Subject-Submission Regarding Access Road Details for Layout Application

S. Jayarajan

Respected Sir / Madam,

I am submitting this letter in reference to my layout application submitted to TNRERA for the proposed layout situated at **Survey no. 14/1B, NEW SURVEY NO: 14/1B1** of KOVILANCHERY Village, TAMBARAM Taluk, CHENGALPATTU District.

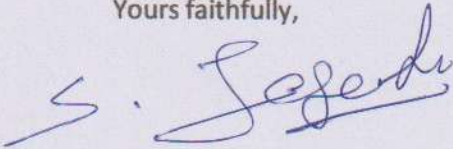

I would like to respectfully clarify that the proposed layout site does **not have an internal or privately owned road**. The site is directly abutting an **existing Government road**, which is being used as the access road to the layout. Hence, no separate ownership documents for a private road are available or applicable in this site.

As required, I have attached a **geo-tagged photograph of the site with a normal view**, clearly showing the site location and its access from the existing Government road. The same is submitted for your kind verification and record.

I kindly request you to please consider the above clarification and proceed with the processing of my application. I assure you that all information furnished is true and correct to the best of my knowledge.

Thanking you.

Yours faithfully,
