

ABSTRACT

State Planning Commission – Focus Blocks Development Programme (Priority Blocks including Hill area Regions scheme) – Formulation – Implementation guidelines – Approved – Orders – Issued.

Planning, Development and Special Initiatives (SPC) Department

G.O.(Ms).No. 27

Dated: 16.02.2024

சோபகிருது – மாசி - 04

திருவள்ளூர் ஆண்டு – 2055.

Read:

1. Budget Announcement 2023-2024.
2. From the Member Secretary (FAC), State Planning Commission, Chennai-5, Letter No.1265/RD&DP/SPC/2023, dated: 13.07.2023, 20.10.2023, 07.11.2023 and 07.02.2024 (through email)

ORDER:

In the Budget Speech 2023-24, the Hon'ble Minister for Finance and HRM announced on the floor of Legislative Assembly that the Government will launch a new **"Focus Blocks Programme (Priority Blocks including Hill area regions scheme)"** for blocks backward in the socio-economic parameters to ensure growth and development in a time bound and targeted manner through convergence of schemes.

2. In pursuance of the above announcement in the letter read above, the Member Secretary (FAC), State Planning Commission based on the deliberations and further discussion with stakeholder departments has sent the draft guidelines for implementing **Focus Blocks Development Programme**.

3. Meetings Chaired by the Chief Secretary, to discuss and finalise the modalities for implementation of Focus Blocks Development Programme (FBDP) were held on 20.11.2023 and 01.02.2024.

Inter alia, inclusion of relevant indicators specific to ongoing flagship schemes under the Focus Blocks Development Programme (FBDP) in order to ensure better and speedy implementation of these schemes in the Focus Blocks was suggested which have since been received from the Departments.

(p.t.o.)

4. The Member Secretary (FAC), State Planning Commission has requested the Government to approve the draft guidelines for implementing the scheme in identified 50 blocks which are in need of development and the Key Development Indicators for the Focus Blocks Development Programme.

5. The Government after careful examination of the proposal of Member Secretary (FAC), State Planning Commission to formulate the Focus Blocks Development Programme, approve the implementation guidelines and Key Development Indicators as appended to this order.

6. The guidelines governing the implementation of Focus Blocks Development Programme are appended as Annexure I to this order.

The Key Development Indicators (KDIs) for the Focus Blocks Development Programme are enclosed as Annexure II to this Government Order.

7. This order issues with the concurrence of Finance Department, vide U.O.No.456/FS/P/24, dated: 08.02.2024.

(BY ORDER OF THE GOVERNOR)

**RAMESH CHAND MEENA
ADDITIONAL CHIEF SECRETARY TO GOVERNMENT.**

ANNEXURE – I

Guidelines governing the implementation of Focus Blocks Development Programme (Priority Blocks including Hill area regions scheme)

Background:

The spatial distribution of economic development in Tamil Nadu is more equitable than in other developed states in India. Intra-state differences however exist, resulting in differential demand for development. The development demand across the State differs due to differences in the underlying socio-economic forces and resources in regions. There are regions/blocks that have higher level of development demand in terms of larger government expenditure requirements on basic public utilities and support systems. Spatial targeting of public expenditures on specific blocks is a legitimate approach to equitable spread of development opportunities across blocks.

In consonance with this approach to regional development, the Hon'ble Minister for Finance announced the 50 Focus Blocks Development Programme (Priority Blocks Programme including Hill area regions) in the Budget 2023-2024.

The Focus Blocks Development Programme (FBDP) is to be implemented by the State Planning Commission, Government of Tamil Nadu.

Objectives:

The primary objective of the scheme is to identify 50 blocks that require additional government assistance while converging the existing departmental schemes to improve public utilities and lives of poorer households.

The secondary objective is to create capacity at the block level administrative machinery to strive for augmenting development resources and deploy them effectively to achieve faster development in relation to other regions in the state.

Methodology adopted for the selection of Focus Blocks

Data of the 9 indicators at the Block level for 388 blocks in the State has been used. The indicators are:

1. Percentage of SC& ST Population in the block.
2. Percentage of Agricultural workers to Total Workers in the block.
3. Percentage of students in Government and aided schools to total school students in the block.

