Subject: Confirmation Regarding Underground Water Streamline – No Objection

Respected Sir,

We hereby inform you that in our project, the water streamline has been routed underground as per the approved plan and technical specifications.

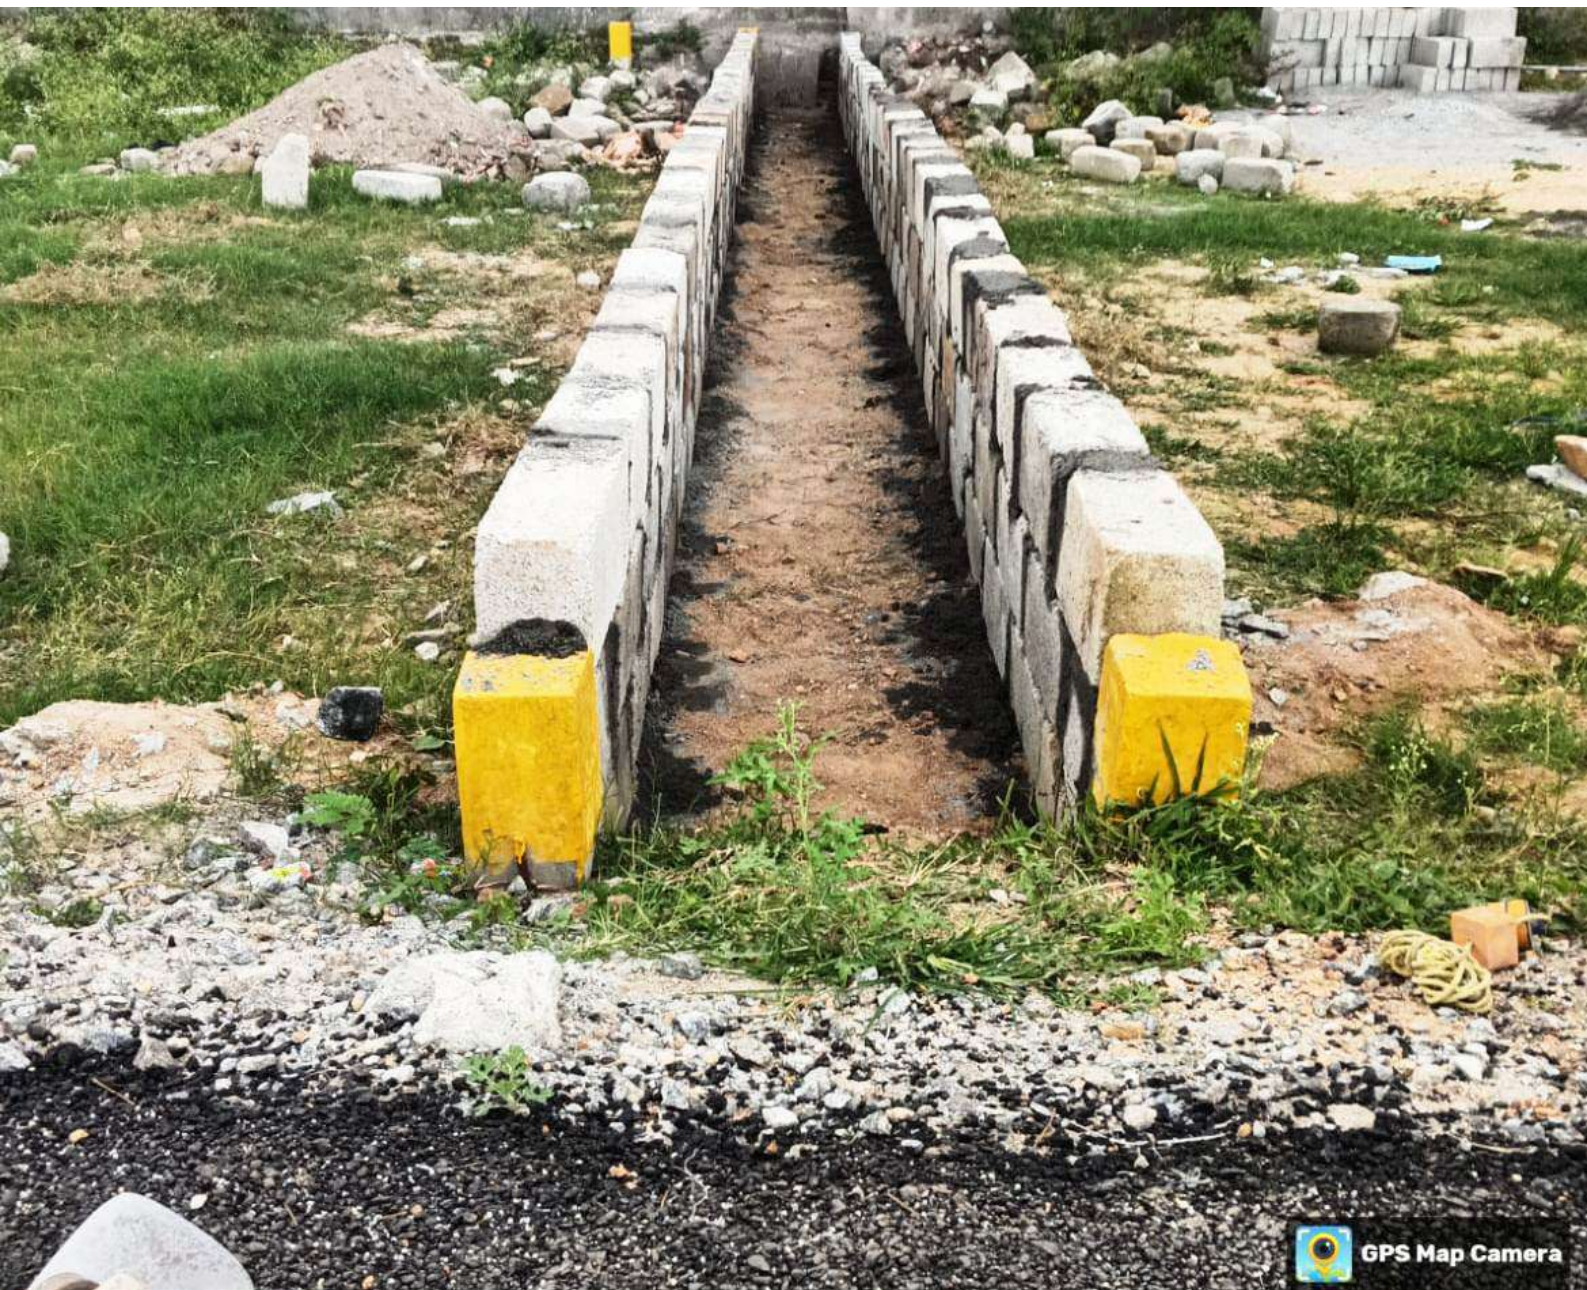

We confirm that this underground arrangement poses no issues or concerns, and all necessary measures have been taken to ensure proper flow, drainage, and compliance with engineering and safety standards. This has also been duly considered in the structural design, and there is no obstruction or adverse impact on the project or the surrounding areas.

Kindly consider this as an official intimation and confirmation that the underground water streamline is functioning as intended without any problems

Yours faithfully,

(Asokan & Others)
