Respected Sir,

Sub.:- Submission of Affidavit – reg.,
Ref.:- Our Application No. TNRERA/PLI/8790/2025 dt. 01.11.2025
(TNRERA/PLI/7377/2025 dt.29.08.2025)

With reference to the above Application and the subsequent query raised by the scrutiny officer regarding the removal of the Compound wall constructed, we hereby submit our clarification for your kind perusal of as follows.

The road leading towards East to West which is the main approach road to the plots of width 0f 10 meter do not have any obstacles to reach out by the proposed owners and public from the main road. The boundary wall constructed in the both sides of the other 3 roads within the proposed plots with the width of 7.2 meter & 9 meter towards North to South are because of theagricultural land adjoining to the property in both the sides. This may be viewed clearly in the pictures attached for your ready reference.

Further, we hereby declare that we will remove the walls when there are residential plots developed in future in the adjoining lands without any hesitation.

Therefore, we hereby request your good office to process out Application and issue the clearance at the earliest.

Thank you,

Yours truly,
