Subject: Response to Query – Affidavit for the Compound wall Construction
Application No.: TNRERA/PLI/9648/2025.

Respected Sir/Madam,

We Elite Square Developer Owner of S.No-480/3. We hereby state that Mr.Muthukrishnasamy has developed their land in the S.No-480/4 & 480/6 as a DTCP Approved layout vide Approval No-71/2025 dated 05.05.2025 which is adjacent to my land and they have developed their land into housing site by laying roads, drainages and also placing EB Line and Street lights on the pathway. Further that, they have also constructed Compound wall for the safety purposes. In which they have closed the 10.0M wide pathway with our concurrence which is connecting our land. Here I clearly state that we have no objection for the existence or construction of a compound wall in the pathway which is providing access to my land, since they have agreed to open the compound wall whenever we needed. This is for your information.

Yours faithfully,

(G. PALANI DASS)
