ORDER:

The Inspector General of Registration, in his letter read above, has stated that the provisions contained in Clause (3) of Article 3 of the Table of Fees prepared under section 78 of the Registration Act, 1908 provides for levying extra fee of Rs.100/- towards copying of document done with the help of electronic devices and that at times, voluminous documents are prepared and presented by the Public for registration and that due to this, the workload relating to affixing page endorsement certificate and scanning of document increases considerably and such documents occupy more space in the storage device.
