ORDER:-

The following Announcement was made on 13.08.2021 in the **Revised Budget Speech 2021 - 2022**:-

"New Urban Development Authorities will be formed for Madurai, the Coimbatore – Tiruppur Area, and for the fast growing Hosur area".

2. In the letter read above, the Director of Town and Country Planning has furnished a proposal for constitution of Urban Development Authority for Tiruppur citing the following:-

i. Tiruppur is a major textile and knitwear hub contributing to about 90% of total cotton knitwear exports from India. The textile industry provides employment to over six lakh people and its contributions to export is worth of about Rs.200 billion in a year.

ii. The city of Tiruppur has been witnessing enormous growth in population for the past three decades. This growth in population has caused an uneven development in the city and its contiguous areas and has resulted strain in the existing infrastructure such as roads, health and educational facilities, water supply and sanitation.

iii. The existing master plan for Tiruppur area was prepared in 2006 covering area of 220 sq.km. Based on the review process of Tiruppur master plan, it has been proposed to increase existing 220 sq.km. area to 617 sq.km. Same has been delineated for the proposed Tiruppur local planning area. It comprises of the

Corporation of Tiruppur, 4 town panchayats and 31 revenue villages.

iv. The magnitude of tasks required and the actions contemplated in this 617 sq.km. area cannot be handled by any of the available agencies since no single administrative set up which have capacity to co-ordinate the work of implementing agencies to plan and share the future development of the Tiruppur Urban Area in an orderly manner. Moreover, today, developmental activities in Urban areas are being implemented by a number of agencies without adequate co-ordination, divorced from the perspective of an overarching plan. It has, therefore become imperative to set up a separate Development Authority to ensure an orderly development in this area.

v. The Tamil Nadu Town and Country Planning Act, 1971, currently do not provide for the constitution and functioning of such development authorities. Therefore, action has been initiated for making necessary amendments in the above said Act, which is expected to take some time.

vi. Meanwhile, during the initial stage of formation of the Authority, several preparatory activities need to be undertaken. Therefore, to take up this, it is proposed to initially constitute the Urban Development Authority for Tiruppur as an adhoc body as was done in the case of Chennai Metropolitan Development Authority earlier in 1972, pending amendment to Tamil Nadu Town and Country Planning Act, 1971. Besides, an Advisory Council and a Planning Cell were also constituted to advise and assist the said body in discharging its functions. The exact composition of the Urban Development Authority shall be finalized at the time of enacting amendments to the Tamil Nadu Town and Country Planning Act, 1971.

The Composition and functions of the Tiruppur Urban Development Authority, Advisory Council and the Planning Cell are detailed below:-

A. <u>Tiruppur Urban Development Authority.</u>
