Subject: Submission of Missing and Updated Documents for Survey Nos. 388/4 & 388/9 – Water Channel Constructed in the Layout

Respected Sir/Madam,

I hereby submit the necessary documents regarding the **constructed water channel in the layout** and the updated photo copy of Survey Numbers **388/4 and 388/9** are also updated.

During the earlier submission, the **photocopies for the above survey numbers were missed inadvertently**. I am now enclosing the **missing photocopies** along with the **updated photographs** showing the completed water channel. The old photograph previously submitted has been **replaced with a new and clearer one** for your verification.

Kindly find the following documents enclosed for your review and record updation:

1. Photocopy of Survey No. **388/4** (Previously missed – now submitted)
2. Photocopy of Survey No. **388/9** (Previously missed – now submitted)
3. Newly taken photograph of the constructed water channel (Old photo replaced)

I request you to kindly acknowledge the receipt of these documents and take the necessary action at your end.

Thank you for your cooperation.
