Layout conditions

1. a) The plots and streets shall be approved and the boundary stones shall be defined as per the map numbered District Town and Country Planner Ref No. SWP/L.P/DTCP/Ma.Ma. No: 18/2025 All the streets coming within the plot shall be laid out with gravel stones as per the rules made under Panchayat Building Rules 3(5) to the level and width as determined by the Executive Authority.

b) In addition, the applicant shall provide the necessary bridges, sewerage drainage cleaning facilities, street lighting facilities as per the opinion of the Executive Authority. In case of failure to comply with the undertaking given by the applicant to remove the overhead water tank, drainage facilities, and the electric pole in the middle of the road, the drawing approval given to the plot shall be cancelled without any prior notice.

e) No change in the dimensions of the plot, the arrangement of roads, the dimensions, the general allotment sizes and further subdivision of the plot shall be made without the prior approval of the Town and Country Planning Department for any reason whatsoever.

d) The applicant/owner of the plot shall properly construct the roads proposed in the approved plot or shall pay the appropriate fee and register them in the appropriate form with the concerned Panchayat Council and hand them over as a donation in the name of the Special Officer to maintain them as public roads.

e) The signature of the petitioner shall be obtained on the deed to receive the subdivision fee for defining the above roads as public roads during the survey period.

2. The splays of the plots located at the intersection of two roads shall be laid out in accordance with the approved plan

3. No plot shall be sold, leased, transferred in any other way or any building constructed on any plot before the above two conditions are fulfilled.

4. Except for plots selected for public purposes, any plot shown on the approved plan shall be used only for the construction of residential houses. This shall not be used for the construction of shops, warehouses and non-residential buildings. All plots selected for public facilities shall be used only for the uses indicated in the approved plans. Those plots shall be subdivided in the land survey documents for the allocated use

5. In the case of a plot located within the expansion development plan area, only a single dwelling shall be shown in a separate residential plot as per the plan rules. Only houses

connected on one side shall be constructed on the plot where houses are permitted to be connected on one side. In contrast, no plot shall be used in a manner that would alter the approved size or layout of individual plots at any time.

6. Building limits shall be set for streets shown on the approved plan as shown on the plan. A building limit of 7 m (23 ft) should be left for a road within the plot, 3.0 m (10 ft) for a road between 1.5 m (5 ft) and 9 m (30 ft) wide, 3 m (10 ft) for roads above 12 m (40 ft) and below 15 m (50 ft) wide, 4.5 m (15'0") feet for roads above 15 m (50 ft) wide and below 21 m (70 ft) wide, and 6.0 m (20 ft) for roads above 21 m (70 ft) and above 24 m (80 ft) wide. According to the Panchayat Building Rules, no building other than a perimeter wall or fence not exceeding 1.8 m (6 ft) from the high level of the street shall be allowed on the land within the plot boundary and building limit, and according to the District Municipalities Building Rules, no building other than a perimeter wall or fence shall be allowed. No wall shall be constructed.

7. There shall be an open space of at least 3 m between the rear boundary of each plot and the building extending over the entire width of the plot. In this rear open space, a well, toilet, manure pit, cattle shed, car park, shed, etc. or similar residential or ancillary buildings may be constructed but the total length of the buildings shall not exceed one-third of the length of the rear boundary and the height of the buildings shall not exceed 3 m/ 3.75 m from the ground level at the rear of the plot.

8. In the case of a plot falling within a development area, no building shall be constructed exceeding 50 or 67 percent of the area of the plot as per the plan rules. The open space left over from the building shall be maintained as a garden, open courtyard or for personal use.

9. The hollow area in the plot shall be raised to the street level.

10. Footing (Foundation) No more than necessary to level the ground, correct landslides, or dig up soil from the land to create ditches or holes.

11. Shade trees shall be planted 9 meters apart on all streets more than 9 meters wide.

12. The petitioner should obtain the approval of the Nalluthukudi Panchayat Special Officer/Block Development Officer (BDO) regarding the land division. Before constructing buildings on the land in the land division, permission should be obtained from the Panchayat for each building.

13. The land allotted for the shop or shops in the land division should be subdivided as shown in the map. The lands should be used only for their intended use.

14. The land/s allotted for temple, church, mosque should be subdivided as shown in the map. These should be used only for their intended use.

15. The lands allotted for parks, children's playgrounds, open spaces, etc. should be subdivided at the Taluk Office and handed over as a donation to the local government.

16. If a low voltage/high voltage power line/telegraph line passes through the plot, the line should be shifted to the edge of the road or as shown on the approved plot plan.

17. The owners of the plot should enter into an agreement in writing with the Special Officer/Block Development Officer (BDO) to be subject to the above conditions. The plot conditions should be registered with the relevant Sub-Registrar’s office. The plots should be sold or leased only subject to the above conditions. The above conditions should be included as part of the sale deed to bind the seller and the buyer of the plots.

18. a) Since only Technical Approval has been given to the above plot by the Town and Country Planning Department, any dispute regarding the land title to the plot can be resolved in the appropriate court. The local body does not have the authority to decide this.

b) If the plot is located in an area where the Tamil Nadu Urban Land Ceiling Act, 1978 is in force, the details of the approval given to the plot should be communicated to the relevant Ceiling Act Officer.

c) After considering whether the plot location has been declared under Section 4(1) of the Land Acquisition Act, 1984, and after the Chairman is satisfied that the provisions of the Land Ceiling Act, 1978 and the Land Reforms Act, 1961 have been fulfilled, the plot is notified for approval and approval in the Panchayat.

d) When the above plot is approved by the local government, a copy of the approval administrative officer's action should be sent to this office.

E) Further, the approval of the land division should be given by the Special Officer / Block Development Officer only after he is satisfied that no Land Plan Schedule has been received for consideration in relation to the land acquisition as per the above Acts.

19. Once the petitioner has obtained the approval of the map from the Special Officer/Block Development Officer, Nalluthukudi Panchayat, Mayiladuthurai Panchayat Union, the land division should be announced through a notice board at the place where the approval was obtained, clearly mentioning the number of the resolution of the council approved by the land division, the date and the date of agreement between the council and the petitioner.

20. If the area of the Tamil Nadu Housing Development Land Division plot is less than 110 square meters, only the building rules will apply.

21. The land ownership of the areas allocated as land bank should be transferred to the Tamil Nadu Slum Conversion Board as per Government Order No. 139, Housing and Urban Development Department, Dated 14.09.1970.

22. The land title is considered as per the land title documents submitted by the petitioner. Therefore, no right can be claimed for the reason that the plot has been approved for a place where there is no land title.
23. If the evidence provided regarding the land title and the documents submitted for consideration are found to be incorrect or if there is a situation that may be affected by the granting of technical approval for the plot, the technical approval granted to the plot will be cancelled by the Special Officer without any prior notice.
24. The plot plan for which technical approval is granted by this office should be drawn and displayed on a concrete board of not less than 6 feet X 4 feet at the relevant place for public viewing.
25. A copy of the plot plan should be provided to every petitioner who purchases the plots for which the approval is granted.
26. EWS plots (Plot Numbers: 93-126, 147-153, 156-160) are plots allotted to the economically weaker sections. These plots should not be consolidated or converted.
