3. The Planning Clearance for Building is issued in accordance with the Provisions of the Town and Country Planning Act, 1971 and the rules made thereunder. This Provision does not cover the Structural Stability aspect of the building including safety during the construction. However, these aspects are covered under the Provisions of the Local Bodies Act.

As far as the Structural Stability aspect of the building is concerned, it falls within the jurisdiction of the Local Body concerned as stated in the connected building Rules under the respective Local Body Act, 1920, such as Madras City Municipal Corporation Act, 1919, Tamil Nadu District Municipality Act, Tamil Nadu Panchayat Act. 4. Issuance of Planning Clearance by CMDA under the statutory provisions does not confirm any ownership or title over the property in favour of the applicant. Before issuing Planning Clearance for any development, CMDA in this regard, checks only the aspect of applicant's right over the site under reference to make the development thereon based on the copies of the documents (such as Sale Deed, Patta, Lease Deed, Gift Deed etc. and GPA) furnished by the applicant along with his / her application to prove the same. Thus, CMDA primarily consider only the aspect on whether the applicant prima facie has a right to carry out development on the site under reference.
