1. Announcement made by Hon'ble Chief Minister on the floor of the Tamil Nadu Legislative Assembly under Rule 110 on 19.3.2020
2. From the DRD&PR Lr.No.16888/2020/MGNREGS-I-2, dated: 15.04.2020.

ORDER:

The Honourable Chief Minister of Tamil Nadu has made the following Announcements under Tamil Nadu Legislative Assembly Rule 110 on 19.03.2020.

ஆதிதிராவிடர் குடியிருப்புப் பகுதிகளில் அனைத்து அடிப்படை வசதிகளையும் மேம்படுத்திட வேண்டும் என்ற உயரிய நோக்கில், பல்வேறு திட்டங்களை ஒருங்கிணைத்து உரிய நிதி ஒதுக்கீடு செய்து, அதனை செயல்படுத்தும் விதத்தில், 2020-21 ஆம் ஆண்டைய நிதிநிலை அறிக்கையில் வழிவகை செய்யப்பட்டுள்ளது. அதன்படி, மகாத்மா காந்தி தேசிய ஊரக வேலை உறுதியளிப்புத் திட்டம், மத்திய, மாநில நிதிக்குழுவின் நிதி மற்றும் அம்மா ஆதி-திராவிடர் குடியிருப்பு மேம்பாட்டு திட்ட நிதி ஆகியவற்றில் இருந்து 2,500 கோடி ரூபாய் ஒதுக்கீடு செய்யப்படும். இந்நிதியில் இருந்து, ஆதி-திராவிடர் குடியிருப்பு பகுதிகளில் குடிநீர் வசதி, இணைப்புச் சாலை வசதி, சிமெண்ட் / பேவர் பிளாக் சாலை வசதி, தெருவிளக்குகள், வடிகால் வசதி, மயான மேம்பாடு உள்ளிட்ட அடிப்படை வசதிகள் ஏற்படுத்தப்படும் என்பதை மகிழ்ச்சியுடன் இப்பேரவைக்கு தெரிவித்துக் கொள்கிறேன்.

2. Further, the Hon'ble Minister for Municipal Administration, Rural Development and Implementation of Special Programmes has made the following Announcement on 16.03.2020 :

ஊரக பகுதிகளில் சுற்றுச்சூழல் மற்றும் சுகாதாரத்தினை மேம்படுத்திடவும், குடியிருப்பு பகுதிகளில் உள்ள சாலைகள் மற்றும் தெருக்களில் திரவக் கழிவுகள் தேங்கி நோய் தொற்று ஏற்படாது பாதுகாத்திடவும் மற்றும் முறையான வடிகால் வசதியை ஏற்படுத்திடவும், மாண்புமிகு இதயதெய்வம் புரட்சித் தலைவி அம்மா அவர்களின் ஆசியுடன், மாண்புமிகு தமிழ்நாடு முதலமைச்சர் அவர்களின் ஆணைப்படி, 2020-21 ஆம் நிதியாண்டில், கிராம ஊராட்சிகளிலுள்ள குடியிருப்பு பகுதிகளில் 180 கிலோமீட்டர் நீளத்திற்கு சிமெண்ட் கான்கிரீட் வடிகால் அமைப்பு 78 கோடியே 19 இலட்சம் ரூபாய் மதிப்பீட்டில் அமைக்கப்படும்.

3. Based on the above announcements, the Director of Rural Development and Panchayat Raj has sent a proposal stating that the Government of India, Ministry of Rural Development has approved Labour Budget of 27 crore person days under Mahatma Gandhi National Rural Employment Guarantee Scheme to Tamil Nadu for the financial year 2020-21. Liquid Waste Management through safe disposal of grey water from the households is necessary for avoiding health hazards caused by stagnated water and mosquito breeding in rural areas. The Individual Soakpits constructed under Mahatma Gandhi National Rural Employment Guarantee Scheme have been effectively serving the purpose of grey water management at household level. However, in some cases, due to non availability of sufficient space for construction of individual soakpit, grey water from households are let out in streets, leading to health hazards. Hence, it becomes necessary to provide suitable infrastructure for safe disposal of grey water from origin point to end disposal point. Accordingly, it is proposed to construct 300km of Cement Concrete drain in rural areas during the FY 2020-21 under Mahatma Gandhi National Rural Employment Guarantee Scheme. In this, 40% i.e., 120 km will be exclusively reserved for the Adi-Dravidar habitations as per the announcement made by Hon'ble Chief Minister under Tamil Nadu Legislative Assembly Rule 110.

4. The Director of Rural Development and Panchayat Raj has further stated that the above work was approved by the Empowered Committee, Ministry of Rural Development, Government of India during the Empowered committee Meeting held on 13.03.2020. The **Annual Master Circular 2019-20 - Para 7.9. 'Solid Waste Management (SWM) under MGNREGS'**, states that, "Paragraph 4(1) (iv) (i) of Schedule-I of the MGNREGA, provides for rural sanitation works under Rural Infrastructure Category, wherein **solid and liquid waste management works (SLWM)** may be undertaken amongst other listed works. Accordingly, works like construction of **village drains for disposal of grey water** may be undertaken under Mahatma Gandhi National Rural Employment Guarantee Scheme as standalone works." In the "Permissible Works List" communicated by MoRD, GoI, Construction of drain for community has been listed at SI.No.108, under the category of "D" Assets". The Government of India have notified the wage rate for the FY 2020-21 as Rs.256/- per day in respect of Tamil Nadu. Accordingly, the revision of wage rate and the Rural Schedule of Rate (RSoR) was approved for the Financial Year 2020-21 in G.O.Ms.No.82, RD&PR (CGS.1) Department, Dated:30.03.2020 and G.O (Ms). No.86 RD&PR (CGS.1) Dept., Dated:13.04.2020 respectively and the Rural Schedule of Rate 2020-21 is adopted for this work. In addition to this, the following guidelines shall also be adopted.

