140	**260**
Industrial	60	940	**1000**
Public Semi Public	80	200	**280**
Educational	82	22	**104**
Total	**1942**	**3342**	**5284**

CHAPTER 6

Zoning Regulations

6.01 **ZONING :** The proposed land use zone will be guided and regulated by the Provisions of G.O.Ms. No. 1730 dated 27.7.74 **[Annexure I a.].** The regulations mentioned in the Government Order are **comprehensive** and still holds good for the **harmonious development without any conflict** of land uses.

6.02 The **Land use zoning** will be implemented by the Local Planning Authority under the guidance of the **Directorate of Town and Country Planning** and the Government wherever necessary. The Schedule of Survey Nos. of various Land use zones are given in **Annexure 3.**

6.03 The comprising **Local bodies** and the **People** have all responsibilities to accept and **adopt the plan** in the interest of the better and **prosperous** Urban Development of Cuddalore Local Planning Area.

Verified © RedEye

6.04 The regulations mentioned in the Government of India notification in Ministry of Environment and Forest dated 19.2.1991 will also apply to the local planning area wherever it applies to.

6.05 In addition, the provisions of the Tamilnadu **Town and Country Planning Act. 1971** will be enforced for all developments in the Cuddalore Local Planning Area.

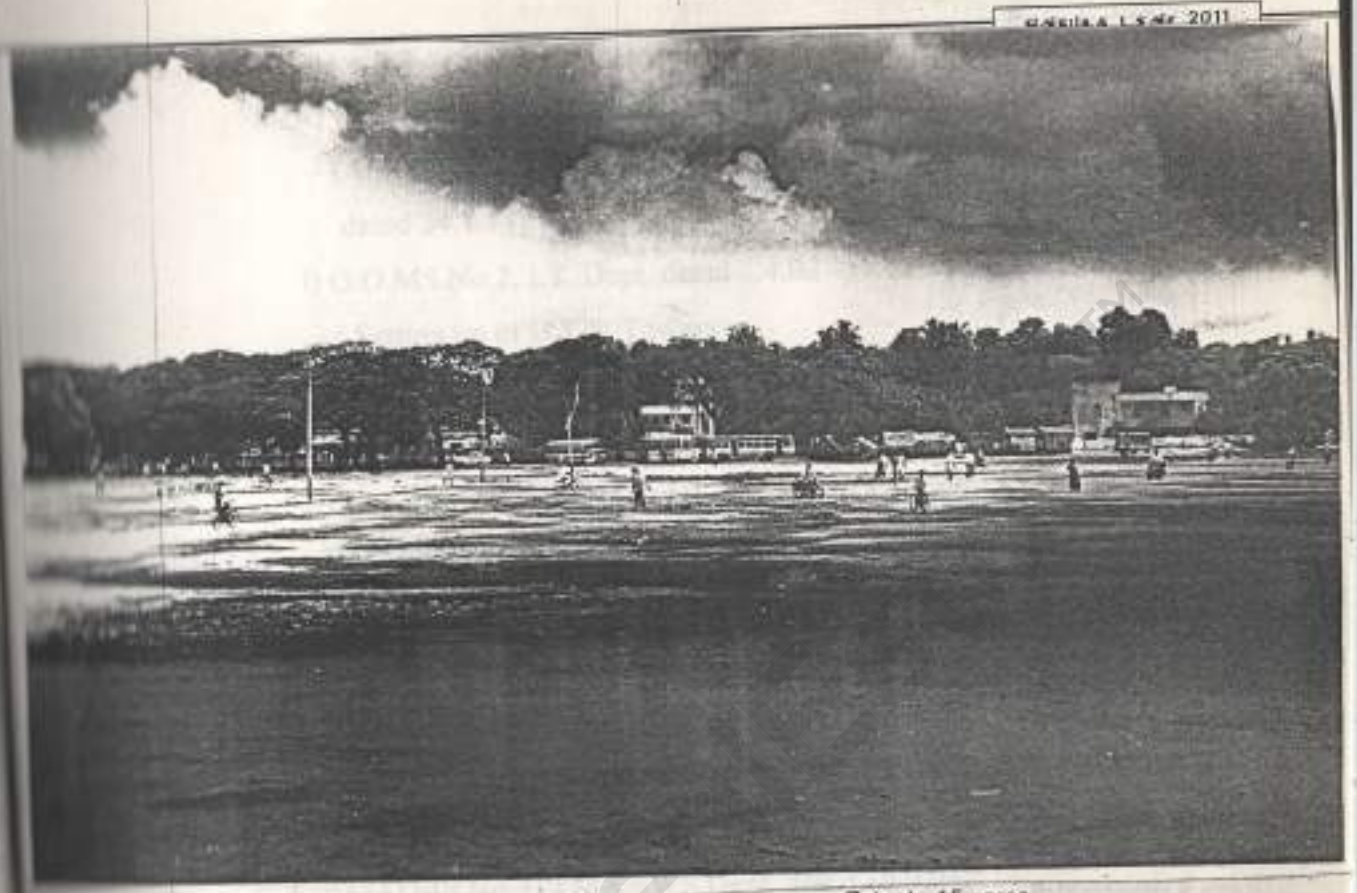

6.06 The land use Zoning and other development controls **will prevail over the Master Plan** Provisions wherever the **Detailed Development Plans** are already **approved/sanctioned.** Further Detailed Development Plans will be prepared and approved by the Commissioner of Town and Country Planning in the area wherever D.D. Plans are not prepared so far, the regulation of such approved D.D. plans in future will also prevail over the provisions of the master plan provisions. The buildings rules framed under Tamilnadu District Municipalities Act and Tamil Nadu Panchayat Act will also be applicable to the developments in this area.

6.07 The proposed Development Control Rules **[DCR]** to be approved by Government will **replace** the existing multiple rules under Tamil Nadu District Municipality Act, Pnachayat Act and Public Building Rules and all other above regulations and further regulations to be issued by Government of Tamilnadu then and there.

6.08 **FINANCE :** The local planning authority is presently running with Government Fund on its expenditure only for certain petty expenditure like stationery, meeting expenditure etc. Local planing authority fund is being utilised. On the income side, the Local Planning Authority is collecting 1% of the General Fund from Cuddalore Municipality and from 33 Panchayats falling within its jurisdiction. The Local Planning Authority is levying development charges as envisaged in G.O. Ms. No. 397 H & U.D. Department dated 12.09.96 and vide proceedings of Director of Town and Country Planning No. 23392/98 MP2 dated 26.11.98. The Local Planning Authority is also collecting Rs. 100/- as scrutiny fee for each planning permission applications. In addition, it sells planning permission application forms at Rs. 10/- and Rs. 100/- for residential and non-residential purposes respectively. Also, the Local Planning Authority is collecting Rs. 2,500/- towards republication charges of each land use reclassification with reference to Master Plan and Detailed Development Plan.

GOVERNMENT OF TAMIL NADU

ABSTRACT

Town Planning - Preparation of Zonal Plans - Formulation of Draft regulations submitted by the Director of Town and Country Planning - Approved.

Rural Development and Local Administration Department

G.O Ms. No. 1730. Dated the 24th July, 1974.

Read:-

1. D.O.Letter No.28332/MD/73-1. RD&IA., dt:7.3.73.
2. From the Director of Town and Country Planning, letter No.10989073, SM/dt:21.3.74.
3. From the Member-Secretary, Madras Metropolitan Development Authority, D.O.Letter No. 19831/274., ADP/dt:19.5.74.

ORDER

The Director of Town and Country Planning submitted draft Zoning regulations on use of land and buildings particulars in urban areas. These regulations list out the uses permissible in each of the Use Zones and the restrictions to be imposed. For the purpose of these regulations, it has been suggested that the Urban areas may be divided into the following six major use zones:-

1. **Residential Use Zone.**
2. **Commercial Use Zone.**
3. **Industrial Use Zone.**
4. **Educational Use Zone.**
5. **Public and Semi-Public Use Zone.**
6. **Agricultural Use Zone.**

Of course, the Residential use zone has been further sub-divided into two categories namely:-

1. **Primary Residential Use Zone; and**
2. **Mixed Residential Use Zone.**

The Industrial Use Zone has been similarly sub-divided into three categories, namely:-

1. **Controlled Industrial Use Zone;**
2. **General Industrial Use Zone; and**
3. **Special Industrial and Hazardous Use zone.**

2. The Director has also stated that the Tamil Nadu Town and Country Planning Act, 1971 provides for the Zoning of areas under Section 17(1) and 20 (2) through the Master Plans and detailed Devleopment Plans respectively. He has recommended that the draft Zone regulations may be approved and communicated to the Local Planning authorities for adoption as part of the Master Plan for proper Land use planning and control in addition to other regulatory measures, and that as for the Madras Metropolitan Area, a copy of the regulations may be sent to the Member-Secretary, Madras Metropolitan Development for adaptation as part of the Metropolitan Development Plan with such modifications may be necessary, in consultation with him (the Director) and the Government.

3. A copy of the draft regulations was sent to the Member-Secretary, Madras Metropolitan Development Authority for his views. He has stated that the comprehensive land use proposals and zoning regulations for Madras Metropolitan Area are under preparation

Verified RealEstate TM

4. The Government have examined the suggestion. They accept the views of the Member-Secretary, Madras Metropolitan Development Authority so far as it relates to the Madras Metropolitan Area and as for other Urban areas of the State, the Government approve, in principle, the draft zoning regulations submitted by the Director of Town and Country Planning. The Director is requested to furnish copies of the draft zoning regulations to the Local Planning Authorities as soon as they are constituted.

