APPLICATION FOR ISSUE OF NOC

Dear Sir,

1. Reference is made to your application dated 17 Dec 21, for issuance of NOC for construction of multi-storied residential building at Survey No 115/16 & 117 of Ramapuram Village, Maduravoyal Taluk and Survey No. 22/1, 23 of Manapakkam Village, Alandur Taluk, Chennai.
2. Guidelines for issue of NOC has been issued by MoCA vide Gazette notification GSR 751E dated 30 Sep 15 to ensure time bound clearances for projects/ infrastructure under 'Ease of doing Business'. Colour Coded Zoning Maps (CCZM) have been formulated to assist decision making by Local Municipal Authority (LMA) based on the distance of the proposed infrastructure from IAF airfield.
3. The details of the proposal w.r.t nearest runway end (RW 23 dumbell) of AF Stn Tambaram are as follows.

Building No.	Coordinates of building	Distance and bearing of building from 23 Dumbell	Site Elevation	Proposed Height of building as per application	Crane height above building height during construction period	Elevation of highest point of the proposed building
Site Center	13°01'28.75"N 80°10'49.15"E	025°/ 14109.79M	10.47M	57.35M	05.00M	72.82M

4. The proposed construction falls within "**YELLOW ZONE**" of CCZM, hence, NOC from IAF is not required. The proposal may be submitted to LMA for vetting and issue of necessary NOC. Subsequently, it is requested that a copy of the NOC issued by LMA,

2

may be forwarded to the under mentioned address, within 30 days of issue of certificate, for the updating the records.