General Instructions:

- Streets where grey water is stagnating and causing nuisance to public shall be taken.
- Streets with comparatively more number of households and without space for providing soakpits at individual household level, should be given priority.
- Sewage water from households should never get mixed with the grey water that is let out into the street drain.
- The drain constructed should end at a proper disposal point so as to drain out the collected grey water.
- Based on the space availability, at the end point of disposal, either Horizontal filter soak pit or Vertical filter soak pit shall be constructed. The filtered grey water can be used for irrigation purposes.

- The drain should have proper bed slope.
- The size of the drain should be designed properly to cater the quantity of grey water generated in the selected area.

Work Selection in Adi Dravidar Habitations:

- The Project Director (DRDA) should use the THAI survey report as the basic data and identify the requirement of all the SC inhabited areas in the district through the Block Development Officer (BP) concerned.
- The Project Director (DRDA) should prioritize and prepare the list of SC habitations to be covered under this scheme in a particular year based on descending order of SC population in the district.
- Selection of sites shall be based on descending order of population.
- **“Atrocity prone villages”** identified by Additional Director General of Police, Social Justice and Human Rights **should compulsorily be taken up, irrespective of the population.**
- Only after exhausting the requirement of atrocity prone villages in the blocks of the districts, the works in other Adi Dravidar habitations should be undertaken, based on descending order of population.

Non-Negotiable Items:

- 1) Citizen Information Board shall be kept at the work site in 3 X 4 feet with all necessary information as per the framework given by the Government of India vide Ref No: k11023/1/1/2017 – MGNREGA (IV), MoRD, Dated 07.04.2017. The cost of Citizen Information Board will be fixed at **Rs.4,500/- per unit**. The cost of the Citizen Information Board shall be included in the estimate itself.
- 2) Wherever the work is taken-up in the Adi-dravidar habitations, the logo and emblem as per G.O.(Ms) No.190, RD & PR (PR.3) dated 31.12.2019 shall be done on the other side of the MGNREGS Citizen Information Board at an additional cost of **Rs.500** for acrylic painting and logo/emblem tiles. The cost of the information board shall be included in the estimate itself to the tune of **Rs.5,000/-** for works taken-up in the Adi Dravidar habitations.
- 3) Estimate creation, Administrative sanction and Technical sanction shall be done in SECURE software.
- 4) The Notified Wage Rate as per G.O. Ms. No.82, RD&PR (CGS.1) Department, Dated: 30.03.2020 and the Rural Schedule of Rates finalised in G.O. Ms. No.86, RD&PR (CGS.1) Department, Dated:13.04.2020 shall be adopted. In case of any revision made in Rural Schedule of Rates in future, the same shall be adopted.

5. The Director of Rural Development and Panchayat Raj has further stated that the unit cost for the Construction of Cement Concrete Drain based on the model estimate will be Rs.43,44,000/- per Km. The unit cost is calculated based on the Standard type design and Rural Schedule of Rates for the year 2020-21. However, the actual estimate may vary according to the site condition. Hence, 300Km Cement Concrete Drainage will be constructed at an estimated cost of Rs.130.32 crore out of which the Labour Component is Rs.18.86 crore and Material Component is Rs.111.46 crore with the Labour Material Ratio of 14.47:85.53. The Labour cost is borne 100% by the Gol and the material cost is

shared at the ratio of 75:25 by the Gol and the State Government and the detailed funding pattern is as follows.

(Rupees in Crores)

Description	Material Component (85.53%)			Labour Component (14.47%) (Central Share 100%)	Grand Total
	Central Share (75%)	State Share (25%)	Total		
Cost of construction of CC Drain / km. is Rs.43.44 lakhs. The cost of construction of 300 km of CC Drain is Rs.130.32 crores	83.60	27.86	111.46	18.86	130.32

6. The Director of Rural Development and Panchayat Raj has therefore requested the Government to accord sanction for the construction of 120Km Cement Concrete Drainage in SC habitations and 180 Km Cement Concrete Drainage in other habitations totally 300 Km of Cement Concrete Drainage in the rural area at an estimated cost of Rs.130.32 crores as per the announcements made by the Hon'ble Chief Minister and the Hon'ble Minister (MA, RD & Impn. of Spl. Prog.) respectively during the Financial Year 2020-21 under Mahatma Gandhi National Rural Employment Guarantee Scheme.

7. The Government, after careful examination, have decided to accept the proposal of Director of Rural Development and Panchayat Raj and accord Administrative Sanction for the construction of 120Km Cement Concrete Drainage in SC habitations and 180 Km Cement Concrete Drainage in other habitations totally 300 Km of Cement Concrete Drainage in the rural area at an estimated cost of Rs.130.32 crores as per the announcements made by the Hon'ble Chief Minister and the Hon'ble Minister (MA, RD & Impn. of Spl. Prog.) during the Financial Year 2020-21 under Mahatma Gandhi National Rural Employment Guarantee Scheme, subject to the condition that the financial sanction shall be made only after receipt of Government of India share.

8. This order issues with the concurrence of Finance Department vide its U.O.No.39314/RD/20, dated:03.11.2020.
