Conditions:

1. The permission granted by the competent authority shall not mean responsibility or clearance as per TNCDBR 2019 Rule No.11 of the following aspects
a) Title or ownership of the site or building.
b) Easement Rights.
c) Structural Reports, Structural Drawing and Structural aspects, The Registered Architect or Register Engineer and Structural Engineer on record as the case may be, shall be responsible for defects in the design.
d) Workmanship, soundness of structure and materials use.
e) Quality of building services and amenities the construction of building
f) Other requirements or licenses or clearance required for the site or premises or activity under various other laws.
2. Alteration of plot sizes, layouts of roads, dimensions, common allotment sizes and further subdivision of plots contrary to the map approved by the Town and country Planning Department shall not be done without the prior approval of the Town and Country Planning Department.
3. Corners of plot located at the junction of two roads should be laid with the splay shown on the approved map.
4. No plot shall be sold, leased or transferred in any other manner or any building shall be

constructed on any plot before the
fulfilment of the above two conditions.
5. Any plot shown on the approved map shall be used only for the construction of residential houses other than plots selected for
public purposes. Also, only where
the change of land use is requested, only those mentioned in the Residential Use mentioned in TNCDBR-2019 should be allowed
by the local body only after obtaining
the prior approval of the Town and country Planning Department.
6. If a low voltage/high voltage power line/telegraph line is laid through the layout, the line should be shifted to the edge of the
road or as shown on the approved
Layout plan.
7. The hollow portion of the layout should be raised to street level.
8. On all streets exceeding 7.2 meters in width, shade trees shall be planted within 1.00 meters of the road boundary not
exceeding 9.00 meters in succession.
9. The petitioner should obtain approval from the local authority concerned for the layout. Before constructing any buildings on
the land in the subdivision,
permission for each building must be obtained from the Town and country Planning Department and the local body.
10. a) Since only Technical Sanction has been given to the said layout by the Town and country Planning Department, if there is
any problem regarding the right of
land for the layout, the local body should consider and take a decision.
b)When the said layout is approved by the local authority, a copy of the approval authority's presence action should be sent to this
authority. Evidence of handing over
of public spaces to the local body should also be attached.
11. Once permission is obtained from the petitioner Town and country Planning Department and approval of the layout plan from
the local authority, the approved
layout plan shall be permanently published at the location where the layout has been approved without any change/omission
through a permanent information board
at the entrance of the layout for public viewing and also clearly indicating the date and resolution number of the board of approval
of the layout.
12. The land Ownership is considered as per the land title documents submitted by the petitioner. Therefore, it is also submitted
that no right can be asserted on the
ground that a layout has been approved for a place where there is no actual land Ownership.
13. If the proofs given regarding the land license and the documents submitted for consideration are known to be incorrect or if
there is a situation where the
planning permission/concurrence approval for the layout may be affected, Technical Sanction approval given to the layout will be
cancelled by the Town and Country
Planning department without any prior notice.
14. A copy of the plan approved by the Town and Country Planning department along with a copy of this order shall be
compulsorily supplied to the purchasers while
selling the plots for sale.
15. If any case is pending in the field numbers where the layout is situated, the approval given to the layout will be cancelled
without any prior notice and action will
be taken.
16. If any false or malpractices in the Documents Submitted by the applicant are found, the technical concurrence of the Layout
approval would be cancelled by the
Town and Country Planning department without prior intimation to the applicant
17. If any feature is found affecting the water bodies due to the issued technical concurrence under any circumstances, the same
will be cancelled by the department
without any intimation to the applicant.
18. If any part of the layout area is identified to be under Panjami land or condition patta in future at any cost, the technical

concurrence will be cancelled by the Town
and Country Planning department without prior intimation.
