conditions

1. Changes in plot sizes, road systems, sizes, general allocations and further subdivision of the plots contrary to the map approved by the Urban Development Department shall not be done without the prior approval of the Urban Development Department and the Local Government Department.
2. The corners of the plots located at the intersection of two roads should be constructed with the turn (Splay) shown on the approved map.
3. No plot shall be sold, leased or transferred in any other manner or any building constructed on any plot before fulfilling the above two conditions.
4. Any plot shown in the approved map shall be used only for the construction of residential houses other than plots selected for public purposes. Also, in the places where the land use is requested to be changed, the permission will be given by the local government only after obtaining the prior permission of the Urban Development Department in Residential Use mentioned in TNCDBR-2019.
5. The hollowed part of the plot should be raised to the street level.
- 6.7.2 Meeters Shade trees on all streets exceeding 1 meters in width shall be placed within 1 meter of the road boundary at a distance not exceeding 164 meters in opposition to each other.
7. The petitioner should obtain the approval of the order and maps related to the plot from the Executive Officer, Ayakudy Selection Board. Before constructing any buildings on the land in the subdivision, permission should be obtained from the local authority for each building.
8. If a low voltage / high voltage line / telegraph line is laid between the plots, the line should be re-routed as shown on the approved plot plan and not to the roadside.
9. The approved plot map should be permanently published for public view without any change / omission through a permanent notice board of size 6x4 at the entrance gate of the plot specifying the council resolution number and date of approval of the plot.
10. The land license is considered as per the land title documents submitted by the petitioner. Therefore, it is also submitted that no right can be asserted on the ground that a plot has been approved for a place where there is no actual land licence.
11. If the proofs issued regarding the land license and the documents submitted for consideration are known to be incorrect or if there is a situation where the final approval for the plot may be affected, the final approval given to the plot will be canceled by the Executive Officer of the Ayakudi District Municipality without any prior notice.
12. A copy of the plan approved by Urban Development Department along with a copy of this order shall be compulsorily provided to the purchasers while selling the plots for sale.
13. If the person or other persons who get the approval of the plot try to sell or sell the land allotted for the purpose of park, children's playground, open space, etc., criminal action will be taken against them and action will be taken to confiscate the land.

Special conditions

1. Any person desiring to purchase the property, the applicant must separately prove his ownership of the property. And if any other individual claims the same, they can settle the same before a court of appropriate jurisdiction. Ayakudy Municipality is not the appropriate body to decide this.
2. If there is any pending court case against the proposal, the approval given to the proposal will be canceled without any prior notice and action will be taken.