5. The receipt of this order may be acknowledged by the Director of Town and Country Planning.

(By order of the Governor.)
M.M. Rajendran
Secretary to Government.

Appendix

USE ZONE REGULATIONS

I. **Residential Use Zone.**

a. Primary Residential Use Zone.

b. Mixed Residential Use Zone.

Use Zone I (a) Primary Residential Use Zone.

1. All residential buildings including single and multi family dwellings, apartment dwellings and tenements together with appartenances pertaining thereto;
2. Professional consulting offices of the residents and other incidential uses therefore;
3. Petty shops dealing with daily essentials including retail provisons, soft drinks, cigarettes, newspapers, milk-kiosks, cycle repair shops and single person tailoring shops;
4. Hair dressing saloons and Beauty Parlours;
5. Nursery and Primary schools;
6. Taxi and Auto-rickshas stands; and
7. Parks and Playfields.

Use Zone I (b) Mixed Residential Use Zone.

Uses Permitted

1. All uses permitted under Use Zone (a) i.e. Primary Residential Use Zone;
2. Hostels and single person apartments;
3. Community Halls, Kalyanamandapams, Religious buildings, welfare centres and Gymnasia;
4. Recreation clubs, Libraries and Reading rooms;
5. Clinics, Dispensaries and Nursing Homes
6. Government, Municipal and other Institutional Sub-Offices;
7. Police Stations, Post & Telegraph Offices, Fire Stations and Electric Sub-station;
8. Banks and Safe Deposit Vaults;
9. Educational Insitutions including Colleges;
10. Restaurants, Residential Hotels and other Boarding and Lodging Houses;
11. Petrol filling and Service stations;
12. Departmental stores or stores or shops for the conduct of retail business;
13. Vegetable, Fruit, flower, fish, Eggs and Meat shops;
14. Bakeries and Confectioneries;

Verified RealEstate™

II. Commercial Use Zone - Use Zone 2.

Uses permitted

1. All uses permitted in Use Zone 1(a) and 1(b) i.e., Residential use Zones;
2. All Commercial and business uses including all shops, stores, market and uses, connected with the display of merchandise, either wholesale or retail rent excluding explosures, obnixious products and other materials likely cause health hazards.
3. Business Offices and other commercial and financial institutions;
4. Warehouses, repositories and other uses connceted with storage or wholesale trade, but excluding storage of explosives or products which are either obnoxious or likely to cause health hazards;
5. Cinemas, the theatres and other commercial entertainment centres;
6. Research, experimental and Testing laboratories not involving danger of fire, explosions or health hazards;
7. Transportation terminals including bus stands, railway stations and urbanised parking lots;
8. Automobiles repair shops and garages;
9. Small industries, using electric motors and exceeding 20 H.P. and/or employing not more than 25 workers, which are not noxious or offensive due to odour, dust, smoke, gas, noise, or vibration or otherwise dangerous to public health and safety; and
10. " Manufacturing and service establishments and commercial uses using electric motors and or not exceeding 50 H.P. and / or employing not more than 25 workers excluding those that are obnoxious or hazardous, nature by reason of edours, effluent, dust, smoke, gas, vibration, noise etc., or otherwise likely to cause danger or nuissence to public health or amenity".

Vide Govt. Letter No. 12096 / UD IV (1) 93-4, Dated : 2 . 8 . 93.

III. Industrial Use zone - Use Zone 3.

A. Controlled Industrial Use Zone.

B. General Industrial Use Zone.

C. Special Industrial and Hazardous Use Zone.

Use Zone III (a). Controlled Industrial Use zone.

Uses Permitted.

1. All commercial uses listed under use zone 1(a), 1(b) and 2 i.e., residential and commercial use zones;
2. Industries using electric power not exceeding 130 H.P. (L.T. maximum load) but excluding industries of obnoxious and hazardous nature by reason of odour, liquid effluent, dust, smoke, gas, vibration etc., or otherwise likely to cause danger or nuisance to public health or amenity;

   Provided that these industries may use steam, oil or gas power during periods of power shortage of failure;
3. Hotels, Restaurants and Clubs places for social inter course, recreation and worship

Verified by RedEstate™

Use Zone III (b) General Industrial Use Zone.

Uses permitted.

1. All commercial uses listed under Use Zone 1(a), 1(b) and 2 i.e. residential and commercial use zones.
2. All industries without restrictions on the horse power installed or type of motive power used excluding those of obnoxious or hazardous nature by reason of odour, liquid effluent, dust, smoke, gas, vibration etc., or otherwise likely to cause danger or nuisance to public health or amenity;
3. Hotels, restaurants and clubs, or places for social intercourse, rereation and worship or for dispensaries and clinics; and
4. Residential buildings for caretakers, watchman and other essential staff required to be maintained in the premises.

Use Zone III (c) Special Industrial and Hazardous Use Zone.

Uses permitted.

1. All commercial uses listed under Use Zones 1 and 2 i.e., residential and commercial use zones;

GOVERNMENT OF TAMIL NADU

ABSTRACT

Constitution of local planning authorities – Appointment of Chairman and Member Secretaries – orders Issued.

HOUSING AND URBAN DEVELOPMENT (UN IV) DEPARTMENT

G.O.Ms.No.759, Dated: 1st September 1993

Read

1. G.O.Ms.No.1138, Rural Development and Local administration Dept. dated 7-6-1996
2. From the Director of Town and Country Planning, Lr.Roc.No.78995/87/Mp4, dated 18-7-1989
3. From the Director of Town and Country Planning, Lr.Roc.No.29066/91 MpA2, dated 21-11-1991

.....

ORDER

In the Government order first read above orders were issued by the Government for the constitution of 13 local planning authorities under sub-sections (1) and (3) of secton11 of the Tamil Nadu Town and Cuntry Planning Act, 1971 (Tamil Nadu Act 35 of 1972) namely Madurai, Dindigul, Kancheepuram, Vellore, Cuddalore, Thanjavur, Kumbakonam, Thiruchirapalli, Coimbatore, Erode, Tiruppur, Tirunelveli and Nagercoil. The Chairman/Mayor of the localbody was appointed as the chairman of the local planning authoritiy and the Town Planning Officer of that local planning authority was appointed as the Member Secretary of the authority.

2. In the letter third read above, the Director of Town and Country Planning has stated that it is not possible to fill up the membership of the local planning authority, from out of the members of the local authorities, until all the local authorities are reconstituted after election to the local authorities. He has, therefore, requested to defer the proposal for nomination of members under clause (b) of sub-section (3) of section 11 of the said Act submitted in his letter second read above. He has however requested to issue orders for appointment of the District Collector concerned as the Chairman and an officer of the Town and Country Planning Department a the Member Secretary of the local planning authority. The Government accept the proposals of the Director of Town and Country Planning.

3. Now, therefore, in exercise of the powers conferred by sub-section (1) and under clauses (a) and (d) of sub-section (3) of section 11 of the Tamil Nadu Town and Country Planning Act, 1971 (Tamil Nadu Act 35 of 1972) and in super session of the Rural Development and Local Administration Department Notification No.II(2)/RUL/3401/76. dated the 7th June 1976, published at page 403 in Part II-Section 2 of the Tamil Nadu Government Gazette, dated the 7th July 1976, the Governor of Tamil Nadu hereby constitutes the local planning authorities specified in column (3) of the Table below, consisting of the Chairman and Member-Secretary specified in the corresponding in the entries in columns (4) and (5) thereof, for the local planning areas mentioned in the corresponding entries in column (2) thereof:-

GOVERNMENT OF TAMIL NADU
ABSTRACT

Master Plan - Cuddalore Local Planning Area - consent of the Government to the publication of a notice of the preparation of the modified master plan - accorded.

HOUSING AND URBAN DEVELOPMENT (UD4.2) DEPARTMENT

G.O.Ms.No. 160 Dated 06.04.2000

READ :

1. G.O.Ms.No. 803, Housing and Urban Development Department, dated 20.09.84.
2. G.O.Ms.No. 57, Housing and Urban Development Department, dated 05.02.96.
3. From the Special Commissioner of Town and Country Planning, Letter Roc.No. 38940/98MP, dt. 04.01.2000.

ORDER :

In the Government order first read above, the Government accorded approval under Section 28 of the Tamil Nadu Town and Country Planning Act, 1971©© (Tamil Nadu Act 35 of 1972) to the master plan for the Cuddalore Local Planning Area and the same was published in the Tamil Nadu Government Gazette, dated the 24th October, 1984. As per the provisions contained in clause (b) of sub-section (2) of section 32 of the said Act, once in every five years, after the date on which the master plan for a area comes into operation, the local planning authority may and if so directed by the Government, shall after carrying out such fresh surveys as may be considered necessary and in consultation with the regional planning authority and the local authorities concerned, review the master plan and make such modifications in such plan wherever necessary and submit the modified master plan for the approval of the Government.

