Conditions:

1. The permission granted by the competent authority shall not mean responsibility or clearance as per TNCDBR 2019, Rule No.11 of the following aspects:

a) Title or ownership of the site or building,

b) Easement Rights,

c) The Registered Architect/Register Engineer/Structural Engineer shall be responsible for defects in the design of Structural Reports, Structural Drawing and Structural aspects,

d) Workmanship, soundness of structure and materials use,

e) Quality of building services and amenities the construction of building and

f) Other requirements or licenses or clearance required for the site or premises or activity under various other laws.

2. Alteration of plot sizes, layouts of roads, dimensions, common allotment sizes and further subdivision of plots contrary to the map approved by the Town and

country Planning Department shall not be done without the prior approval of the Town and Country Planning Department.

3. Corners of plot located at the junction of two roads should be laid with the splay shown on the approved map.

4. No plot shall be sold, leased or transferred in any other manner or any building shall be constructed on any plot before the fulfilment of the above two conditions.

5. Any plot shown on the approved map shall be used only for the construction of residential houses other than plots selected for public purposes. Also, only where

the change of land use is requested, only those mentioned in the Residential Use mentioned in TNCDBR-2019

should be allowed by the local body only after obtaining the prior approval of the Town and country Planning Department.

6. If a low voltage/high voltage power line/telegraph line is laid through the layout, the line should be shifted to the edge of the road or as shown on the approved Layout plan.

7. The hollow portion of the layout should be raised to street level.

8. On all streets exceeding 7.2 meters in width, shade trees shall be planted within 1.00 meters of the road boundary not exceeding 9.00 meters in succession.

9. The buyer/owner should obtain approval from the local authority concerned for the layout. Before constructing any buildings on the land in the Layout, permission

for each building must be obtained from the Town and country Planning Department and the local body.

10. a) Since only Technical Sanction has been given to the said layout by the Town and country Planning Department, if there is any problem regarding the right of land

for the layout, the local body should consider and take a decision.

b) When the said layout is approved by the local authority, a copy of the approval authority's presence action should be sent to this authority. Evidence of handing over of public spaces to the local body should also be attached.

11. Once permission is obtained from the petitioner Town and country Planning Department and approval of the layout plan from the local authority, the approved layout plan shall be permanently published at the location where the layout has been approved without any change/omission through a permanent information board at the entrance of the layout for public viewing and also clearly indicating the date and resolution number of the board of approval of the layout.

12. The land Ownership is considered as per the land title documents submitted by the petitioner. Therefore, it is also submitted that no right can be asserted on the ground that a layout has been approved for a place where there is no actual land Ownership.

13. If the proofs given regarding the land license and the documents submitted for consideration are known to be incorrect or if there is a situation where the planning permission/concurrence approval for the layout may be affected, Technical Sanction approval given to the layout will be cancelled by the Town and Country Planning department without any prior notice.

14. A copy of the plan approved by the Town and Country Planning department along with a copy of this order shall be compulsorily supplied to the purchasers while selling the plots for sale.

15. If any case is pending in the field numbers where the layout is situated, the approval given to the layout will be cancelled without any prior notice and action will be taken.

16. If any false or malpractices in the Documents Submitted by the applicant are found, the technical concurrence of the Layout approval would be cancelled by the Town and Country Planning department without prior intimation to the applicant.

17. If any part of the layout area is identified to be under Panjami land or condition patta in future at any cost, the technical concurrence will be cancelled by the Town and Country Planning department without prior intimation.

18. If any feature is found affecting the water bodies due to the issued technical concurrence under any circumstances, the same will be cancelled by the department without any intimation to the applicant.

19. Before giving final Planning Permission by local body, Concerned Local body should ensure the site is levelled to the Road Level.

20. Technical Concurrence given only on the basis of the documents produced by the applicant; any interest of ownership could not be done basis of the issue of technical concurrence. If any false or malpractices in the certificate produced by the applicant are found leads to cancellation of Layout approval without prior intimation to the applicant.

21. Conditions and Special conditions given in the Layout Plan must be followed by the applicant.

22. If the proposed site is located in the land acquisition area related to Railway Department Project, Highway Department Project, and Condition patta land, the technical approval given by the Department shall be cancelled by the Department without any prior notice.

23. Conditions stipulated in the No Objection certificates obtained from the central and state Government Departments must be fulfilled scrupulously.
