Our Project ORLANDO is located in Thaiyur, OMR (near Kelambakkam) comprising of two Phases : Phase 1 Towers A4, A5, A6 housing 261 apartments and Phase 2 Towers A1, A2, A3 housing 261 apartment. The Project is registered with RERA in Registration number: TN/01/ Building/ 0242/2019. The Construction of Phase 1 is completed and apartments handed over to customers. Phase 2 foundation work is completed and the RERA registration validity of Phase 2 lapsed during Sept 2023.

We availed Project Finance from Axis RERA Opportunity Fund. Due to adverse market conditions, Phase 2 couldn't be launched, resulting in cash flow issues and project loan repayment issues to Lender Axis and Loan was classified as Non-Performing Asset (NPA). Subsequently during Oct 2023, Lender filed application before NCLT under Insolvency & Bankruptcy Code and all our Project Escrow Bank account are frozen. Consequently we couldn't withdraw any funds for any payments including payments for renewal of RERA extension. Meanwhile, we engaged with Lender for Settlement talks and after prolonged discussions reached Settlement terms with Lender during Aug 2024.

As per Settlement terms reached, Lender is roping in new Developer into the project and the new developer will construct Phase 2 of the Project. Lender already in discussions with few prominent Developers and will be shortlisting the new Developer in couple of months. Once the new Developer is on-board, the new developer will directly file separate application for registration of Phase 2 with TNRERA.

For the reasons stated above, we were unable to extend the RERA registration for Phase 2 beyond September 2023 and request you to de-register the RERA registration.

Thanking you