2. In the Government order second read above, orders were issued directing the Cuddalore Local Planning Authority to review the master plan for the Cuddalore Local Planning area approved and published with the Housing and Urban Development Department Notification No. II(2)/HOU/5834/84 at Page 933 of Part II section 2 of the Tamil Nadu Government Gazette dated the 24th October 1984, after carrying out such fresh surveys as may be considered necessary and in consultation with the Regional Planning Authority and the local authorities concerned and to make such modification in such plan wherever necessary and to submit the modified master plan for the approval of the Government.

3. The Special Commissioner of Town and Country Planning in his letter third read above, has stated that by virtue of the provisions contained in clause (b) of sub-section (2) of section 32 of the said Act, the Cuddalore Local Planning Authority has reviewed the existing approved master plan for that planning area and prepared a draft modified master plan for the Cuddalore Local Planning Area, after taking into account of the developments and future requirements. The Special Commissioner of Town and Country Planning has requested the Government to accord consent to the draft modified master plan of the Cuddalore Local Planning area.

4. Under sub-section (2) of section 24 of the Tamil Nadu Town and Country Planning Act 1971 (Tamil Nadu Act 35 of 1972) the Governor of Tamil Nadu hereby gives her consent to the Cuddalore Local Planning Authority to the publication of the modified master plan for the Cuddalore Local Planning area.

5. The draft modified master plan for Cuddalore Local Planning area as consented to by the Government under Sub-section (2) of Section 24 of the said Act is returned to the Special Commissioner of Town and Country Planning, and he is requested to acknowledge its receipt. The Special Commissioner of Town and Country Planning is requested to ensure that the various requirements specified in the said Act and in the Master Plan (Preparation publication and sanction) Rules are strictly adhered to by the Cuddalore Local Planning authority before the modified master plan is resubmitted to the Government for their approval under section 28 of the said Act.

ABSTRACT

Information Technology – Setting up of Base Transreceiver Station Towners and installation of equipment for telecommunication networks – Leasing of space in Government offices on a non-exclusive basis to any licensed telecom company on certain prescribed terms and conditions- Orders – issued.

INFORMATION TECHNOLOGY DEPARTMENT

G.O.Ms.No.2 Dated 1.04.2002.

Read:-

1. G.O.Ms.No.7 Information Technology Department, dated 12.02.2001.
2. From M/s. Reliance infocom Limited Chennai, letter Ref.no.2375/IT/2001-02, dated 29.01.2001.

ORDER:-

In the G.O. first read above, consolidated policy guidelines were issued specifying terms and conditions for the grant of centralized permission for the use of public right of way by any private or public sector applicant that proposes to lay optic fibre cables in the National State Highways and other roads in Tamil Nadu.

2. Tvl. Reliance Infocom Limited, who have been given centralised permission to lay optic fibre cables in Tamil Nadu, have indicated that in order to maximize the coverage throughout the state, permission is required for rening/leasing out Government land /Government buildings for setting up Base Transreceiver Station Towers (BTS Towers) at technically feasible locations. The company has also requested the Government to grant exemption to it from observing side open space rules of Chennai Metropolitan Development Authority / Directorate of Town and Country Planning for the BTS Towers which are only temporary structures and to apply the rules only in the cases of construction of buildings for BTS equipment room, Diesel Generator set room etc.

3. The Government after careful consideration and detailed examination, have decided to grant general permission to any licensed telecom company providing infocom services to the end users, on a non-exclusively basis subject to certain terms and conditions.

4. Accordingly, the Government hereby accord permission to any licensed telecom company and which is committed to the cause for Government of Tamil Nadu to install its Base Stations consisting of Tower, Equipment room and Generator room, on roof top or on the ground in premises and buildings belonging to Government of Tamil Nadu, subject to availability and technical feasibility, on a non-exclusive basis and also subject to availability and technical feasibility, on a non-exclusive basis and also subject to the following terms and conditions.

a) Permission for installing towers, equipment and generator etc. on case to case basis will be issued by the District Collectors concerned in consultation with the district office concerned.

b) Availability of space of 4.5 mts. x 4.5 mts.

c) Technical feasibility – Building should be structurally strong to take a load of 3.5 MT to 6.0 MT depending on the height of tower.

d) A Telecom company providing infocom services and is desirous of utilizing the Government premises / buildings for installing the base stations, should comply with all the regulations and stipulations including that of the Ministry of Civil Aviation, Government of India, in installation of the Base stations. All Clearances / permissions, required in the process of establishing the base stations are to be obtained by such company.

e) Permission may be given on non-exclusive basis.

Verified Copy

The future extension / expansion of building / premises may be kept in mind.
Permission may be granted initially for a period of 10 (ten) years.
Damages caused, if any, shall be rectified by such company and bring back to original condition and to the satisfaction of the authorities concerned.
Leasing of the premises or buildings to such company should not be detrimental to the daily routine and activities of the Office or Offices concerned.
Appropriate rent shall be charged from such company.
Exemption shall be given to the telecom companies from side set back rules of Chennai Metropolitan Development Authority / Directorate of Town and Country Planning for the BTS Towers and the said rules shall be applicable only to the construction of buildings.

5. This orders issues with the concurrence of Housing & Urban Development, Revenue & Public Work's Departments

GOVERNMENT OF TAMIL NADU

ABSTRACT

Land use zoning – Master plan Locational restriction software units – Removal – Orders – issued.

HOUSING AND URBAN DEVELOPMENT (UD IV(2)DEPARTMENT

Dated the 29.10.2002

G.O.Ms.No.260

1. G.O.ms.No.1730 Rural Development and Local Administration and Acquisition Department dated 24.7.74.
2. G.O.(Ms.)No.300, tMD (ME2) dated 3.11.97.
3. From the Special Commissioner of Town and Country Planning Letter No.6336/2002/T/dated 13.3.2002.

ORDER:

In the G.O. first read above, orders were issued prescribing the norms governing land use zoning in respect of areas coming under Local Planning Areas. According to the orders issued in the above Government Order, the Urban Areas are divided into the following six major use zones:

1) Residential use Zone
2) Commercial Use Zone
3) Industrial Use Zone
4) Educational Use Zone.
5) Public and Semi Public Use zone
6) Agricultural Use Zone.

Of these, the Residential Use zone has been further sub-divided into two categories, namely:-

1) Primary Residential use Zone; and
2) Mixed Residential Use Zone.

The Industrial Use Zone has been similarly sub-divided into three categories, namely:-

1) Controlled Industrial Use Zone;
2) General Industrial Use Zone; and
3) Special Industrial and Hazardous Use Zone.

2. In the G.O.second read above, while announcing the Information Technology Industrial Policy, it has been ordered that there will be no locational restriction for setting up units exclusively engaged in Software Development and Training.

3. In his letter third read above, the Special Commissioner of Town and Country Planning has reported that Software units exclusively engaged in software development and training, are considered to be non conflicting uses and therefore there will be no locational restriction for setting up of these units in any land use classified, except those lands reserved for special dand agricultural land use in the Master Plan, in line with the provisions of amended Development Control Rules of Chennai Metropolitan Development Authority, and that the information technology industries also should not be permitted in areas prohibited by various Acts and Rules, relating to Coastal Regulation Zone, Archarological site, Heritage site, Airports,

ital ground, quarry sites, railway properties etc. The Special Commissioner of Town and ountry Planning has now requested the Government to effect changes to G.O.(Ms.)No.1730 D & LA Dept., dated 24.7.74 accordingly.

4. The Government after careful consideration accept the request of the Special ommissioner of Town and Country Planning and effect changes to the norms laid down in .O.(Ms.)No.1730 RD&LA Dept., dated 24.7.74 to the effect that units exclusively engaged in oftware development and training be permitted to avail all land uses, viz., residential (Primary nd Mixed Residential), Commercial, Public and Semi-Public, Educational, Industries (controlled nd general industries) except those lands that are earmarked for special and hazardous dustries and agricultural land use in the Master Plan.

Urban Development- Installation of the Base Transreceiver Station Towers in all the land use zones in the Master Plan – Permission – orders – issued.

HOUSING AND URBAN DEVELOPMENT (UD 4.2) DEPARTMENT

Dated: 12.12.2002.

G.O (Ms.No) 302

READ:

1. G.O.(Ms.)No.1730, Rural Development and Local Administration Department, dt.24.7.1974.
2. G.O.(Ms.)No.2, Information and Technology Dept., dated 1.4.02.
3. Government Lr.No.237/I&T/2002-2, Information Technology Dept., dt.9.5.02.
4. From the Special Commissioner of Town and Country Planning Lr.No.13287/2002/BA1/dt.3.6.2002 and 17.7.2002.
5. Government Lr.No.237/IT/2002-7 Information Technology Department, dated 18.9.2002.

ORDER

In the Government order second read above, the Information Technology Department had issued orders pertaining any licensed telecom company to install Base Trans receiver Station Towers, equipment room and generator room on root top or on the ground of premises and building belonging to Government on certain terms and conditions. Orders were also issued by the Government that exemption shall be given to such telecom companies from following the site set back rules of Chennai Metropolitan Development Authority/Director of Town and Country Planning for installation of Base Trans receiver station Towers and applicability of the said rules only to the construction of buildings.

2. Subsequently, in the Government letter third read above, the Information Technology Department has further clarified that the exemption given in G. O.(Ms) No.a2 dated 1.4.2002 will be applicable not only for the Base Trans receiver Towers to be installed on roof top or on the ground of premises and building belonging to Government of Tamil Nadu but also for the Base Trans receiver Station Towers to be installed on private land/buildings.