(p.t.o.)

4. Least Pass percentage of students in 10th class in Government and aided schools.
5. Maternal Mortality Rate.
6. Infant Mortality Rate.
7. Percentage of Households in Huts.
8. Percentage of Households without Tap connection at home.
9. Percentage of Habitations with earthen roads.

All these indicators reflect the need for development works in the blocks. The number of blocks per district varies widely from 20 blocks in Salem and 4 blocks in Perambalur. Any method of ranking the blocks across districts will have more blocks from larger districts within 25 percentile and blocks from smaller districts may not find a place in that list. Therefore, the blocks are ranked within a district for each of the 9 indicators and then those ranks are summed up to get the aggregate block score. It is only the relative value in each block's aggregate score with reference to other blocks in the district is considered.

According to the aggregated rank value, the top three blocks are selected from each district. The first set of blocks is selected as one block per district, excluding Chennai district, 37 blocks are initially listed in the first selection.

For the selection of the second set of blocks, excluding the top 24 districts in terms of Per Capita Gross District Domestic Product (GDDP), one block from each of the remaining 13 districts have been selected.

In the meeting held under the Chairmanship of Chief Secretary with line departments on 20.11.2023 the list of blocks identified were discussed and finalised.

The final list of 50 blocks is given below:

Final list of Selected Blocks for implementation of FBDP

Sl. No	Districts	Selected blocks list 1 (1 to 37)	Selected blocks list 2 (38 to 50)
1	Ariyalur	Jayamkondam (1)	Andimadam (38)
2	Chengalpattu	Lathur (2)	
3	Coimbatore	Anaimalai(3)	
4	Cuddalore	Nallur (4)	Mel Bhuvanagiri (39)
5	Dharmapuri	Karimangalam (5)	Harur (40)
6	Dindigul	Natham (6)	

(p.t.o.)

Sl. No	Districts	Selected blocks list 1 (1 to 37)	Selected blocks list 2 (38 to 50)
7	Erode	Nambiyur (7)	
8	Kallakurichi	Kalrayan Hills(8)	Thiagadurgam (41)
9	Kancheepuram	Uthiramerur(9)	
10	Kanniyakumari	Thovalai(10)	
11	Karur	Thogaimalai(11)	
12	Krishnagiri	Uthangarai (12)	
13	Madurai	Sedapatti (13)	
14	Mayiladuthurai	Kuthalam (14)	
15	Nagapattinam	Kilvelur(15)	Keelaiyur(42)
16	Namakkal	Kolli hills (16)	
17	Perambalur	Veppanthattai(17)	Alathur (43)
18	Pudukottai	Karambakkudi(18)	Tiruvrankulam (44)
19	Ramanathapuram	Tiruvadana(19)	Mudukulathur (45)
20	Ranipet	Timiri(20)	
21	Salem	Pethanaickenpalayam(21)	
22	Sivagangai	Thirupuvanam(22)	Tirupathur (46)
23	Tenkasi	Kuruvikulam(23)	
24	Thanjavur	Thiruvonam(24)	
25	The Nilgiris	Gudalur(25)	
26	Theni	Kadamalaikundru-Myladumparai(26)	
27	Thiruppur	Kundadam(27)	
28	Thiruvallur	Poondi(28)	
29	Thiruvannamalai	Kalasapakkam (29)	Jawadhu Hills (47)
30	Thiruvarur	Kottur (30)	Thiruthuraipoondi (48)
31	Thoothokudi	Ottapidaram(31)	

Sl. No	Districts	Selected blocks list 1 (1 to 37)	Selected blocks list 2 (38 to 50)
32	Tirunelveli	Nanguneri (32)	
33	Tirupathur	Alangayam(33)	
34	Trichirapalli	Marungapuri(34)	
35	Vellore	K.V.Kuppam (35)	
36	Villupuram	Thiruvennainallur (36)	Melmalaiyanur (49)
37	Virudhunagar	Narikudi(37)	Tiruchuli (50)

Strategy for implementation:

The 50 Focus Blocks selected are to be the focus of implementation of all the Government programmes/schemes with an objective of improving the development indicators in each of these blocks over the next 3 years. In other words, these 50 Focus Blocks are to get the preference in terms of spatial allocation of funds and functionaries from the departments to meet the development demands from these blocks.

