Read:

1. G.O.(Ms) No.128, Municipal Administration and Water Supply Department, Dated 2.9.2013.

2. From the Director of Municipal Administration, Lr.Roc.No.38984/P1/2014-4, Dated 05.02.2015.

ORDER:

The Ministry of Urban Development had launched the "*Swachh Bharath Mission*" (SBM) on 02.10.2014 for a period of five years. The **Mission Objectives** are (i) Elimination of open defecation, (ii) Eradication of manual scavenging, (iii) Modern and scientific Municipal Solid Waste Management, (iv) To effect behavioral change regarding healthy sanitation practices, (v) Generate awareness about sanitation and its linkage with public health, (vi) Capacity augmentation for Urban Local Bodies, and (vii) To create an enabling environment for Private sector participation in Capex (Capital Expenditure) and Opex (Operation and Maintenance expenditure).

2. All Statutory towns will be covered under the Mission. As per the guidelines 'Statutory towns' (defined by Census 2011) are urban areas defined by administrative units that have been defined by 'statute' as urban, such as municipal corporations, municipalities, cantonment boards, notified town area committees, town panchayats, or nagar palikas.

3. Government of India has proposed that the state wise allocations under the mission would be based on total urban population (50% weightage) and total number of statutory towns (50% weightage). Subsequently, the allocation would be based on actual requirements and utilizations. The following are the Tentative Targets and Financial Incentives proposed by Government of India under the components of the mission:

Sl. No.	Component	Physical Target	Financial Incentive (Rs in crores.)
1.	Individual Household Toilets	13.95 lakh	558.02 (@ Rs.4000)

2.	Community Toilets	36,000 seats	93.52 (Max VGF / Grant @ 40%)
3.	Municipal Solid Waste Management	--	830.47
TOTAL			**1482.01**
4.	IEC	--	222.30 (15% of GOI allocation of 1482)
5.	Capacity Building, A & O.E.	--	74.10 (5% of GOI allocation of 1482)
GRAND TOTAL			**1778.41**

4. The **components** of the Swacch Bharat Mission in brief are

(i) Household toilets - component rests on the aims to ensure that 'no households engage in the practice of open defecation; no new insanitary toilets are constructed during the mission period and pit latrines are converted to sanitary latrines'.

(ii) Community toilets - Community toilet blocks will consist of a given number of toilet seats, as per requirements. Pour flush, with facilities like washing, bathing etc, and separate toilets and bathing facilities for men, women and facilities for the disabled. All community toilets constructed under Swacch Bharat Mission must have a minimum 5 year maintenance contract.

(iii) Public Toilets - Construction of sufficient number of public toilets in each city, with coverage of all prominent places within the city attracting floating population. Adequate provision for men, women and facilities for the disabled, wherever necessary are to be ensured. There will be no Central Government incentive support under this component. Urban Local Bodies are encouraged to identify land for public toilets, and leverage this land and advertisements to encourage the private sector to construct and manage public toilets through a Public Private Partnership agreement. All Public Toilets constructed under Swachh Bharat Mission must have a minimum 5 year maintenance contract. The Urban Local Bodies can utilize the proceeds of the advertisements and user fee to meet the maintenance expenditure.

(iv) Solid Waste Management - Urban Local Bodies have to prepare Detailed Project Reports (DPRs) with reference to the Manual on Municipal Solid Waste Management, 2000 published by the Ministry of Urban Development. The State High Powered Committee will approve the Detailed Project Reports, financial model and implementation will be as per directions of the State High Powered Committee.

(v) IEC and Public Awareness - A key strategy under Swahh Bharat Mission is behavior change communication to ensure that sanitation as an issue is mainstreamed with the general public at large and should cover issues of open defecation, prevention of manual scavenging, hygiene practices, proper use and maintenance of toilet facilities (household, community or otherwise), etc., and its related health and environmental consequences. A total of **15%** of the total central allocation will be earmarked for this component. Of this, **12%** will be earmarked for States to undertake massive public awareness campaigns on sanitation and establishing its link to public health, hygiene and the environment.

States shall prepare an annual action plan for Public Awareness and IEC and State High Powered Committee shall approve it.

(vi) Capacity Building and Administrative and Office Expenses (A&OE) 3% of the total Central Government allocation under the mission will be earmarked for capacity building, administrative and office expenses of States and ULBs. States shall propose extensive capacity building activities to be implemented in a mission-mode manner in their comprehensive annual action plans approved by the State High Powered Committee. 50% of the funds must go towards Urban Local Body level activities.