3. In the letter fifty road above, the Information Technology Department while issuing certain amendments to paras 4 and 5 of Government order second read above has directed Municipal Administration and Water Supply Department and Rural Development Department to

Abstract

Urban Planning – implementation of information Technology Policy 2002 – Relaxation of Floor space index under Multistoryed and Public Building Rules, 1973 to the extent of 100% in designated IT Parks in urban areas other than Chennai – Orders – Issued

---

MUNICIPAL ADMINISTRATION AND WATER SUPPLY (MAD) DEPARTMENT

G.O.(Ms) No.317 Dated: 10-09-2001
Read:

1. G.O.(Ms) No.52 Housing & Urban Development Department dated 27.3.2003.
2. From the CTCP letter Roc No.24582/2003/SAI dated 30.2.2004

****

ORDER:

The Information Technology Policy of Government of Tamil Nadu envisages to encourage and accelerate the growth of hardware and software industries and associated services in the State and the Government are keen to generate an ambiance by creating Information Technology considers construction of Information Technology parks besides extending concessions incentives to the Information Technology Industry. As a measure to boost construction of more Information Technology related parks, corridors, suggestions have been made to the effect that the existing Floor space index and Open Space Regulations in Building Rules may be relaxed in respect of such buildings. As a first step, the Government in their order first read above relaxed the Building Rules in respect of information Technology related building within Chennai Metropolitan Area as detailed below:-

(1) Floor Space Index (FSI) to the extent of 100% shall be relaxed in respect of designated IT Parks under Development Control Rules of Chennai Metropolitan Development Authority.

(2) The requests of the Information Technology Companies for maintaining the space under the open space by applicant if Company itself under the Open Space Reservation Rules under Development Control Rules, 1991 of Chennai Metropolitan Development Authority shall be allowed.

2. The scope of development of information Technology Parks and related industries in areas other than Chennai is now going momentum. In order to facilitate these developments the Commissioner of Town and Country Planning has suggested to extend the above said concessions to all urban centres of Tamil Nadu by relaxing the rules under the Multistoreyed and Public Building Rules, 1973.

40-f

Verified by Estate™

3. The Government have examined the proposal of the Commissioner of Town and Country Planning and have decided to accept the proposal and to issue orders in line with the orders issued for Chennai Metropolitan area. They accordingly direct that for IT Parks in urban areas other than Chennai Metropolitan area.

(i) Floor space index under Multistoryed and Public Building Rules 1973 shall be relaxed to the extent of 100% and

(ii). The designated IT Company should handover the Open Space Reservation land to the local body by way of gift deed as per the procedure laid down in para 4 of G.O.Ms.No.222, MA & WS dated 28-1-1992. However the local body may permit the IT Company for maintaining the Open Space Reservation land by itself, if so required.

Annexure 2

MINISTRY OF ENVIRONMENT & FORESTS

(Department of Environment Forests & Wildlife)

NOTIFICATION UNDER SECTION 3(1) AND SECTION 3(2) (V) OF THE ENVIRONMENT (PROTECTION) ACT, 1986 ADN RULE 5(3) (D) OF ENVIRONMENT (PROTECTION) RULES 1986, DECLARING COASTAL STRETCHES AS COASTAL REGULATION ZONE (CRZ) AND REGULATING ACTIVITIES IN THE CRZ.

New Delhi, the 19th February, 1991.

S.O. 114(E) - Whereas a Notification under Section 3 (1) and Section 3 (2) (v) of the Environment (Protection) Act, 1986, inviting objections against the declaration of Coastal stretches as **Coastal Regulation Zone (CRZ)** and imposing restrictions on indsutries, operations and processes in the CRZ was published vide S.O. No. 944 (E) dated 15th December, 1990.

And whereas all objections received have been duly considered by the Central Government.

Now, therefore, in exercise of the powers conferred by Clause (d) of sub-rule (3) of Rule 5 of the Environment (Protection) Rules, 1986, and all other powers vesting in its behalf, the Central Government hereby declares the coastal stretches of seas, bays estuaries, crecks, rivers and backwaters which are influenced by tidal acton (in the landward side) upto 500 metres from the **High Tide Line** (HTL) and the land between the **Low Tide Line (LTL)** and the HTL as Coastal Regulation Zone and imposes with effect from the date of this Notification, the following restrictions on the setting up and expansion of industries, operations or processes etc. in the said **Coastal Regulation Zone (CRZ).** For purposes of this Notification,the High Tide Line (HTL) will be defined as the line unto which the highest high tide reaches at spring tides.

Note : The distance from the High Tide Line (HTL) to which the proposed regulations will apply in the case of rivers, creeks and backwaters may be modified on a case by case basis for reasons to be recorded while preparing the Coastal Zone Management Plans (referred to below); however, this distance shall not be less than 100 metre or the width of the creck, river or backwater whichever is less.

1. **Prohibited Activities.**

The following activities are declared as prohibited within the Coastal Regulation Zone, namely :

i. setting up of new industries and expansion of existing industries, except those directly related to water front or directly needing foreshore facilities.

ii. Manufacture or handling or storage or disposal of hazardous substances as specified in the Notifications of the Government of India in the Ministry of Environment & Forests No. S.O.594 (E) dated 28th July,1989. S.O.966(E) dated 27th November, 1989 and GSR 1037(E) dated 5th December, 1989.

iii. Setting up and expansion of fish processing units including warehousing, including hatchery and natural drying in permitted areas);

iv. setting up and expansion of units mechanisms for disposal of waste and effluents, except facilities required for discharging treated effluents into the water course

Verified RedEstate™

85

v. discharge of untreated wastes and effulents from industries, cities or towns and other human settlements. Schemes shall be implemented by the concerned authorities for phasing out the existing practices, if any, within a reasonable time period not exceeding three years from the date of this notification;

vi. dumping of city or town waste for the purposes of landfilling or otherwise; the existing practice, if any, shall be phased out within a reasonable time not exceeding three years from the date of this Notification;

vii. dumping of ash or any wastes from thermal power stations;

viii. land reclamation, bunding or disturbing the natural course of sea water with similar obstructions, except those required for control of coastal erosion and maintenance of cleansing of waterways, channels and ports and for prevention of sandbars and also except for tidal regulators, storm water drains and structures for prevention of salinity inress and for sweet water recharge;

ix. mining of sands, rocks and other substrata materials, except those rare minerals not available outside the **CRZ** areas;

x. harvesting or drawal of ground water and contruction of mechanisms therefore within 200 m of HTL; in the 200m to 500m zone it shall be permitted only when done manually through ordinary wells for drinking horticulture, agriculture and fisheries;

xi. construction activities in ecologically sensitive areas as specified in Annexure-I of this Notification;

xii. any construction activity between the Low Tide Line and High Tide Line except facilities for carrying treated effluents and waste water discharges into the sea, facilities for carrying sea water for cooling purposes, oil, gas and similar pipelines and facilities essential for activities permitted under this Notification; and

xiii. dressing or altering of sand dunes, hills, natural features including landscape changes for beautification, recreational and other such purpose; except as permissible under this notification.

4. **Regulation of Permissible Activities:**

All other activities, except those prohibited in para 2 above, will be regulated as under:

1. Clearance shall be given for any activity within the **Coastal Regulation Zone** only if it requires water front and foreshore facilities.

2. **The following activities will require environmental clearance from the Ministry of Environment & Forests, Government of India, namely:**

i. Construction activities related to Defence requirements for which foreshore facilities are essential (e.g.slipways, jetties etc.) except for classified operational component of defence projects for which a separate procedure shall be followed. (Residential buildings, office buildings, hospital complexes, workshops shall not come within the definition of operational requirements except in very special cases and hence shall not normally be permitted in the CRZ);

ii. Operational constructions for ports and harbours and light houses requiring water frontage; jetties where; quays, slip ways etc. (Residential buildings & office buildings shall not come within the definition of operational activities except in very special cases and hence shall not normally be permitted in the CRZ);

Verified by RealEstate

8b

iv) All other activities with investment exceeding rupees five crores.

(3) (1) The coastal States and Union Territory Administrations shall prepare, a period of one year from the date of this Notification: Coastal Zone Manag Plans identifying and classifying the **CRZ** areas within their respective terri in accordance with the guidelines given in **Annexures-I** and II of the Notifi and obtain approval (with or without modifications) of the **Central Goverr in the Ministry of Environment & Forest;**

ii. Within the framework of such approved plans, all development and activities the **CRZ** other than these covered in para 2 and 3(2) above shall be reg by the State Government. Union Territory Administration or the local autho the case may be in accordance with the guidelines given in Annexures-I of the Notification; and

iii. In the interim period till the Coastal Zone Management Plans mentioned i 3(3) (i) above are prepared and approved, all developments and activities the **CRZ** shall not violate the provisions of this Notification. State Govern and Unions Territory Administrations, shall ensure adherence to these regul and violations, if any, shall be **subject to the provisions of the Enviro (Protection) Act,** 1986.

Procedure for monitoring and enforcement:

The Ministry of Environment & Forests and the Government of State or Union Ter and such other authorities at the State or Union Territory and such other authorities State of Union Territory levels, as may be designated for this purpose, shall be respo for monitoring and enforcement of the provisions of this notification within their resp jurisdictions.

