Body:

In the technical approval letter of the deputy director of Sivagangai Nagar Urban Planning Zone seen in view-1, following the technical approval for Ward No. 15, 42 plot in Survey No. 617/4A, following the need for permission to subdivide the land into plots,As per view-2, permission has been obtained from the municipal council to give final approval to the said plot. After fixing the fees for obtaining final approval for the said plot and issuing this

authority notice to the petitioner as seen in view-5 Final approval is given for the said plot subject to the conditions mentioned below after seeking approval for the said plot along with the islan for the charges mentioned in the notification.

Conditions

1. Deputy Director Sivagangai Mandal Nagar Urban Development's letter No. 87Q041EB/2024/2024/TCP, dated 15.10.2024 the petitioner shall act as per the conditions mentioned.
2.Alteration of the dimensions of the plot and further subdivision of the plot contrary to the plan approved by the Urban Development Department shall not be done without the prior approval of the Urban Development Department.
3.Any plot shown in the approved map shall be used only for the construction of residential houses other than plots selected for public purposes. It shall not be used for construction of shop, commercial road and non-residential building.All areas selected for public facilities shall be used only for the uses indicated on the approved maps.
Those spaces should be used only for the designated uses.The plots should be subdivided in the land survey documents for the intended use.
4.Streets shown on the approved map shall have building limits as shown on the map.The road width in the subdivision is 7.2 meters under 12.4 meters and 6 meters (20 feet) for roads with a width of 9-meters and under 12 meters and more than 3.0 meters.No building or wall shall be constructed other than a perimeter wall or fence not exceeding 2.40 m (8 feet) in height 1.8 m (6 feet) from the highest level of the street as per the prevailing municipal building regulations.
5.An open space shall be left between the building and the side boundary of the plot on each side at least to such extent as may be fixed by the Town Planning Department from time to time.In the case of a plot located in the expansion plan area, as per the plan rules, no building should be constructed more than 50 or 67 percent of the area of the plot. The open space left unbuilt as a garden, open yard or for personal use should be kept clean.
6.Corners of plots located at the junction of two roads should be laid out with SPLAY as shown on the approved map.
7.In the case of a plot located in the expansion plan area, as per the plan rules, the building should not be constructed more than 50 or 67 percent of the area of the plot. The open space left unbuilt as a garden, open yard or for personal use should be kept clean.
8.Do not level the ground more than necessary for laying the foundation, repair the landslide, dig holes and pits from the land.
9.Shade trees on all internal streets more than 9 meters in width shall be placed within 1.00 meters of the road boundary not exceeding 9.00 meters in succession.
10.A separate permission from the Kotayur Municipal Corporation is required for each building before constructing any buildings on the land in the subdivision.
11.The plot for shop or shops allocated in the plot should be subdivided as shown in the map. Plots should be used only for their intended purpose.
12.The site/sites reserved for temple, church, mosque should be subdivided as shown in the map. Plots should be used only for their intended purpose.
13.Plots earmarked for park, public use, open spaces etc. should be sub-divided in the District Collector's office and handed over to the Kotayur Municipality as a donation. The expenses incurred for the same have to be borne by the plot owners themselves.
14.If a low voltage / high voltage power line / telegraph line is laid through the plot, the line should be diverted to the edge of the road or as shown in the approved plot plan with due permission
15.The owners of the plot must enter into a written agreement with the municipality that they will abide by the above conditions
want Allotment conditions should be registered in the concerned registrar's office.
16.In case of subdivision where the Tamil Nadu Urban Land Ceiling Act, 1978 is in force, details of approval for subdivision should be communicated to the concerned Ceiling Act Officer.
17.The date of counting of council resolution approving the plot through a permanent notice board of size '6x4' at the entrance gate of the plot where the plot has been approved,the date and number of the agreement between the forum and the petitioner should be clearly stated and permanently announced for public view/