I) **Framework:**

The general development framework for the Focus Blocks Development Programme (FBDP) in this context is to:

- prepare a list of quantifiable development indicators at the block level and to improve these development indicators over the period of 3 years, when the Focus Blocks Development Programme (FBDP) is to be implemented,
- select the departments and their schemes that have direct developmental impact in terms of effecting perceptible improvement in the development indicators,
- converge the programmes on to the blocks with aggregation of funds under various schemes and reorient the administration to co-ordinate the developmental works in meeting the development demands of the blocks,
- wherever the blocks require additional funding, the funds under Focus Blocks Development Programme (FBDP) shall be allocated to tie over the deficit, and
- to continuously monitor financial and physical progress and impact on improvement in development indicators.

(p.t.o.)

II) **Development Indicators:**

The development indicators are classified as outcome indicators and proxy/process indicators. For instance, outcome in terms of income is deceptive for measurement; therefore, we need to rely on process indicators like credit disbursal and skill training to name a few. Every department should give target values of the indicators by the frequency mentioned in the list. These target values have to be achieved by convergence of schemes, commitment of funds and functions in the selected blocks. The funds under this scheme shall also be used.

The list of 187 Key Developmental Indicators (KDIs) under the Focus Blocks Development Programme (FBDP) are categorized into the following 7 themes :-

- Health & Nutrition
- Social Welfare
- Education
- Skill Development and Employment
- Agriculture and Allied Services
- Economic Development and
- Infrastructure

The proposed list of KDIs were discussed in the meeting held under the Chairmanship of Chief Secretary with line departments and State Planning Commission on 01.02.2024. Based on the decisions in the meeting and the replies received from the departments, the final list of the Key Development Indicators (KDIs) is prepared, approved and appended as **Annexure-II**.

III) **Convergence of development schemes and funding under Focus Blocks Development Programme (FBDP):**

The following departments have been identified in the initial stage to effect the convergence of Government schemes and prioritise allocation of funds to the Focus Blocks.

1. *Health and Family Welfare* Department to improve the health delivery systems for adolescent girls, pregnant and lactating mothers and infants.
2. *Social Welfare and Women Empowerment* Department to deliver Nutrition services in ICDS centres & social security.
3. *Welfare of Differently Abled Persons* Department (WDAP) to ensure inclusive development and assistance to the differently abled persons.

(p.t.o.)

4. *Home, Prohibition and Excise Department* to track the crime reported against vulnerable sections.
5. *School Education and Youth Welfare and Sports Development* Departments to reduce dropouts and improve pass percentage in schools. Establishment of exclusive centres for preparing school children for qualifying and selection examinations. Providing Sports Kits and developing playing fields in the block.
6. *Higher Education* Department to follow up on the gross enrolment ratio of the school pass outs in the Focus Blocks.
7. *Labour Welfare and Skill Development* Department to enrol the youth in employment exchange and to provide training for competitive examinations.
8. *Micro, Small and Medium Enterprises* Department to provide assistance to create and support enterprises in the Focus Blocks. To promote micro and small enterprises to increase non-farm labour income in the Block.
9. *Special Programme Implementation* Department to provide skill training to youth and to support the women with low income levels.
10. *Transport Department* to track the beneficiaries of the zero bus ticket facility in the Focus Blocks.
11. *Adi-Dravidar and Tribal Welfare* Department to provide basic infrastructure for ease of living to the Households, to improve pass percentage & attendance, to reduce dropouts and to provide training for economic activities for the upliftment of the SCs/STs.
12. *Agriculture and Farmers Welfare* Department to increase farmers' income through extension activities and provide better access to insurance, credit and marketing.
13. *Animal Husbandry, Dairying, Fisheries and Fishermen Welfare* Department to assist farmers for enhancing milk and meat production.
14. *Rural Development and Panchayat Raj* Department to meet development needs in sectors of Roads, housing, drinking water and sanitation facilities.
 - a. Improvement in terms of expanding livelihood options to SHGs in non-farm sectors.
 - b. Effective implementation of employment guarantee scheme for increasing rural income during off-season.