(N.K.-15019(i)84-IA-III

R. Rajamani,

Annexure I

COASTAL AREA CLASSIFICATION AND DEVELOPMENT REGULATIO

Classification of Coastal Regulation Zone :

6(i) For regulating development activities, the coastal stretches within 500 m of High Tide Line of the landward side are classified into four categories, namely

Category I (CRZ-T)

i. Areas that are ecologically sensitive and important, such as national parks parks, sanctuaries, reserve forests, wildlife habitats, mangroves, corals cora areas close to breeding and spawning grounds effish and other marine life of outstanding natural beauty historical heritage areas, areas rich in genetic di areas likely to be inundated due to rise in sea level consequent upon global w and such other areas as may be declared by the Central Government or the con authorities at the State Union Territory level from time to time.

ii. Area between the Low Tide Line and the High Tide Line.

Category-II (CRZ-II)

The area that have already been developed upto or close to the shore-line. F purpose "developed area" is referred to as the area within the municipal limits or in legally designated urban areas which is already substantially built up and which ha

verified by RedFlag

Category III (CRZ-III)

Areas that are relatively and those which do not belong to either Cateogry-I or II. These will include coastal zone in the rural areas (developed and undeveloped) and also areas within Municipal limits or in other legally designated urban areas which are not substantially built up.

Category IV (CRZ IV)

Coastal strectches in the Andaman & Nicobar, Lakshadweep and small islands except those designated as CRZ-I, CRZ-II or CRZ-III.

Norms for Regulation of Activities.

6(2) The development or construction activities in different Categories of CRZ areas shall be regulated by the concerned authorities at the State Union Territory level, in accordance with the following norms:

CRZ-I

No new construction shall be permitted within 500 metres of the High Tide Line. No construction activity, except as listed under 2(xii), will be permitted between the Low Tide Line and the High Tide Line.

CRZ-II

i. Buildings shall be permitted **neither on the seaward side of the existing road** (or roads proposed in the approved Coastal Zone Management Plan of the area) nor on seaward side of existing authorised structures. Buildings permitted on the landward side of the existing and proposed roads existing authorised structures **shall be subject to the existing local Town and Country Planning Regulations including he existing norms of FSI/FAR.**

ii. Reconstruction of the authorised buildings to be permitted subject with the existing FSI FAR Norms and without change in the existing use.

iii. The design and construction of buildings shall be consistent with the surrounding landscape and local architectural style.

CRZ-III

(i) The area upto 200 meteres from the High Tide Line is to be earmarked as 'No Development Zone'. No construction shall be permitted within this zone except for repairs of existing authorised structures not exceeding existing FSI, existing plinth area and existing density. However, the following uses may be permissible in this zone agriculture, horticulture, gardens, pastures, parks, playfields, forestry, and salt manufacture from sea water.

ii. Development of vacant plots between 200 and 500 metres of High Tide Line in designated areas of **CRZ-III** with prior approval of MEF Permitted for construction of hotel beach resorts for temporary occupation of tourists/visitors subject to the conditions stipulated in the guidelines at ANNEXURE_II.

iii. Construction reconstruction of dwelling units between 200 and 500 metres of the High Tide Line permitted so long it is within the ambit of traditional rights and customary uses such as existing fishing Villages and goathans, Building permission for such construction reconstruction will be subject to the conditions that the total number of dwelling units shall not be more than twice the number of existing units; total covered area on all floors shall not exceed 33 percent of the plo size; the overall height of construction shall not exceed 9 metres and constructio floors (ground floor plus one floor.)

CRZ-IV

Andaman & Nicobar Islands:

i. No new construction of Buildings shall be permitted within 200 metres of th HTL.

ii. The buildings between 200 and 500 metres from the High Tide Line shall not have more than 2 floors (ground floor and Ist floor) the total covered area on all floors shall not be more than 50 per cent of the plot size and the total height of the contstruction shall not exceed 9 metres;

iii. The design and construction of building shall be consistent with the surrounding landscape and local architectural style.

iv. Corals and sand from the beaches and coastal waters shall not be used for construction and other purposes;

v. Dredging and underwate blasting in and around coral formations shall not be permitted; and

vi. However, in some of the islands, coastal stretches may also be classified into Categories CRZ-I or II or III, with the prior approval of Ministry of Environment and Forests and in such designated stretches, the appropriate regulations given for respective Categories shall apply.

Lakshadweep and small Islands.

i. For permitting construction of buildings, the distance from the High Tide Line shall be decided depending on the size of the islands. This shall be laid down for each island in consultation with the experts and with approval of the Ministry of Environment & Forests Keeping in view the land use requirements for specific purposes vis-a-vis local conditions including hydrological aspects erosion and ecological sensitivity.

ii. The buildings within 500 metres from the HTL shall not have more than 2 floors (ground floor and Ist Floor) the total covered area on all floors shall not be more than 50 percent of the plot size and the total height of the constrcution shall not exceed 9 metres;

iii. The design and construction of buildings shall be consistent with the surrounding landscape and local architectural style.

iv. Corals and sand from the beaches and coastal waters shall not be used for construction and other purposes;

v. Dredging and underwater blasting in and around coral formations shall not be permitted; and

vi. However, in some of the islands, coastal stretches may also be classified into categories CRZ-I or II or III, with the prior approval of Ministry of Environment & Forests and in such designated stretches, the appropriate regulations givenfor respective Categories shall apply.

ANNEXURE II

UIDELINES FOR DEVELOPMENT OF BEACH RESORTS/HOTELS IN THE DESIGNATGED AREAS OF CRZ-III FOR TEMPORARY OCCUPATION OF TOURIST / VISITORS WITH PRIOR APPROVAL OF THE MINISTRY OF ENVIRONMENT & FORESTS.

7 (1) Construction of beach resorts hotels with prior approval of MEF in the designated areas of CRZ-III for temporary occupation of tourists shall be subject to the following conditions:

i. The project proponents shall not undertake any construction (including temporary constructions and fencing or such other barriers) within 200 metres (in the landward side) from the High Tide Line and within the area between the Low Tide and High Tide Line;

ii. The total plot size shall not be less than 0.4 hectares and the total covered area on all floors shall not exceed 33 percent of the plot size i.e the FSI shall not exceed 0.33. The open area shall be suitably landscaped with appropriate vegetal cover.

iii. The construction shall be consistent with the surrounding landscape and local architectural style.

iv. The overall height of construction upto the highest ridge of the roof, shall not exceed 9 metres and the construction shall not be more than 2 floors (ground floor plus one upper floor);

v. Ground water shall not be tapped within 200 m of the HTL; within the 200 metre - 500 metre zone it can be tapped only with the concurrence of the Central State Ground Water Board;

vi. Extraction of sand, levelling or digging of sandy streches excent for structural foundation of building, swimming pool shall not be permitted within 500 metres of the High Tide Line;

vii. The quality of treated effluents, solid wastes, emissions and noise levels etc. from the project areas must confirm to the standards laid down by the competent authorities including the Central / State Pollution Control Board and under the Environment (Protection) Act, 1986;

viii. Necessary arrangements for the treatment of the effluents and solid wastes must be made. It must be ensured that the untreated effluents and solid wastes are not discharged into the water or on the beach; and no effluent / solid waste shal be discharged on the beach;

ix. To allow public access to the beach, atleast a gap of 20 metres width shall b provided between any two hotels/beach resorts; and in no case shall gaps b less than 500 metres apart; and

x. If the project involves diversion of forest land for non-forest purposes, clearanc as required under the Forest (Conservation), Act, 1980 shall be obtianed. Th requirements of other Central and State Laws as applicable to the project sha be met with.

xi. Approval of the State/Union Territory Tourism Department shall be obtained

7 (2) In ecologically sensitive areas (such as marine parks, mangroves, coral ree breeding and spawning grounds of fish, wildlife habitats and such other are as may be notified by the Central/State Government/Union Territories construct of beach resorts/hotels shall not be permitted.

ANNEXURE - III

CATEGORIES OF HAZARDOUS WASTES

Waste Categories 1	Type of wastes 2	Regulatory Quantities 3
Waste Category No. 1	Cynide Wastes	1 kilogrammes per year calculated as cynide.
Waste Category No. 2	Metal Finishing Wastes	10 kilogrammes per year the sum of the specified substance calculated as pure metal
Waste Category No. 3	Waste containing water soluble chemical compounds of lead, copper, zinc, chromium, nickel, selenium, barium and antimony	10 kilogrammes per year the sum of the specified substance calculated as pure metal
Waste Category No. 4	Mercury, Arsenic, Thallium and Cadmium bearing wastes	5 kilogrammes per year the sum of the specified substance calculated as pure metal
Waste Category No. 5	Non-halogenated hydrocarbons including solvents	200 kilogrammes per year calculated as non-halogenated hydrocarbons
Waste Category No. 6	Halogenated hydrocarbon including solvents	50 kilograms per year calculated as halogenated hydrocarbons
Waste Category No. 7	Wastes from paints, pigments, glue, varnish and printing ink	250 kilogrammes per year calculated as oil or oil emulsions
Waste Category No. 8	Wastes from Dyes and Dye intermediate containing inorganic chemical compounds	200 kilogrammes per year calculated as inorganic chemicals
Waste Category No. 9	Wastes from Dyes and Dye intermediate containing organic chemical compounds	50 kilogrammes per year calculated as organic chemicals
Waste Category No. 10	Waste oil andoil emulsions	1000 kilogrammes per year calculated as oil and oil emulsions.
Waste Category No. 11	Tarry wastes from refining and tar residues from distillation or pyrolytic treatment	200 kilogrammes per year calculated as tar
Waste Category No. 12	Sludge arising from treatment of waste waters containing heavy metals, toxic organics, oils emulsions and spent chemicals and incineration ash.	Irrespective of any quantity
Waste Category No. 13	Phenols	5 kilogrammes per year calculated as phenols
Waste Category No. 14	Asbestos	200 kilogrammes per year calculated as asbestos
Waste Category No. 15	Wastes from manufacturing of pesticides and herbicides and residues from pesticides and herbicides formulation units	5 kilogrammes per year calculated as pesticides and their intermediate products
Waste Category No. 16	Acid/Alkaline/Slurry	200 Kilogrammes per year calculated as Acids/ Alkalies

MINISTRY OF ENVIRONMENT AND FORESTS
NOTIFICATION

New Delhi, the 16th August 1994.

