Sub: Handing over I.A.F -NOC Certificates for your Perungalathur Project Site at 3rd Main Road Extension,

****

Dear Sirs,

Greetings to you for all Prosperity!

After continuous efforts and follow-up with IAF Air Force Station Tambaram and IAF Bangalore Command Officer and Air Hqrs. Delhi,

Now , we have got the I.A.F - NOC for your Perungalathur Project with following details:-

Building	Co-ordinates of nearest corner	Elevation of the Proposed site (AMSL)	Permissible height /Elevation of Building including lightening arrester and Crane:
Building	12° 54' 55.50 " N 80° 05' 17.37 " E	18.79	31.00m AGL/ 49.79 m AMSL

Along with Original NOC, We herewith hand over 3 Copies of the NOC for the above site, duly attested by Grade-I Registered Engineer, CMDA.

Kindly Hand over the original copy of the NOC to the CMDA.. / Government Authorities for the Building Plan Approval.

And hand over one attested copy to Local Perungalathur Panchayat Office and keep other 2 copies under your safe custody with Parent documents for future use.

My best wishes for the Speedy completion of this Building Project.

Thanks and Regards

NOC FOR CONSTRUCTION OF BUILDING
BY M/S MP DEVELOPERS AND CONSTRUCTION PVT LTD

Dear Sir,

1. Please refer your application on the subject dated 20 March 2025.

2. The application has been examined under provisions mentioned in Aircraft Rules-2015 published as GSR 751(E), Gazette of India Extraordinary, by Central Government read in conjunction with Air HQ ASI Part III/ATS/01/2023, Works of Defence Act 1903 and other relevant orders on the subject•IAF has no objection for construction of Building at 3rd main road extension, Old survey no. 97 and 99/1B, As per new Patta no.15835, New survey no.97/1,97/2,97/3, and 97/1B, Perungalathur village, Tambaram Taluk, Chengalpattu District, within the limits of Perungalathur town Panchayat, Tamil Nadu by **M/s MP Developers and Construction Pvt Ltd.**

3. The NOC is issued subject to following conditions: -

(a) The NOC is for construction of building and cannot be used as document for any other purpose/claim whatsoever including ownership of land. NOC is issued from 'Aviation angle' only and clearances from Government/ other agencies shall be obtained, as applicable.

(b) NOC/all statutory clearances shall be obtained from the concerned authorities including approval of building plans. Clearance shall also be obtained separately from any other defence establishment, civil & military aerodrome in the vicinity of proposed construction.

(c) The site elevation and site coordinates provided in the application are taken for calculation of the permissible top elevation of the proposed structure. However, if at any stage it is established that the actual site elevation and site coordinates are different from those provided in the application, the NOC will be invalid.

(d) NOC is issued subject to the provisions of Sec 9A of the Indian Aircraft Act 1934 and those of any notifications issued there under from time to time including the Aircraft (Demolition of Obstruction caused by buildings and trees etc) Rules, 1994.

(e) Day/ night obstruction marking/lighting shall be provided based on International Civil Aviation Organization (ICAO) Annex-14 Chapter 6 & IS 5613.

(f) For garbage disposal system, the provisions of Solid Waste Management Rules, 2016 / Gazette Notification SO 1357 (E) (Para 4) or Environment (Protection) Act, 1986, including amendments, shall be adhered to.

(g) **Vertical extent (highest point) of the building shall not exceed height/ elevation mentioned in the table below. No extension or structure, permanent or temporary (eg Antennae, Mumty, Lightening Arresters, Lift machine room, Overhead water tank, Cooling towers, Sign boards, cranes, any attachment or fixtures of any kind), is permitted above the cleared height.**

Building	Coordinates of nearest corner	Elevation of the proposed site (AMSL)	Permissible height/elevation of building including lightening arrester and crane
Building	12°54'55.50" N 80°05'17.37"E	18.79m	**31.00m AGL/ 49.79m AMSL**

(h) No light or a combination of lights except obstacle lights shall be installed at the site at any time during or after the construction of the building, which by reason of its intensity, configuration or colour may cause confusion with the aeronautical ground lights of the Airport.

(j) The commencement and completion of construction including installation of obstruction lights shall be intimated to **AOC, AF Stn Tambaram.**

(k) The NOC is valid for eight years from the date of its issue. If the building is not constructed and completed within this period, a fresh/extension of NOC shall be obtained from Indian Air Force.

4. The NOC will be null and void if the construction is found to be in deviation from the submitted proposal and in event of non-adherence of the conditions mentioned in para 3.

Yours sincerely,

(JP Sebharwal)
Group Captain
Command ATC Officer