(p.t.o.)

15. *Municipal Administration & Water Supply and Housing & Urban Development* Departments to provide infrastructure facilities in urban areas especially for the urban poor in Focus Blocks.
16. *Energy* Department to ensure 100% electrification.

IV) **Block Development Strategy Paper (BDSP):**

The Block Development Strategy Paper shall give an account of development facilities in the block such as schools, hospitals, roads, drainage system, housing and access to drinking water, followed by the list of development/process indicators for the block giving details of base line values for 2023-24 and the target values by the frequency up to financial year 2026-27. That is, for an indicator which has quarterly values, then the target values will start from the fourth quarter of 2023-24 followed by every quarter thereafter upto the last quarter of 2026-27.

Thereafter the schemes and the committed funds of various departments to be implemented in the block are identified in order to converge the Government schemes and funding from all departments for development of the block. The schemes are matched with the identified development works along with allocation. The funding gap to complete the identified development works will be considered for financing through the Focus Blocks Development Programme.

Each department shall prepare a list of schemes along with fund allocation for each of the blocks and with details of demand for such activities. The unmet demand for fund under the existing schemes will be funded through the Focus Blocks Development Programme. This exercise requires co-ordination of district administration and the line departments. The State Planning Commission shall facilitate the co-ordination and preparation of the Block Development Strategy Paper. This exercise is to coincide with sensitisation of block administration about development needs and to internalise the development perspective in administration.

The process of preparation of Block Development Strategy Paper is serialised as follows:

1. Every department shall give

- (a) the baseline values of indicators (2023-24) and the appropriate target values of the indicators by frequency upto 2026-27,
- (b) the list of schemes to be converged and funds committed for each of selected focus blocks,
- (c) the strategy to achieve the target values of the indicators and

(p.t.o.)

(d) additional funds and functionaries needed and to be financed under the Focus Blocks Development Programme.

2. The District Administration is the nodal agency to prepare the Block Development Strategy Paper for the blocks in the districts with the inputs received from the line departments. The District Administration is to submit the Block Development Strategy Paper to the State Planning Commission.

The State Level Empowered Committee (SLEC) shall approve the Block Development Strategy Paper, including the development works to be financed through the Focus Blocks Development Programme. The release of funds and monitoring of financial and physical achievements of Focus Blocks Development Programme will be carried out by the Member Secretary, State Planning Commission. A dedicated online portal will be created to facilitate this.

The Block Development Strategy Paper will be the background to prepare three Block Annual Plans (BAPs) one for each year of the scheme period. The first BAP plan will contain the baseline values and target values of KDIs and also the list of schemes to be implemented by respective department specific to the KDIs along with allocations for 2024-25. In addition to the proposed activities under each scheme for the current year, the Second and Third BAPs will also contain the details of the schemes implemented during the previous year and the aggregated annual values of KDIs. The BAPs will be placed before the SLEC for review and approval.

At the end of the programme, it is expected that there would be perceptible improvement in the development indicators at the block level such as availability of public utilities, improvement in education and health indicators and meeting the necessities of the marginalised households in terms of approach road to habitations, housing, drinking water and sanitation.

Administration of Fund at State Level:

Necessary fund provision for implementation of the Focus Blocks Development Programme will be provided under the following Head of Account:

3475 - 00 - Other General Economic Services - 800 - Other Expenditure State's Expenditure - AK Priority blocks including Hill area regions - 309 - Grants in Aid - 03 - Grants for Specific Schemes **(DPC 3475-00-800-AK-30903)**

The Member-Secretary, State Planning Commission is authorized to draw the funds sanctioned under the programme and authorized to release the funds to the districts based on sanctions accorded by the SLEC by directly presenting bills to Treasury. The funds released to the districts shall be kept in a separate Savings Bank Account opened with

(p.t.o.)

any of the nationalized banks at district headquarters to be operated jointly by the District Collector & Project Director, District Rural Development Agency.

Funding and Programme components:

In order to finance development works, Rs.5 crore will be allocated for each identified block in the State for a period of three years. In addition, each district will be provided as discretionary fund to the District Collector, Rs.1 crore for each of the focus block to take up any important developmental work that is aligned to any of the focus sectors related to the KDIs.