S.O. 595 (E) - Whereas by the notification of the Government of India in the Ministry of Environment and Forests No.S.O.114(E), dated the 19th February, 1991 (hereinafter referred to as the said notification) Coastal Stretches were declared Coastals Regulation Zones and restrictions were imposed on the setting up and expansion of industries, operations and processes in the said zone.

And whereas the Central Government constituted an Expert Committee under th Chairmanship of Shri. B.B.Vohra to examine the issues relating tries, operations and processes in the said zone.

And whereas the said Committee submitted its report to the Central Government on 31st day of December, 1992 and the Central Government after considering the said report proposes to make certain amendments in the said notification;

And whereas vide No. S.O. 859(E), dated the 11th November, 1993, the objections/ suggestions from the public were invited and duly considered and examined by the Central Government.

Now, therefore, in exercise of the powers conferred by sub-section (T) and clause (v) of subsection (2) of section 3 of the Environment (Protection) Act, 1986 (29 of 1986) read with clause (d) of sub-rule (3) of rule 5 of the Environment (protection) Rules 1986, the Central Government hereby makes the following amendments in the aforesaid notification;

(Amendment to No. S.O.114(E), dated the 19th February, 1991).

In excercise of the powers conferred by Clasue (a) of subrule (3) of rule 5 of the Environment Protection Rule, 1986, the Central Government hereby makes the following amendments in the Ministry of Environment and Forests No. S.O.114(E), dated the 19th February, 1991, namely :-

a) In paragraph 1, for the portion beginning with the words "For purposes of this notification, the High Tide Line" and ending with the words "width of the creek, river or back water whichever is less", the following shall be substituted, namely;

"For the purposes of this notification, the High Tide Line means the line on the land upto which the highest water line reaches during the spring tide and shall be demarcated uniformly in all parts of the country by the demarcating Authority so authorised by the Central Government in consultation with the Surveyor General of India.

The distance from the High Tide Line shall apply to both sides in the case of rivers, creeks and back waters and may be modified on a case by case basis for reasons to be recorded while preparing the Coastal Zone Management Plans. However, this distance shall not be less than 50 metres or the width of the creek, river or bakc-water whichever is less. The distance upto which development along rivers, creeks and back-waters is to be regulated shall be governed by the distance upto which the tidal effect of sea is experienced in rivers, creeks or bakcwaters, as the case may be, and should be clearly identified in the Coastal Zone Management Plans".

b) In Annexure II, in paragraph 7, in subparagraph (1), for item (i), the following items shall be substituted, namely:-

(i) The project proponent shall not undertake any construction within 200 metres

Verified by RealEstate

Provided that the Central Government may, after taking into account geographical features and overall Coastal Zone Management Plans, and for reasons to be recorded in writing, permit any construction subject to such conditions and restrictions as it may deem fit.

(a) live fencing and barbed wire fencing with vegetative cover may be allowed around private properties subject to the condition that such fencing shall in no way hamper public access to the beach;

(b) no flattening of sand dunes shall be carried out;

(c) no permanent structures for sports facilities shall be permitted except construction of goal posts, net posts and lamp posts;

(d) construction of basements may be allowed subject to the condition that no objection certificate is obtained from the State Ground Water Authority to the effect that such construction will not adversely affect free flow of ground water in that area. the state Ground Water Authority shall take into consideration the guidelines issued by the Central Government before granting such no objection certificate.

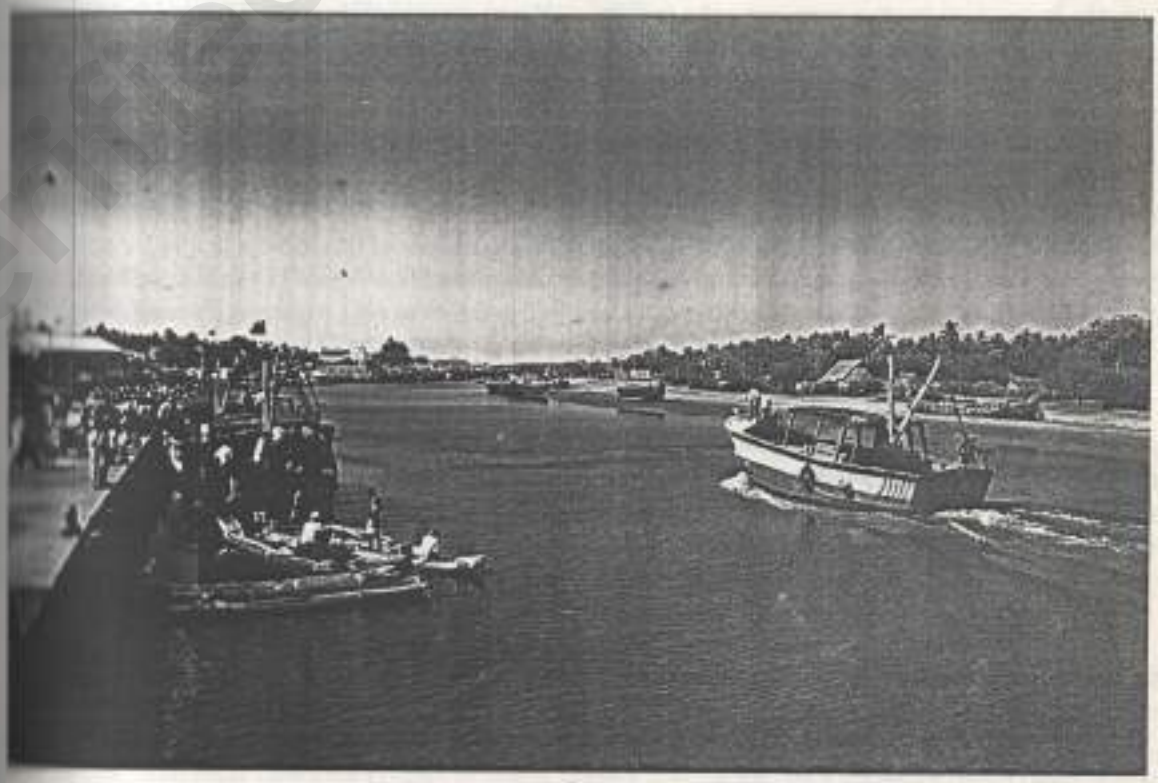

Explanation

Though no construction is allowed in the no development zone for the purpose of calcuation of FSI, the area of entire plot including the portion which falls within the no development zone shall be taken into account".

MINISTRY OF ENVIRONMENT AND FORESTS

NOTIFICATION

New Delhi, the 9th July, 1997

S.O. 494 (E). - Whereas by the notification of the Government of India in the Ministry of Environment and Forests No. S.O. 114(E), dated the 19th February, 1991 (hereinafter referred to as the said notification) the Central Government declared Coastal Stretches as Coastal Regulation Zone (CRZ) and restrictions were imposed on the setting up and expansion of industries, operations and processes in the said zone;

And whereas some State Governments have drawn attention of the Central Government to the difficulties being faced by the local people and also for construction of essential facilities in the coastal zone;

And whereas these issues have been examined by the Government of India in the Ministry of Environment and Forests and discussed with other concerned authorities;

And whereas the Central Government is of the opinion that the notification should be amended;

And whereas sub-rule 4 of rule (5) of the Environment (Protection) Rules, 1986 provides that, notwithstanding anything contained in sub-rule (3), whenever it appears to the Central Government that it is in public interest to do so, it may dispense with the requirement of notice under clause (a) of sub-rule (3) of the said rules;

And whereas the Central Government is of the opinion that it is in public interest to dispense with the requirement of notice under clause (a) sub-rule (3) of rule 5 of the said rules for amending the said notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) and clause (v) of sub-section (2) of section 3 of the Environment (Protection) Act, 1986 (29 of 1986) read with sub-rules (3) and (4) of rules 5 of the Environment (Protection) Rules, 1986, the Central Government hereby makes the following further amendments in the aforesaid notification :-

1. **In the said notification, in paragraph 2,**

(i) in sub-paragraph (ii) the following words and proviso shall be inserted at the end, namely :-

"except transfer to hazardous substance from ships to ports, terminals and refineries and vice versa, in port areas :

Provided that Government of India in the Ministry of Surface Transport, on a case to case basis, may permit storage of the petroleum products as specified in Annexure - II appended to this notification within the existing port limits of existing ports and harbours and in those areas of ports that have not been classified as CRZ subject to implementation of safety regulations including guidelines issued by Oil Safety Directorate in the Government of India, Ministry of Petroleum and Natural Gas after ensuring proper location of site and availability of necessary equipment to meet the safety norms and the exigencies arising due to any accident thereof";

(ii) in sub-paragraph (ii) the following provision shall be inserted at the end, namely :-

"Provided that existing fish processing units for modernisation purposes may utilise twenty five percent additional plinth area required for additional equipment and pollution control measures only subject to existing Floor Space Index / Floor Area Ratio norms and subject to the condition that the additional plinth area shall not be towards seaward side of existing unit and also subject to the approval of State Pollution Control Board of Pollution Control Committee";

(iii) for sub-paragraph (viii) the following shall be substituted, namely :-

"(viii) land reclamation, bunding or disturbing the natural course of sea water except-those required for construction of ports, harbours, jetties, wharves; quays, slipways, bridges and sea-links and for other facilities considered essential for activities permissible under the notification or for control of coastal erosion and maintenance dredging of water ways, channels and ports or for prevention of sandbars or for tidal regulators, storm water drains or for structures for prevention of salinity ingress and sweet water recharge".

