1. Announcement made by the Hon'ble Minister for Rural Development on 30.03.2023 on the floor of Assembly during demand No.42.
2. From the Director of Rural Development and Panchayat Raj letter No.32276/2023/PRI 2-2, dated 31.07.2023

ORDER:

The Hon'ble Minister for Rural Development and Panchayat Raj has made the following Announcement in the Floor of Assembly on 30.03.2023.

"நகர்ப்புரத்தை ஒட்டியுள்ள ஊராட்சிகளுக்கான அடிப்படை கட்டமைப்பு மற்றும் திட மற்றும் திரவ கழிவு மேலாண்மை வசதிகளை அருகிலுள்ள நகர்ப்புரங்களுடன் ஒருங்கிணைத்து செயல்படுத்தி ஒரு சிறப்பு திட்டம் 69 கோடி ரூபாய் மதிப்பீட்டில் செயல்படுத்தப்படும்."

2. In the letter second read above, the Director of Rural Development and Panchayat Raj has stated that,

- (i) The Sixth State Finance Commission in its report has stated that 688 Village Panchayats are in close proximity to Urban Local Bodies and termed as Peri Urban Panchayats. To meet their additional needs the Commission recommends Rs.10 lakh per Peri Urban Panchayat in addition to their regular lump sum amount. In case, the Rural Development Department changes the number of Peri Urban Panchayats as per revised Criteria, the same should be adopted for this purpose also. (Para7.44)

- (ii) The past few years have seen rapid growth in urbanisation and transformation of land use from Rural to Urban. This process has developed fringe areas known as Peri-Urban areas. The emergence of these new 'growth nodes' underscores the need for adequate attention. As of now, Tamil Nadu has 12,525 Village Panchayats spread across 37 districts in the State. In recent times, the demographical characteristics of the Village Panchayat have been changing due to multiple factors such as Population growth, density changes, impact of nearby Urban Local Bodies etc.,
- (iii) As of now, there is no proper classification of Peri-Urban Panchayats in Tamil Nadu Panchayats Act, 1994 and rules thereunder. However, the Fifth State Finance Commission in its report has stated that Village Panchayat which are located within 5 km adjoining the Urban Local Bodies are "Peri-Urban Panchayats". Accordingly, 688 Village Panchayats have been identified as Peri-Urban Panchayats and the same has been stated in the recommendations of the Sixth Finance Commission and has indicated that the Department may revise the Criteria for categorisation of the Peri-Urban Panchayats also

3. The Director of Rural Development and Panchayat Raj has further stated that based on the Location of the Village Panchayats adjoining the Greater Chennai Corporation, other Corporations, adjoining the Municipalities, and their Population, 690 Village Panchayats have been identified. The fund allotted under Operation and Maintenance Deficit Grant Fund of Sixth State Finance Commission may be utilised for this purpose. Necessary the guidelines for the activities to be undertaken in the Peri-Urban Panchayats.

4. The Director of Rural Development and Panchayat Raj has requested the Government to approve the guidelines and to issue necessary orders on proposal.

5. The Government after careful examination of the proposal of the Director of Rural Development and Panchayat Raj, hereby approve the guidelines for the activities to be undertaken in 690 Peri-Urban Panchayats by utilizing the fund allotted under Operation and Maintenance Deficit Grant Fund of Sixth State Finance Commission towards development of 690 Peri-Urban panchayats. The list of 690 Peri-Urban panchayats and approved guidelines for the implementation of this scheme in the Peri-Urban Panchayats are annexed to this Government Order as Annexure I and II.

ANNEXURE – II

(G.O. (Ms.) No.106, Rural Development and Panchayat Raj (PR.III) Department, dated 17.08.2023)

Guidelines for the Development of Peri – Urban Panchayats

1. Introduction:

“Today’s Peri-Urban is tomorrow’s big town. Therefore we have to catch them young and groom them before it is too late”

The past few years have seen rapid growth in urbanisation and transformation of land use from Rural to Urban. This process has developed fringe areas known as Peri-Urban areas. The emergence of these new ‘growth nodes’ underscores the need for adequate attention. As of now, Tamil Nadu has 12,525 Village Panchayats spread across 37 districts in the State. In recent times, the demographical characteristics of the Village Panchayat have been changing due to multiple factors such as Population growth, density changes, impact of nearby Urban Local Bodies etc.,

Nearly 690 Peri-Urban Panchayats exist adjoining the Municipal Corporations and Municipalities. The biggest problem in these Panchayats are that of the management of Solid Wastes & Liquid Wastes and other civic issues. Establishing electric / Gasifier crematorium, Sewage Treatment Plants, Plastic-Waste conversion plants, development of parks are a few of the focus areas with regard to the management of Peri-Urban areas.

But the common thread to it all is ‘Governance’. In reality, every one of the Peri - Urban Panchayats is stretched, in their ability to deliver. All these Peri-Urban Panchayats need to be redesigned in terms of their staffing and technological solutions to the civic issues faced have to be adopted, to enable them to emerge as sustainable urban habitats.

2. Peri-urban panchayat and the challenges:

As of now, there is no proper classification of Peri-urban Panchayats in Tamil Nadu Panchayats Act, 1994 and rules thereunder. However, the Fifth State Finance Commission in its report has stated that Village Panchayat which are located within 5 kms adjoining the Urban Local Bodies are “Peri-Urban Panchayats”. Accordingly, 688 Village Panchayats have been identified as Peri-Urban Panchayats and the same has been stated in the recommendations of the Sixth Finance Commission and has indicated that the Department may revise the Criteria for categorisation of the Peri Urban Panchayats based on the field conditions.

Based on the Location of the Village Panchayats adjoining the Greater Chennai Corporation, other Corporations, adjoining the Municipalities, and their Population, 690 Village Panchayats have been identified as per the annexure-I.

While the Village Panchayats can govern the rural areas adequately, when the urban aspects of exponential increase in population growth and density crops up, they

lack financial resources, institutional capacities and technical expertise to handle the civic issues arising therefrom. The Governance issues are arisen due to the dichotomy that Peri-urban outgrowths are organically part of the adjoining Urban Local Bodies, they are not governed by municipal administration.

The Institutional set up in the Village Panchayats are already overburdened with many responsibilities including provision of infrastructure, basic amenities, citizen friendly service delivery, livelihood opportunities etc. Further, the Peri-Urban Panchayats are particularly vulnerable to environmental damages.

As per the Sixth State Finance Commission recommendations:

- a) The Peri-Urban Village Panchayats are facing special issues on liquid waste management and solid waste management.
- b) The need for infusing capital on drainage works is high.
- c) The Possibilities of increasing the capacity of infrastructure in adjoining Urban Local Bodies to accommodate requirements of Peri-Urban Panchayats should be explored. (Para 3.206)

Thus, to strike a balanced and sustainable development of Peri-Urban Panchayats, guidelines have to be formulated not only to address the issues relating to them but also to deal with the aspirations of the community.

3. Fund allocation:

Each Village Panchayat will be provided with an allocation of Rs.10 lakh per annum out of Operation and Maintenance Deficit Grant fund allocated under the Sixth State Finance Commission award period. After the award period, the continuation of the scheme will be decided by the ensuing State Finance Commission or it will be continued with the general funds of the Village Panchayats.