Within the yearly allocation, 97% of the funds will be used for financing approved projects / schemes. The programme will provide funds to the identified blocks that require additional government assistance to improve public utilities and lives of poorer households. The schemes of different departments will be converged and the earmarked funds will be congregated on the Focus Blocks. If there is any gap in terms of financing the developmental projects to reach the predetermined benchmarks in any Focus Block, then the funding under this scheme will be allocated as a gap-fund.

The programme will include an administrative component of 3% of the fund allocation to be used with the approval of SLEC for conducting workshops on Block Development Strategy Paper preparation, trainings, capacity building activities, monitoring, evaluation, special studies on related issues, documentation and other administrative purposes.

Action Plan:

- a) Workshops to guide the preparation of Block Development Strategy Paper for the Focus Blocks.
- b) Sensitise and capacity building of the stakeholders including Block Level Officials for the preparation of Block Development Strategy Paper and the implementation of Focus Blocks Development Programme.
- c) The developmental projects shall be selected in each block by District Collectors after a discussion with line departments and also the quantum of departmental funds available for such developmental schemes of various departments.
- d) **The list of tentative development projects:**
 - i. Preparation of Block Development Strategy Paper by the District administration.
 - ii. Improvement/Creation of Toilet and kitchen facilities for students in high schools and higher secondary schools.
 - iii. Providing Equipment for laboratories in high schools and higher secondary schools.
 - iv. Improving Government Hostel facilities.

(p.t.o.)

- v. Improvement/Construction of Classrooms for high schools and higher secondary schools.
 - vi. Strengthening the digital infrastructure for high and higher secondary schools
 - vii. Providing Housing, Toilets, Drinking water facilities for deprived households.
 - viii. Improvement of Rooms, cooking, water and sanitation infrastructure in ICDS centres.
 - ix. Improving labour wards and provision of critical medical equipment and facilities for improving access to healthcare in block hospitals.
 - x. Creation of Smaller culverts and approach roads to SC and ST habitations.
 - xi. Improvement of Buildings for Public Distribution System (PDS) shops.
 - xii. Support for efficient data collection and monitoring of various developmental activities.
 - xiii. Development of Focus Block Development Monitoring system with interactive dashboard and project tracker facility.
- e) **A dedicated dashboard** will be developed to track the performance of the indicators along with project tracker facility to monitor the physical and financial progress of the projects at the block level.
- f) **The BDSPs** will be placed for approval of SLEC and after approval the identified projects in the BDSP will be taken up for funding under Focus Blocks Development Programme.

Implementation Mechanism

The activities or projects approved by SLEC for the corresponding financial year through the Focus Blocks Development Programme will be implemented at the Block level by the concerned nodal departments under the guidance of the District Collector and the District Level Project Committee (DLPC). The DLPC shall meet every month to review and monitor the progress of the projects that are implemented. The Block Development Officer (BDO) shall render all possible support to the implementing departments/agencies to ensure timely completion of the projects.

The status of the projects will regularly be updated in the online portal for effective monitoring of the progress. The nodal departments at the district level are responsible to feed in this data and District Planning Officer shall ensure the same is done in a timely manner. The District Collector shall notify the officers for the provision of data and details of the projects to the Monitoring Committee.

(p.t.o.)

District Level

The District Collector is responsible for the overall implementation of the Programme and will head the concerned District Level Project Committee. The Project Director, DRDA and District Planning Officer of the District Planning Cell functioning at the district level will assist the District Collector in the preparation of Block Development Strategy Paper and Block Annual Plans. If required, the District administration shall seek the assistance of any reputed/experienced third party firm to collect data to prepare the BDSP/BAP based on the guidance received from State Planning Commission and shall submit the same to State Planning Commission for placing before the SLEC for approval. The Project Director, DRDA and District Planning Officer of the District Planning Cell at the district will assist the District Collector for the effective implementation of Focus Blocks Development Programme, and for monitoring progress of the programme. The District Planning Cell will be responsible for administration of the programme, for reporting, and for maintaining data on the implementing agencies and the Bank accounts to which Focus Blocks Programme will be credited. The District Planning Cell, which will service this programme, will also maintain details of Utilisation Certificates from each implementing authority. A District Level Project Committee shall be constituted under the Chairmanship of the District Collector with Project Director, DRDA as Secretary, District Planning Officer and concerned Block Development Officers as Members.