(iv) in sub-paragraph (x), for the proviso the following proviso shall be substituted namely :-

"Provided that drawal of ground water is permitted, where no other source of water is available and manually through ordinary wells or hand pumps, for drinking and domestic purposes, in the zone and within 200m or the CRZ

In paragraph 3, sub-paragraph (2), for clauses (ii) and (iv) the following shall be substituted namely :-

(ii) Operational constructions for ports and harbours and light houses and constructions for activities such as jetties, wharves, quays and slipways :

Provided that for expansion of modernisation of existing ports and harbours including fishing harbours operational constructions for ports and harbours and construction of jetties, wharves, quays, slipways Single Point Mooring and Single Buoy Mooring and for reclamation for facilities essential for operational requirements of ports and harbours in areas within the existing port limits, except the areas classified as category CRZ-I it shall require environmental clearance from Government of India in the Ministry of Surface Transport, which shall take decision on these activities on the basis of Environmental Impact Assessment Report.

Provided further that reclamation for commercial purposes such as shopping and housing complexes, hotels and entertainment activities shall not be permissible".

(iv) All other activities with investment exceeding rupees five crores except those activities which are to be regulated by the concerned authorities at the State/Union Territory level in accordance (2) of Annexure I of the notification."

In Annexure I, in paragraph 6, in sub-paragraph (2),

(i) under heading CRZ-I the following proviso shall be inserted at the end, namely :

"provided that construction of dispensaries, schools, public rain shelters, community toilets, bridges, roads, jetties, water supply, drainage, sewerage which are required for traditional inhabitants of the Sunderbans Bio-sphare reserve area, West Bengal, may be permitted, on a case to case basis, by an authority designated by the State Government";

(ii) under heading CRZ-II, for item (i), the following shall be substituted, namely :-

"Buildings shall be permitted only on the landward side of the existing road (or roads proposed in the approved Coastal Zone Management Plan of the area) or on the landward side of existing authorised structures. Buildings permitted on the landward side of the existing and proposed roads/existing authorised structures shall be subject to the existing local Town and Country Planning Regulations including the existing norms of Floor Space Index/Floor Area Ratio :

Provided that no permission for construction of buildings shall be given on landward side of any new roads (except roads proposed in the approved Coastal Zone Management Plan) which are constructed on the seaward side of an existing road";

(iii) under heading CRZ-III,

(a) in item (i) for the words "No construction shall be permitted within this zone except for repairs of existing authorised structures not exceeding existing FIS, existing plinth area and existing density". The words "No construction shall be permitted within this zone except for repairs of existing authorised structures not exceeding existing FSI, existing plinth area and existing density, and for permissible activities under the notification including facilities essential for such activities. An authority designated by the State Government/Union Territory Administration may permit construction of facilities for water supply, drainage and sewerage for requirements of local inhabitants" shall be substituted;

(b) in item (iii) at the end, the following words shall be inserted, namely:-

"Construction is allowed for permissible activities under the notification including facilities essential for such activities. An authority designated by State Government/Union Territory Administration may permit construction of public rain shelters, community toilets, water supply, drainage, sewerage, roads and bridges. The said authority may also permit construction of schools and dispensaries, for local inhabitants of the area, for those panchayats the major part of which falls within CRZ if no other area is available for construction of such facilities".

After Annexure II to the said notification the following Annexure III shall be inserted namely :-

ANNEXURE - III

Sub: COASTAL ZONE MANAGEMENT PLAN (CZMP) OF TAMIL NADU

The Coastal Zone Management plan of Tamil Nadu State submitted vide letter No.16342/EC-III/91-65 dated 13.6.96 on the subject above has been examined.

I am directed to convey its approval in accordance with the power vested in Central Government under section 3 (3) (1) of /notification 1991 subject to incorporating the following conditions/modifications:-

GENERAL CONDITIONS:

All the relevant provisions of the Coastal Regulation Zone (CRZ) Notification, 1991 as amended in 1994 (after incorporating directions given by the Hon'ble Supreme, Court vide its judgement dated 18.4.1996) shall be strictly incorporated in the CZMP.

No activity that has been declared as prohibited, under section 2 of CRZ Notification 1991 shall be carried out within the Coastal Regulation zone.

The permissible activities shall be regulated in accordance with section 3 and follow the norms for regulation as indicated in Section 6 (2) of CRZ Notification 1991 as amended in 1994.

The classification of Coastal Regulation zone shall be in accordance with annexure-I, Section 6 (1). The development of Beach Resorts/Hotels in the designated areas of CRZ III the guidelines indicated under Annexure - II shall be followed.

In addition to the information already available with the Government of Tamilnadu all ecologically important and sensitive areas shall be demarcated on the basis of the following sources of information and shall be classified as CRZ-I.

National parks, sanctuaries and Marine parks _____ information published, made available by Ministry of Environment & Forests (MOEF), Govt. of India.

All reserve and protected forests _____ As marked in the Forest Atlas updated through Biennial Forest Report Status published by Forest Survey of India (Scale 1:50,000).

Mangroves, Mudflats, Coral roofs/Corals _____ Maps prepared on the basis of satellite Imagery in the scale of 1:25,000 by space Application Centre, Ahmadabad and the information as published by MOEF.

Nesting grounds for turtles, horse shoe crabs _____ wildlife Institute, Dehradun.

Historical and Heritage sites _____ as listed with Archaeological Survey of India, State Department of Archaeology, Culture and Tourism in addition to the sites, if an mentioned under specific conditions of this letter.

Areas rich in genetic diversity _____ information published/furnished by MOEF.

Areas of outstanding natural beauty _____ Govt. of Tamil Nadu to decide keeping in view of the

Verified PedEstate

96

In case requisite information is not available from the sources mentioned above, information obtained from other sources may be used after approval of MOEF.

(g) On the basis of further studies or in the event of any occasional such information brought to the notice of State, Central Government, all areas that are ecologically sensitive and important as per CRZ Notification) shall be classified as CRZ-I by Government of Tamil Nadu with the prior approval of MOEF.

(h) the state governments which have prepared maps on 1:25,000 scale through Satellite Imagery for the purpose of delineating the HTL, should submit these maps to the Chief Hydrographer, Govt. of India for the purpose of demarcation. These State Governments which were not in a position to prepare the maps in this manner, should submit them to the Chief Hydrographer, Govt. of India for the purpose of vetting. It is advisable that whenever there is any doubt, any development activity should only be permitted after ground measurements from the HTL taking into consideration marks left by water, presence of mangroves, mudflats and beach.

(i) Government of Tamilnadu delineate LTL, HTL, 200 meters, 500 metres lines and other relevant lines in respect of Creeks, backwaters and rivers affected by tidal action so that distances can be measured, whenever required.

(j) All uninhabited islands are classified as CRZ-I subject to continuation of existing traditional rights special rights and customary uses) except these islands which have been approved by MOEF as CRZ-IV. In case of uninhabited islands classified as CRZ-I, in exceptional cases should carrying capacity Study establish that the proposed development will not have adverse ecological impacts, those particular islands could be reclassified as CRZ-IV, subject to prior approval of Ministry of Environment and Forests.

(k) Government of Tamilnadu shall ensure that all development and activities in CRZ areas take place within the framework of the approved Coasted zone Management Plan. Violations shall be subject to the provisions, of Environmental (Protection) Act 1986 and other relevant laws.

(l) Government of Tamilnadu or any other Authority so designated shall be responsible for monitoring and enforcement of the provisions of CRZ Notifications and CZMP.

(m) all mangroves with an area of 1000 square meters or more should be classified as CRZ-I with a buffer zone of atleast 50 meters.

(n) Dredged material will notice proposed within the CRZ Area.

(o) Sand dunes are classified as CRZ-I.

(p) Parks, Play grounds regional parks-green zones and other non-buildable areas falling within CRZ-II areas are categorised as CRZ-III.

(q) Government of Tamil Nadu shall not make any changes in the approved categorisation of CRZ areas without prior approval of Ministry of Environment & Forests Government of India.

(r) Government of Tamilnadu will give wide publicity

SPECIAL CONDITIONS/NOTIFICATIONS/CLASSIFICATIONS

(a) The monumental zones of Mamallapuram, Poompuhar, Nagore, Ramanathapuram, Tiruchendur and Kanyakumari upto 500 meters are classified as CRZ-I.

