Dear Sir,

This is to certify that we, **M/s.Sankar & Associates**, Consulting Engineers & Architects, having our office at Coimbatore - 641009, have been appointed as the Structural Consultants for the structural design and supervision of the following towers:

- **Stilt + 4 Floors**: Tower Nos. 1, 2, 3, 4, 5, 6, 7, 12, 16, 17, 18, 19 & 20
- **Stilt + 7 Floors**: Tower Nos. 11, 13, 15, 21, 22, 23 & 25

We hereby confirm that the structural design of the aforementioned towers has been carried out in accordance with the relevant Indian Standard Codes, including IS 456:2000, IS 875 (Part I to III), IS 1893 (Part I):2016, IS 13920:2016 and other applicable codes and standards as per prevailing norms.

Based on our periodic site inspections and reports from the site team, we confirm that the construction of the superstructure up to the above-mentioned levels has been carried out as per the approved structural drawings and specifications. All structural elements such as foundations, columns, beams, slabs, and staircases have been constructed using good quality materials and workmanship, under our guidance and supervision.

In our professional opinion, the towers mentioned above are structurally stable and safe for occupancy under normal usage conditions.

This certificate is issued upon the request of M/s.Shriprop Structures Private Limited for submission to the relevant statutory authorities.