The following district officers of line departments shall also be Members:

1. School Education
2. Health and Family Welfare
3. Adi-dravidar and Tribal Welfare
4. Rural Development and Panchayat Raj
5. Agriculture and Farmers Welfare,
6. Animal Husbandry, Dairying, Fisheries and Fishermen Welfare and any other related departments as mapped under the list of KDIs

Depending on need, the District Collector may co-opt other Members. This Committee is to help in preparing the Block Development Strategy Paper and Block Action Plans.

Release of Funds:

The Member Secretary, State Planning Commission shall release funds to the districts in instalments based on physical and financial progress in implementation of the approved development projects. The funds at State level will be held in treasury account and released to districts, where it may be kept in a separate savings bank account opened with any one of the Nationalised Banks at district headquarters / State headquarters.

(p.t.o.)

The account shall be operated jointly by District Collector and Project Director, District Rural Development Agency (DRDA), under whose prior written authorisation; the District Planning Officer shall release funds directly to the Implementing Agencies in suitable instalments depending on progress and furnishing of utilization certificate upon completion of scheduled steps and forwarding the same to SPC. The interest amount accrued on deposits shall be treated as additional resources under the Focus Blocks Development Programme and prior approval of State Planning Commission should be obtained for its use.

The Government rules and regulations in force are to be followed for the procurement of goods and services, expenditure, audit and reporting to the State Planning Commission.

Monitoring and Evaluation:

Effective implementation of this programme rests on the preparation of Block Development Strategy Paper and Block Action Plans. Following bench-marking, fixing of monitorable goals and milestones for each of the parameters, the programme needs close monitoring. Close co-ordination of various stakeholders is also necessary to achieve the goals. A dedicated Project Management Unit (PMU) will be established at State Planning Commission with key resource personnel who have expertise in the fields of Data Analytics, Education/Social Welfare/Health sectors, Social Sciences, IT and GIS. These resource personnel will also take up field surveys, assessments, render assistance to the district officials for effective implementation of the Focus Blocks Development Programme. Five technical resource persons will be engaged on temporary basis on consolidated pay with required numbers of support staff for works like data entry, accounting, documentation and other related works. The PMU shall work under Member Secretary, State Planning Commission along with the assistance of the designated division staff of State Planning Commission. These resource personnel will be recruited on contract basis (consolidated pay) by open advertisement followed by transparent recruitment process. The PMU shall assist in the preparation of Block Development Strategy Paper, Block Annual Plans, follow up on the projects implemented, carrying out inspections along with State Planning Commission officials, documentation, conducting studies/surveys/assessments, assist in monitoring the progress using FBDMS, etc.

The Member Secretary, State Planning Commission is to evolve Suitable formats for monitoring the programme at all levels. The performance of each block shall be monitored by the District Collector with the help of the Project Officer, DRDA and DPO of the District Planning Cell through periodic review meetings, field inspections and from progress reports. The performance of the district will be reviewed by the SLEC in the State Planning Commission based on benchmarking and improvements in the measurable indicators identified for improvement.

(p.t.o.)

State Level Monitoring Committee

Monitoring and evaluation of this scheme will be done at two levels. The level one of the monitoring to check the physical and financial progress of the sanctioned activities will be done by the State Planning Commission. The constitution of this **Monitoring Committee** is given below:

Member Secretary	State Planning Commission	Chairperson
Nominated Official	Department of Health and Family Welfare	Member (*)
Nominated Official	Department of School Education	Member (*)
Nominated Official	Department of Labour Welfare, Employment and Training	Member (*)
Nominated Official	Department of Special Programme Implementation	Member (*)
Nominated Official	Department of Rural Development and Panchayat Raj	Member (*)
Nominated Official	Department of Adi-Dravidar and Tribal Welfare	Member (*)
Nominated Official	Department of Agriculture and Farmers Welfare	Member (*)
Nominated Official	Department of Social Welfare and Women Empowerment	Member (*)
Head of Division [RD&DP]	State Planning Commission	Member convener

(*)The officers to be nominated by the concerned departments for the monitoring Committee to be not below the rank of Joint Director.

