Subject: Inability to Capture Drone Video at Project Site – Guru Darshan Garden Phase II – Kolapakkam.

Dear Sir/Madam,

I would like to inform you that the drone video could not be captured at the project site Guru Darshan Garden Phase II at Kolapakkam because the location falls within the restricted zone of a nearby airport. As per the applicable aviation regulations and drone operation norms, flying a drone in this area is not permitted.
To comply with safety regulations and avoid any violation of the rules, the drone operation was not carried out.
We already enclose the photos of the site instead of video. Kindly take this information into consideration.

Thank you.

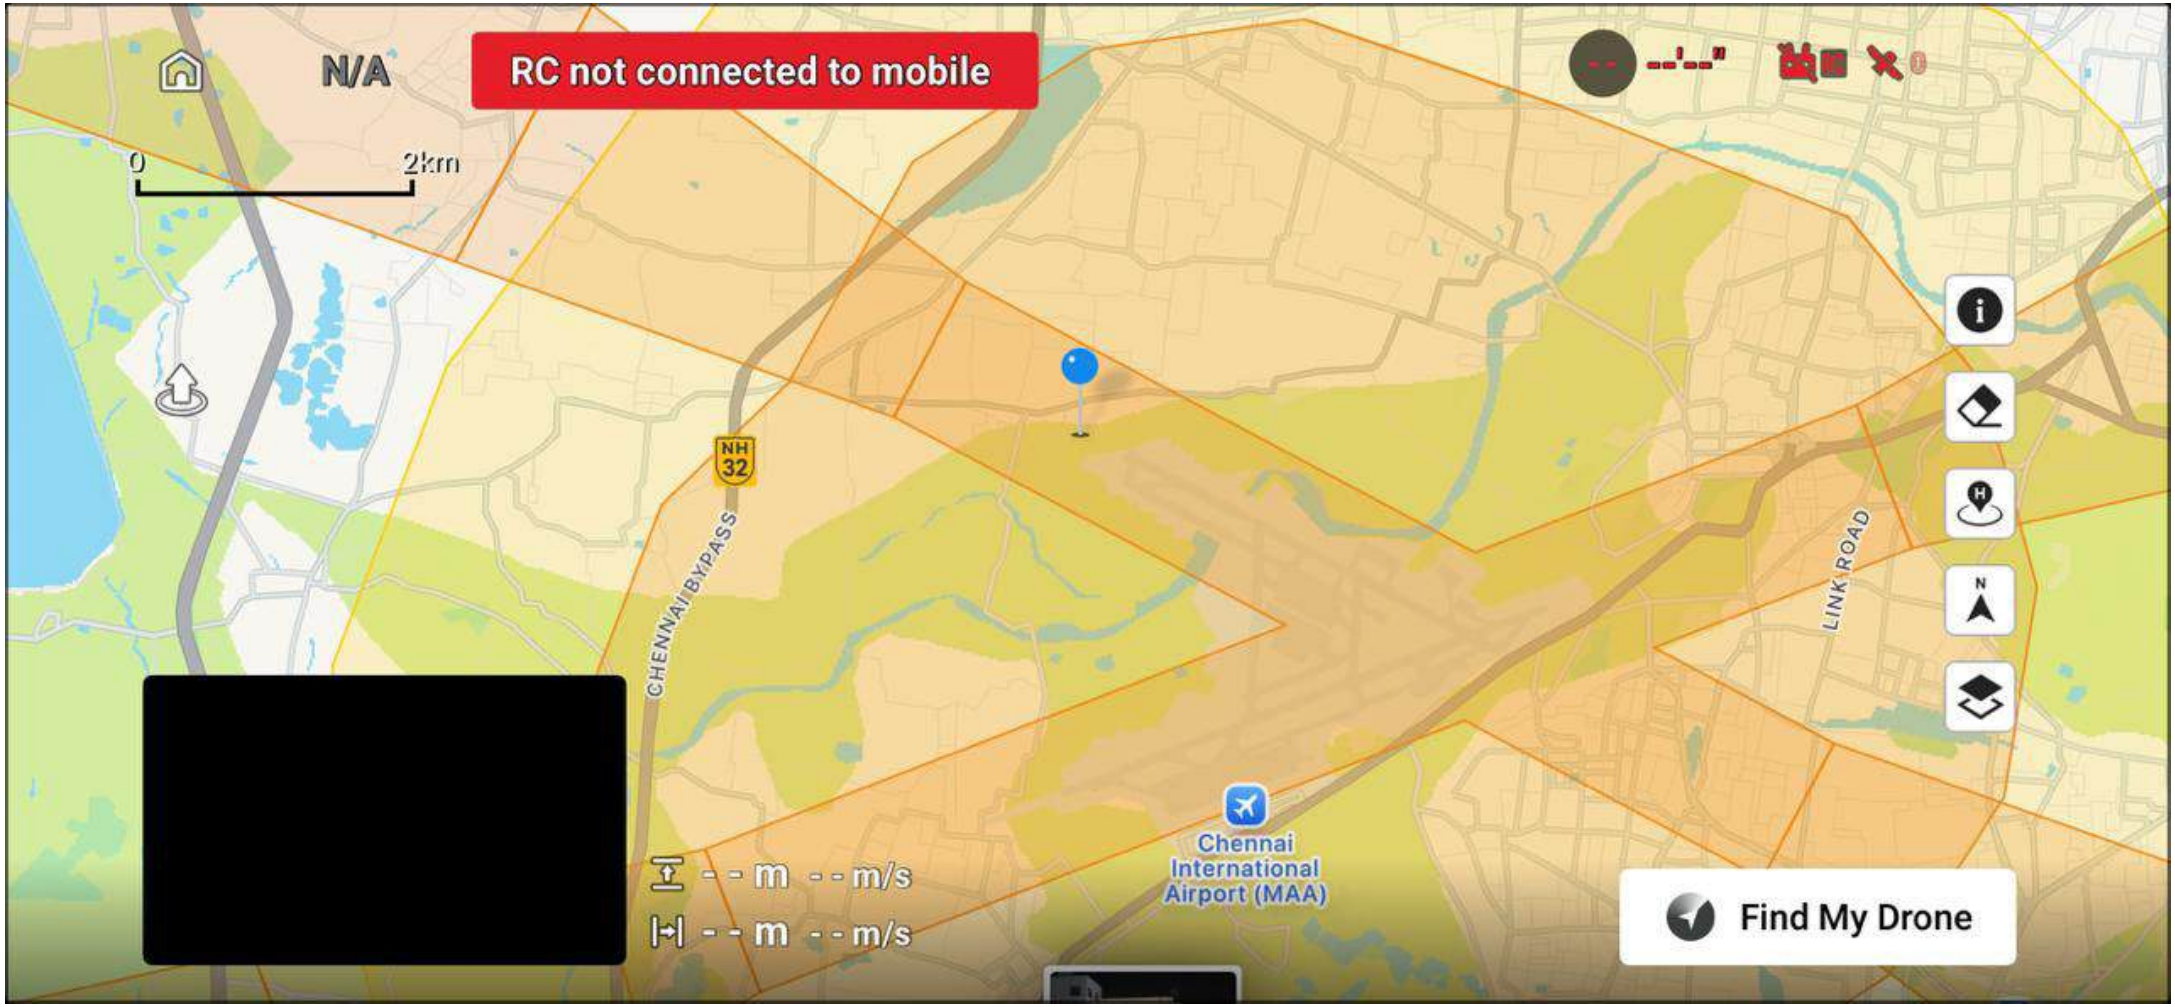

Yours sincerely,

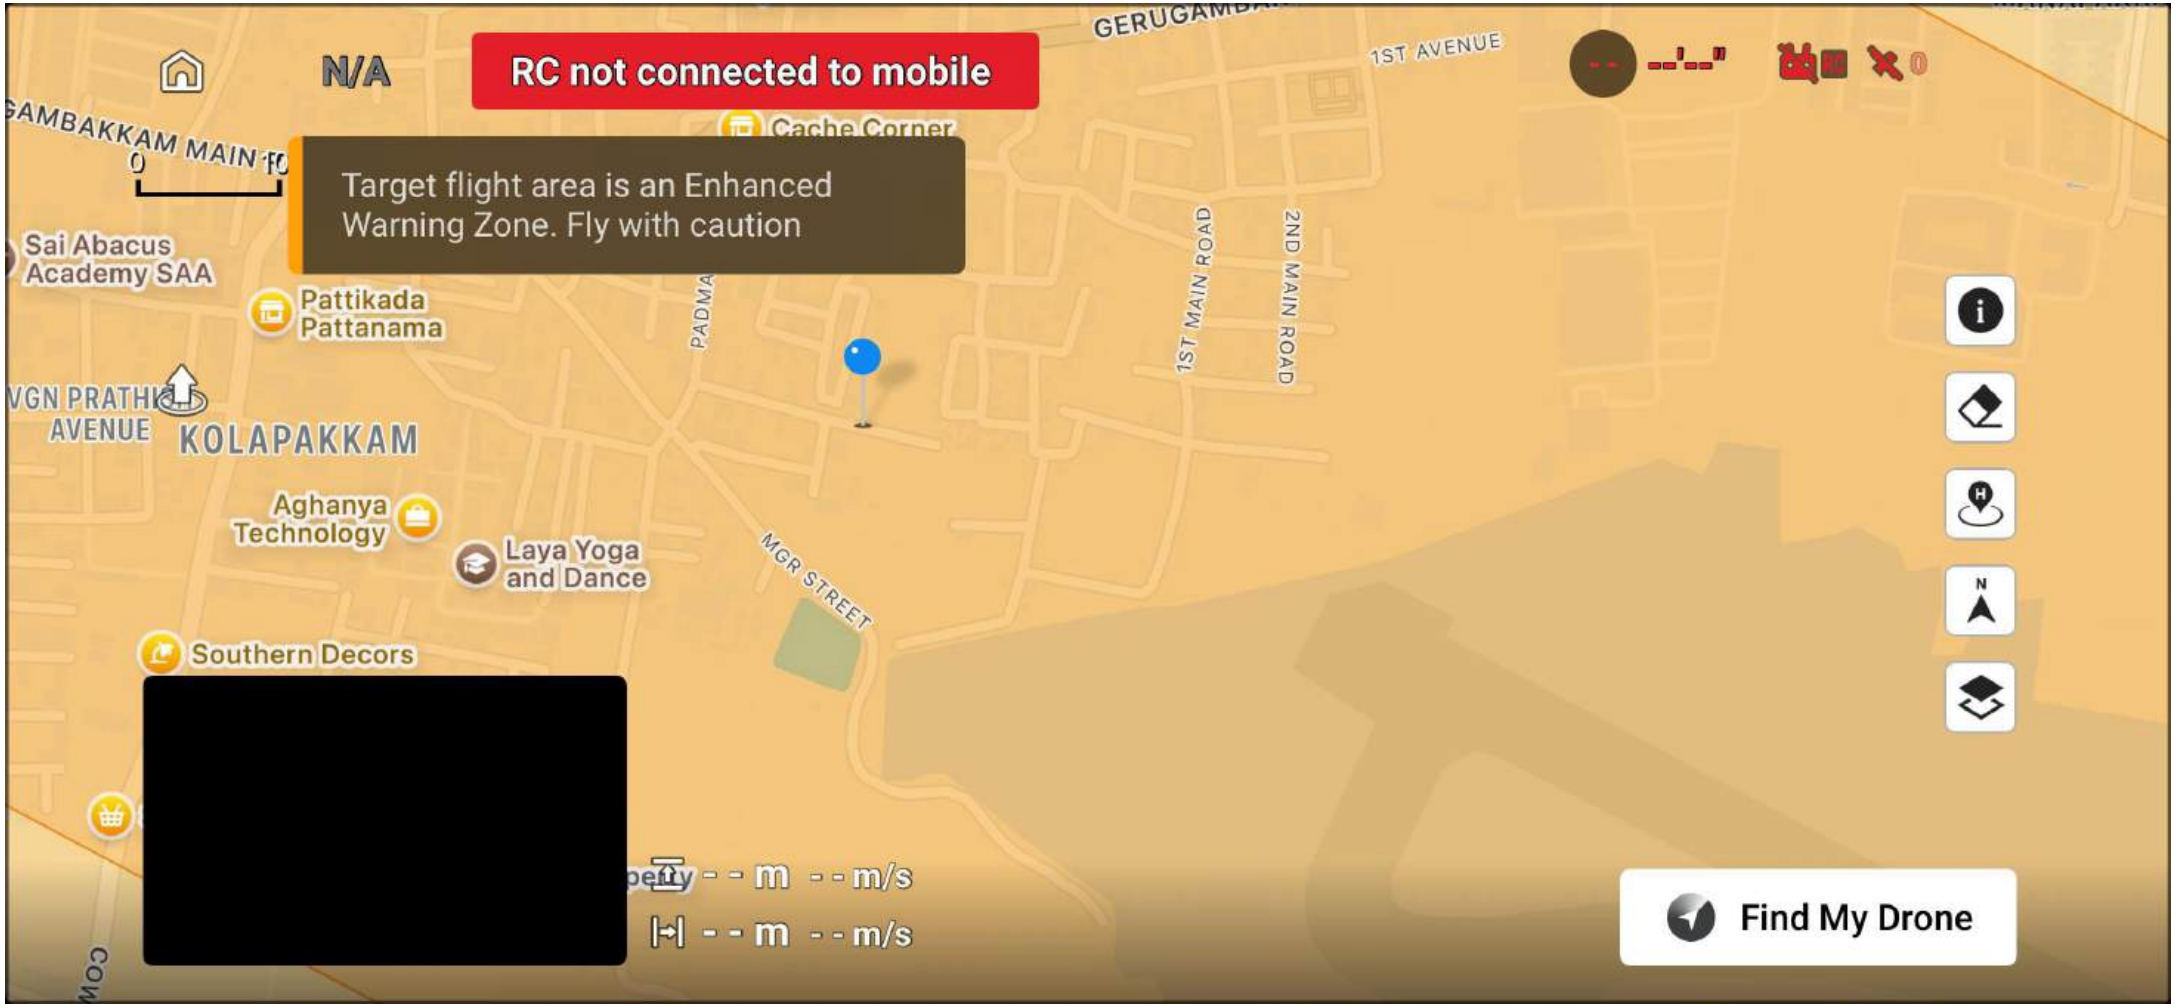

Budhmal Bohra.
