Subject : Existing Road Details.

Requesting Sir / Mam:

I M. Ramesh, I am writing the letter for existing road details, as per government revenue record (FMB). The existing road width is 20 meters, as it is a state highway road, but at the site, only a 12-meter road is provided, which creates a gap between the site and the existing road. This gap will be developed in the future. So please consider this and provide the RERA approval.

Thank you

Your Faithfully

Ramesh