The functions of this Committee will be as follows:

1. The Monitoring Committee shall meet once in three months (quarterly) to review and monitor the physical and financial progress of the projects that are implemented.
2. District Collectors will apprise the Committee on the progress of the implementation every month.

(p.t.o.)

3. The Committee will collate the BAP from each of the implementing block in the District and will conduct the preliminary screening of the proposed activities for that respective financial year so as to put up the BAP for the approval of the State Level Empowered Committee.

State Level Empowered Committee

A State Level Empowered Committee (SLEC) is constituted as follows:

Chief Secretary	Chairperson
Vice Chairman, State Planning Commission	Co Chair
Additional Chief Secretary, Planning & Development	Member
Principal Secretary, Finance	Member
Additional Chief Secretary, Animal Husbandry, Dairying, Fisheries and Fishermen Welfare	Member
Additional Chief Secretary, Labour Welfare and Skill Development	Member
Additional Chief Secretary, Health and Family Welfare	Member
Principal Secretary, Agriculture and Farmers' Welfare	Member
Principal Secretary, Rural Development & Panchayat Raj	Member
Principal Secretary, Municipal Administration and Water Supply,	Member
Secretary, Micro, Small and Medium Enterprises	Member
Secretary, Social Welfare and Women Empowerment	Member
Secretary, School Education	Member
Secretary, Adi-Dravidar and Tribal Welfare	Member
Secretary, Special Programme Implementation	Member
Full Time Member, State Planning Commission	Member
Additional Full Time Member, State Planning Commission	Member
Member Secretary, State Planning Commission	MS / Convener

- a) The SLEC shall co-opt Secretaries of departments, if the development projects relevant to such departments are submitted by the District Administration.
- b) The SLEC shall approve the Block Development Strategy Paper and BAP prepared for the identified blocks and accord approval for individual works received from the Districts.
- c) The SLEC will oversee the progress of the sanctioned projects at the state level.
- d) **The Committee shall also review the progress and the performance of the 187** Key Development Indicators (KDIs) at the state level. The Committee shall discuss on the strategies that will help in achieving the target of these KDIs.
- e) The Committee shall hold discussions with other departments to ensure convergence and dovetailing of the existing schemes implementation at the focus block level which will facilitate the objectives of the scheme.
- f) The SLEC is to approve the conduct of training and sensitisation programmes in the Focus Blocks submitted by the Member Secretary, State Planning Commission in consultation with the District Administration. The State Planning Commission is to work with Experts and Organisations to help the District Administration to prepare the Block Development Strategy Paper.

Online Monitoring Mechanism:

A project monitoring system will be developed to track and monitor activities and tasks to ensure the highest level of efficiency and effectiveness in implementation of the projects. The projects under Focus Blocks Development Programme will be monitored through an online mechanism - Focus Block Development Monitoring System (FBDMS) which will enable monitoring and management of projects within the scope of works and expenditures. The physical performances will be measured in terms of milestones and percentage against the target dates and quantities whereas the financial performance is measured on a quarterly basis with respect to the expenditure on each project.

Maintenance of Accounts:

Each Implementing agency shall be responsible for maintenance of accounts for the funds received by them. The Implementing agency entrusted with funds under the programme shall maintain separate account to enable audit.

(p.t.o.)

Audit of Works:

Regular physical and financial audit of the works under the scheme shall be carried out at the end of each financial year, at district level. The audit shall be done by the Chartered Accountant who audits the DRDA accounts. The report issued by the auditor shall be presented to the SLEC and further sanction of funds would be considered only based on the proper financial management.

Schedule for Inspection of Works:

In order to maintain quality of works, a quality monitoring system shall be constituted. The Heads of Divisions and Senior/ District / Planning Officers of the State Planning Commission along with the PMU resource personnel may periodically tour the districts to inspect the works and report progress to the Member Secretary, State Planning Commission. This system shall be reviewed regularly by the SLEC.

RAMESH CHAND MEENA
ADDITIONAL CHIEF SECRETARY TO GOVERNMENT.