(b) The islets and theevus near Keelakarai are classified as CRZ-I.

(c) Along the rivers creeks and backwaters which are influenced by tidal action, the CRZ will extend upto 500m. However, the CRZ will extend only upto 100m along rivers, creeks and backwaters within areas which are categorised as CRZ-II.

(d) With respect to Pallikaranai swamp, the Tamilnadu Government will re examine to ascertain whether the area falls within CRZ, it will be classified as CRZ-I.

(e) With respect to Coovum river, Ennore creek and Buckingham Canal, the State Government, will get a study conducted to ascertain the extent upto which tidal action is experienced and classify the areas as CRZ.

(f) With respect to Sadras and Tranquebar, the area are classified as CRZ-I except settlement areas

97

(viii) In sheet No. 5, the entire belt is classified as CRZ-III except the Southern portion of estuary which is classified as CRZ-I.

(ix) In sheet No. 6, the settlement areas are classified as CRZ-III and rest of the areas as CRZ-I.

(x) In sheet No. 8 the stretch is classified as CRZ-I except settlements which are classified as CRZ-III.

(xi) In sheet No. 9 the stretch is classified as CRZ-III.

(xii) In sheet No. 10 rural habitation areas are classified as CRZ-III and Cuddalore town areas are classified as CRZ-II. South of Gadilam river is classified as CRZ-I.

(xiii) In sheet No. 11, area North of Vellar, river is classified as CRZ-III and area south of Vellar river as CRZ-I, Portnova is classified as CRZ-III.

(xiv) In sheet No. 12, Northern portion is classified as CRZ-I and other coastal belt devoid of ecologically sensitive areas classified as CRZ-III.

(xv) In sheet No. 13 the stretch is classified as CRZ-III except the heritage town which is classified as CRZ-I.

(xvi) In sheet No. 14 built-up area is classified as CRZ-II, rural settlements as CRZ-III and heritage areas as CRZ-I.

(xvii) In sheet No. 15 reserve forests, are classified as CRZ-I and settlement areas as CRZ-III.

(xviii) In sheet No. 16 the stretch is classified as CRZ-I except settlement area which is classified as CRZ-III.

(xix) In sheet No. 17 Vedaranyam swamp is classified as CRZ-I and Adhirampattinam as CRZ-III.

(xx) In sheet No. 18 the stretch is classified as CRZ-I, except settlement areas and Thendi which are classified as CRZ-III.

(xxi) In sheet No. and 20 the stretch is classified as CRZ-I except settlement areas and Thendi which are classified as CRZ-III.

(xxii) In sheet No. 21, the stretch is classified as, CRZ-I except settlement area which is classified as CRZ-III.

(xxiii) In sheet No. 22 the whole stretch is classified as CRZ-I except settlement areas which are classified as CRZ-III and Mandapam as CRZ-II.

(xxiv) In sheet No. 23 built-up area of Rameshwaram is classified as CRZ-II Pamban area as CRZ-III and rest of the area as CRZ-I.

(xxv) In sheet No. 24 and 25 the stretch is classified as CRZ-1 except settlement area which are classified as CRZ-III.

(xxvi) In sheet No. 26 salt pan is categorised as CRZ-I settlement areas as CRZ-III and built-up Municipal area as CRZ-II.

(xxvii) In sheet No. 27 Rural belts are classified as CRZ-III, Tiruchendur town as CRZ-II and lagoon area as CRZ-I.

(xxviii) In sheet No. 28 entire stretch is classified as CRZ-III.

(xxix) In sheet No. 29, the stretch is classified as CRZ-III except for river mouth which is classified as CRZ-I.

(xxx) In sheet No. 30 built-up area of Kanyakumari town is classified as CRZ-II, other areas as CRZ-III and area close to Manakkudi Kayal is classified as CRZ-I.

(xxxi) In sheet No. 31 built-up parts of Colachel are classified as CRZ-II and rest of the area as CRZ-III.

(xxxii) In Map No. 1 & 2 the stretch of Madras Metropolitan area is classified as CRZ-II and areas in Map No. 3, 4 and 5 are classified as CRZ-III.

The revised plan submitted by Government of Tamilnadu vide letter No. 16342/EC-III/91-65 dated [illegible] is not in conformity with all the conditions indicated above. These modifications may be made and [illegible]ified maps should be sent to this Ministry within a period of two months for record.

Yours faithfully,

Copy of : Letter Re. 36342 / EC. III /91-82 dt. 23.4.97 from the Secretary to Government, Environment and Forest Department, Chennai - 9 addressed to the Director of Town and Country Planning, Chennai - 600 002.

Sir,

Sub : Environment & Forests - Coastal Zone Management Plan (CZMP) - Certain instructions - Regarding.

Ref : 1. Govt. Letter No. 16342 / EC. III / 91-70, dt. 12.11.96
2. Govt. Letter No. 16342 / EC. III / 91-76, dt. 24.1.97
3. Chennai Metropolitan Development Authority D.O. Letter No. MEC1/26599/94, dt. 26.2.97
4. Director of Town & Country Planning D.O. Letter No. 5751/93 MP3, dt. 13.3.97.

I am directed to state that the instructions issued in the Government letter first cited were based on the clear request made by the Director of Town and Country Planning. Further clarification regarding in the extent upto which the coastal regulation zone regulation is applied in respect of coastal regulation zone II areas was issued in the reference second cited. The intention of the Government is to implement the Coastal Regulation Zone Notification 1991 strictly while submitting all developmental activities in the Coastal Regulation Zone area as per the Coastal Zone Management Plans approved by the Government of India.

2. The above Government letters are not intended to put a ban/restriction for the permissible activities within 500 metres from the High Tide Line which are specifically submitted by the main Coastal Regulation Zone Notification. This clarified that the permissible activities in the Coastal Regulation Zone areas as per the 1991 Coastal Regulation Zone Notification can be carried by following the regulatory guidelines issued from time to time in this regard. For the purpose of delineating the High Tide Line, the tide lines adopted by the Director of Town and Country Planning and Chennai Metropolitan Development Authority in the maps approved by the Government of India, other relevant maps like village maps and FMB shall be taken into account for the approval of planning permission till the time the Chief Hydrographer, Dehradun demarcates the High Tide Line, Low Tide Line and 500 metres physically. In case of doubts permission should be granted only after ground measurement from the High Tide Line taking into consideration the marks left by the presence of mangroves, mud flats and beach.

3. Any violation will be viewed seriously and will be punished as per the provisions of the Environment (Protection) Act 1986.

Yours faithfully,
For Secretary to Government

*****

Please refer to the minutes of the meeting of the Committee of Secretaries held on 5.11.1997 to discuss the draft policy on Airport Infrastructure. The minutes mention that Ministry of Environment and Forests will ensure quick response to project proposals from environmental angle and all issues will be finalised within a maximum period of three months from the date the application is received.

2. In order to ensure that there is no delay in processing of environmental clearance in this Ministry, I am listing below some of the important issues which will have to be invariably covered while sending project proposals to us :

a. In case any forest land is involved, necessary clearance under the Forest (Conservation, 1980 should be obtained before applying for environmental clearance).

b. Proximity of ecologically sensitive areas like wildlife sanctuaries / national parks / biosphere reserves, etc. to the project site and approach road, etc. should be clearly indicated.

c. It would be necessary to assess the likely adverse impact of the proposed development including the approach road, both during construction and operational phases, on the sensitive receptors including flora, fauna and settlements, if any.

d. It should be indicated whether the air routes pass through migratory route / flight route corridors of birds.

e. Availability of resources like water, electricity, etc. for the project vis-a-vis the requirements of the other users in the area should be assessed.

f. Detailed plan for solid waste disposal / solid waste management should be included in the proposal.

g. No excavation from or dumping of waste material into any water body / wetlands should be carried out and borrow sites for earth, quarry sites for construction and dump sites must be identified.

h. The plan for excavation work should be prepared in consultation with soil conservation and watershed development agencies working in the area.

i. Construction soil including bituminous material and other hazardous material must not be allowed to contaminate water courses and dump sites for such materials must be identified well in advance and lined properly to prevent ground water contamination.

j. The proposal should including a detailed rehabilitation and resettlement plan for the people who would be displaced by the project.

k. There should be a plan for safety emergency preparedness indicating storage areas for hazardous/ inflammable material.

l. It would be necessary to obtain comments of the Chief Wildlife Warden and the Principal Conservator of Forests regarding the impact of the project, if any, on wildlife and forest respectively.

If proposals are received with complete information, it should be possible to take a view on granting environmental clearance within 90 days.

With regards,

Yours sincerely
Sd/- xxxxx
(K. Roy Paul)

Coastal Regulation Zone (CRZ)

The areas earmarked as HTL & 500 m from HTL as shown in the map and schedule of S.Nos. are with reference to the approved Coastal Zone Mangement Plan. Any revision to the Coastal Zone Management Plan by the Ministry of Environment and forest Dept. Govt. of India (MOEF) / National Coastal Zone Management Authority (NCZMA) will prevail in respect of CRZ. Any reference with regard to the CRZ say categarisation HTL, 500m from HTL etc., will be subject to the decision of Coastal Zone Management Authorities and the orders issued from time to time.
