Sub: Clarification – It Is Not a Wall an Open Road

Respected Sir/Madam,

I am writing to inform you that the location is not a wall or enclosed area, but in fact an open road site. It appears there may have been some misunderstanding regarding the nature of the site.

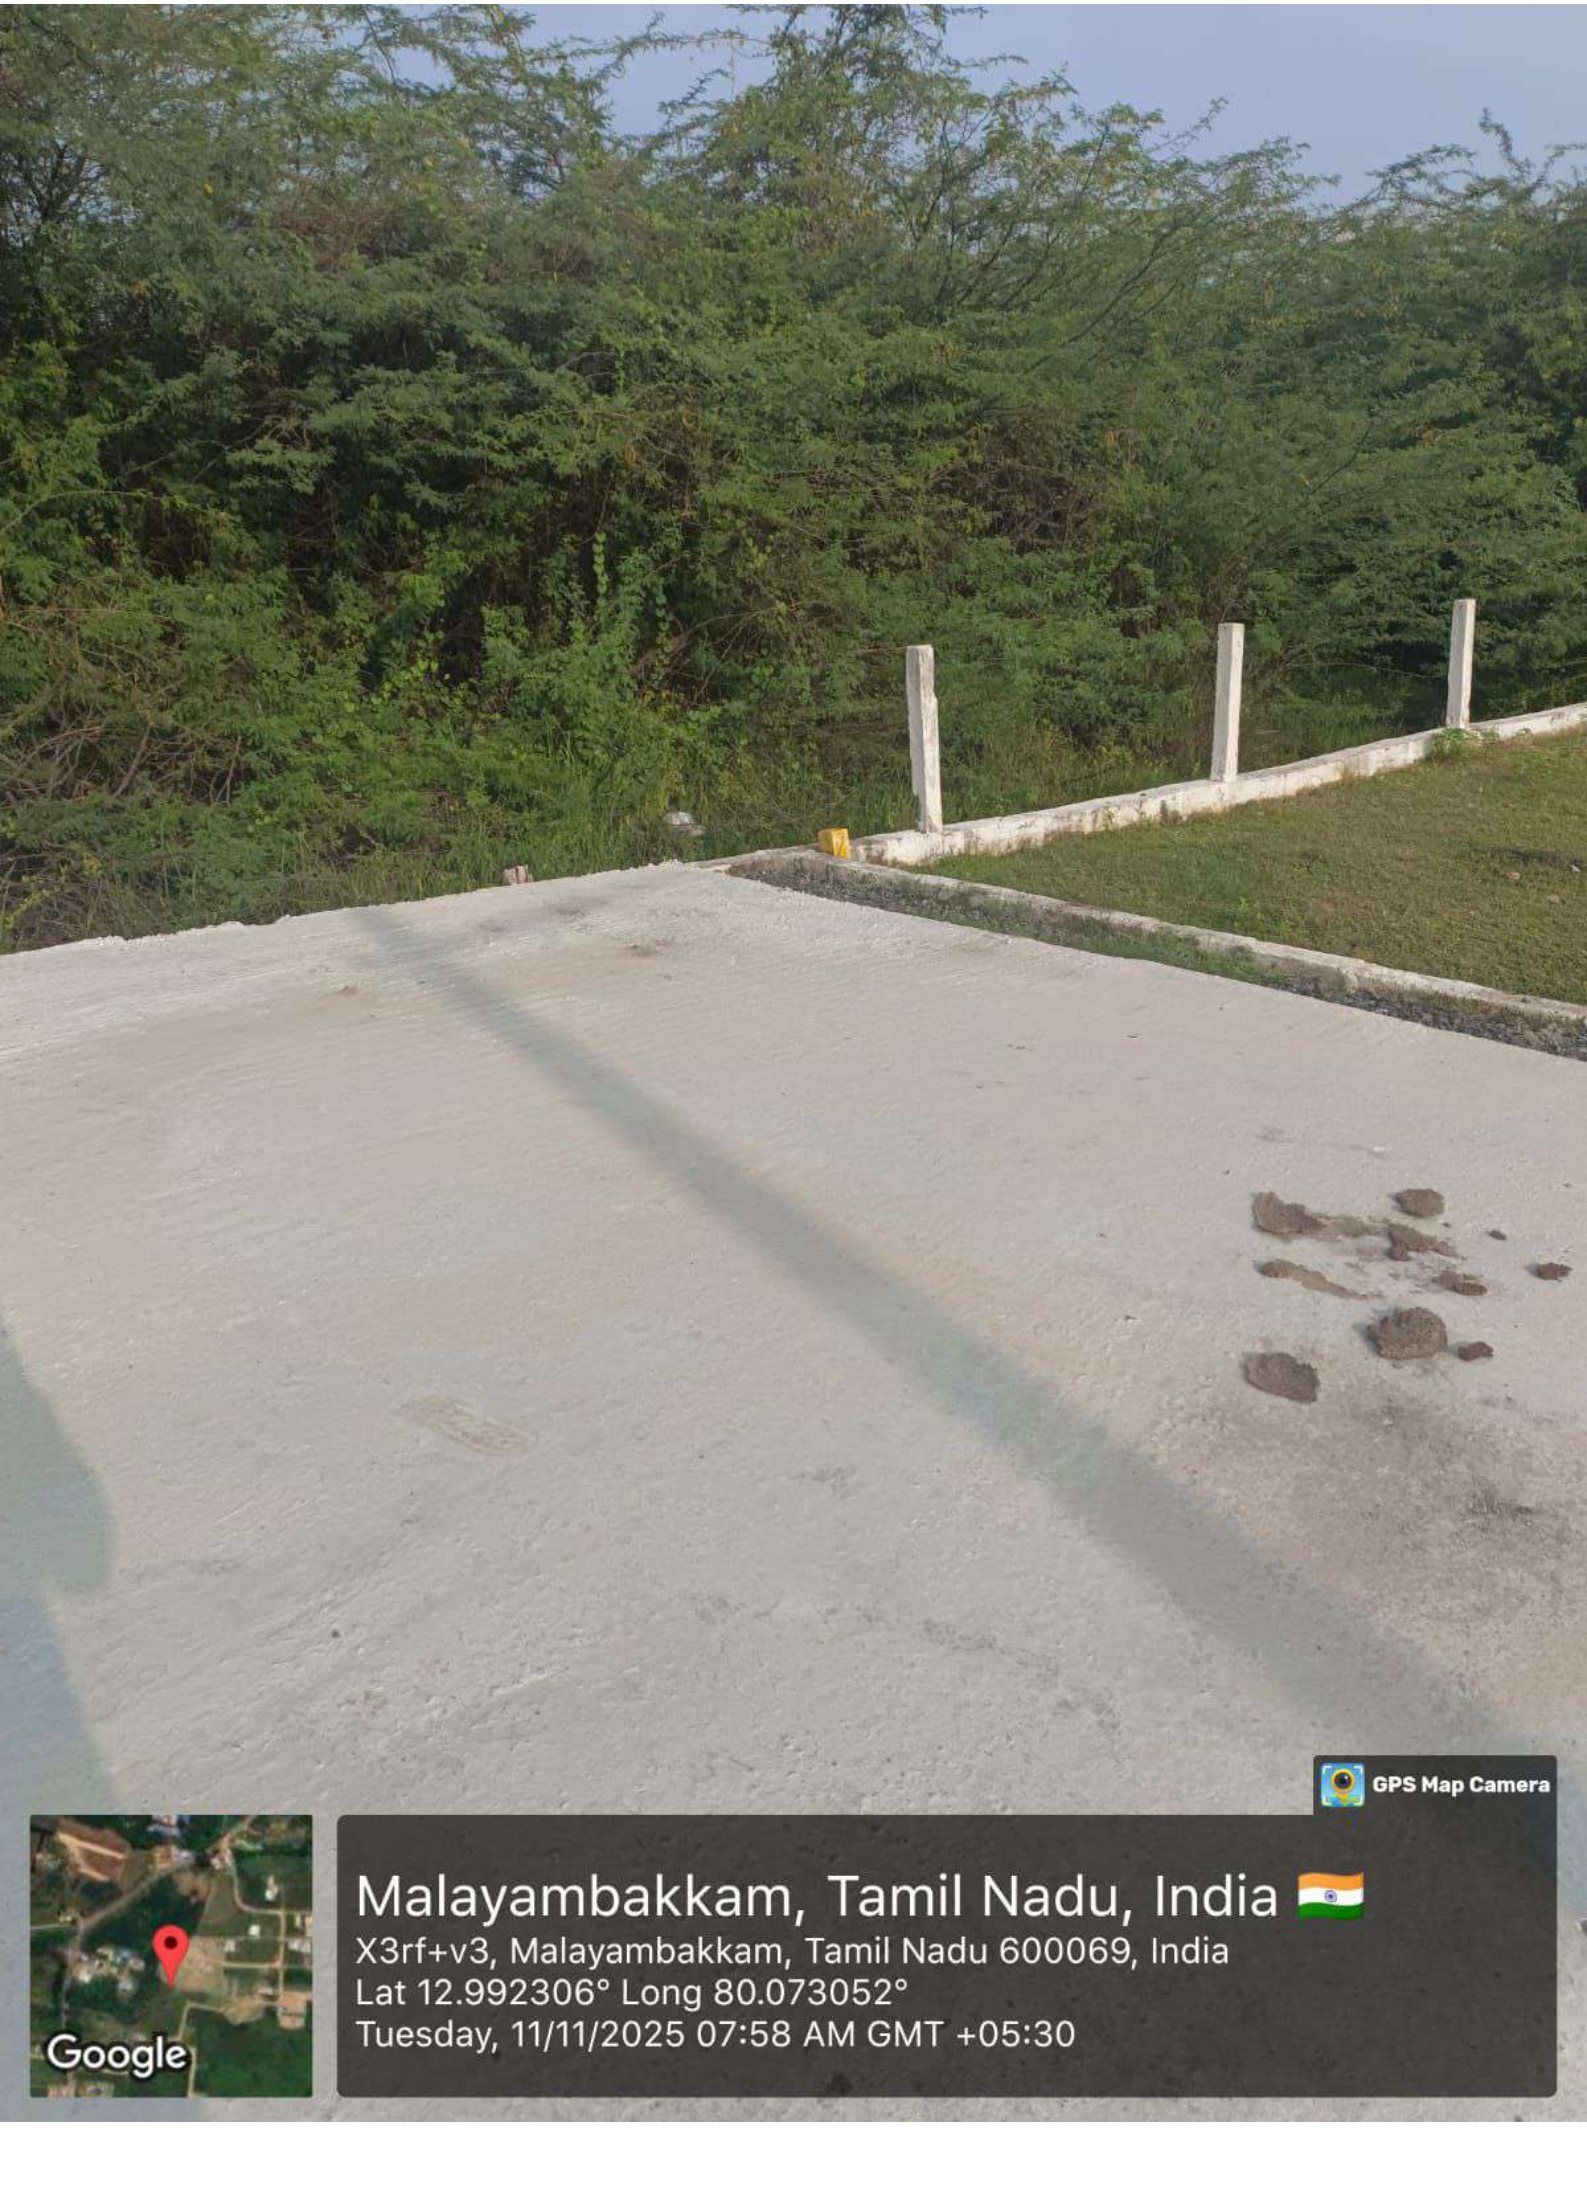

We kindly request that the records, plans, or any related documentation be updated accordingly to reflect that the site is part of the open road area and not a walled or restricted property.

Please take the necessary action at your earliest convenience. Should you require any further clarification, I submit the site photographs for your reference. Its Not a wall its only boundary marking. Please do the needful at the earliest

Thanking You,

Yours Faithfully,

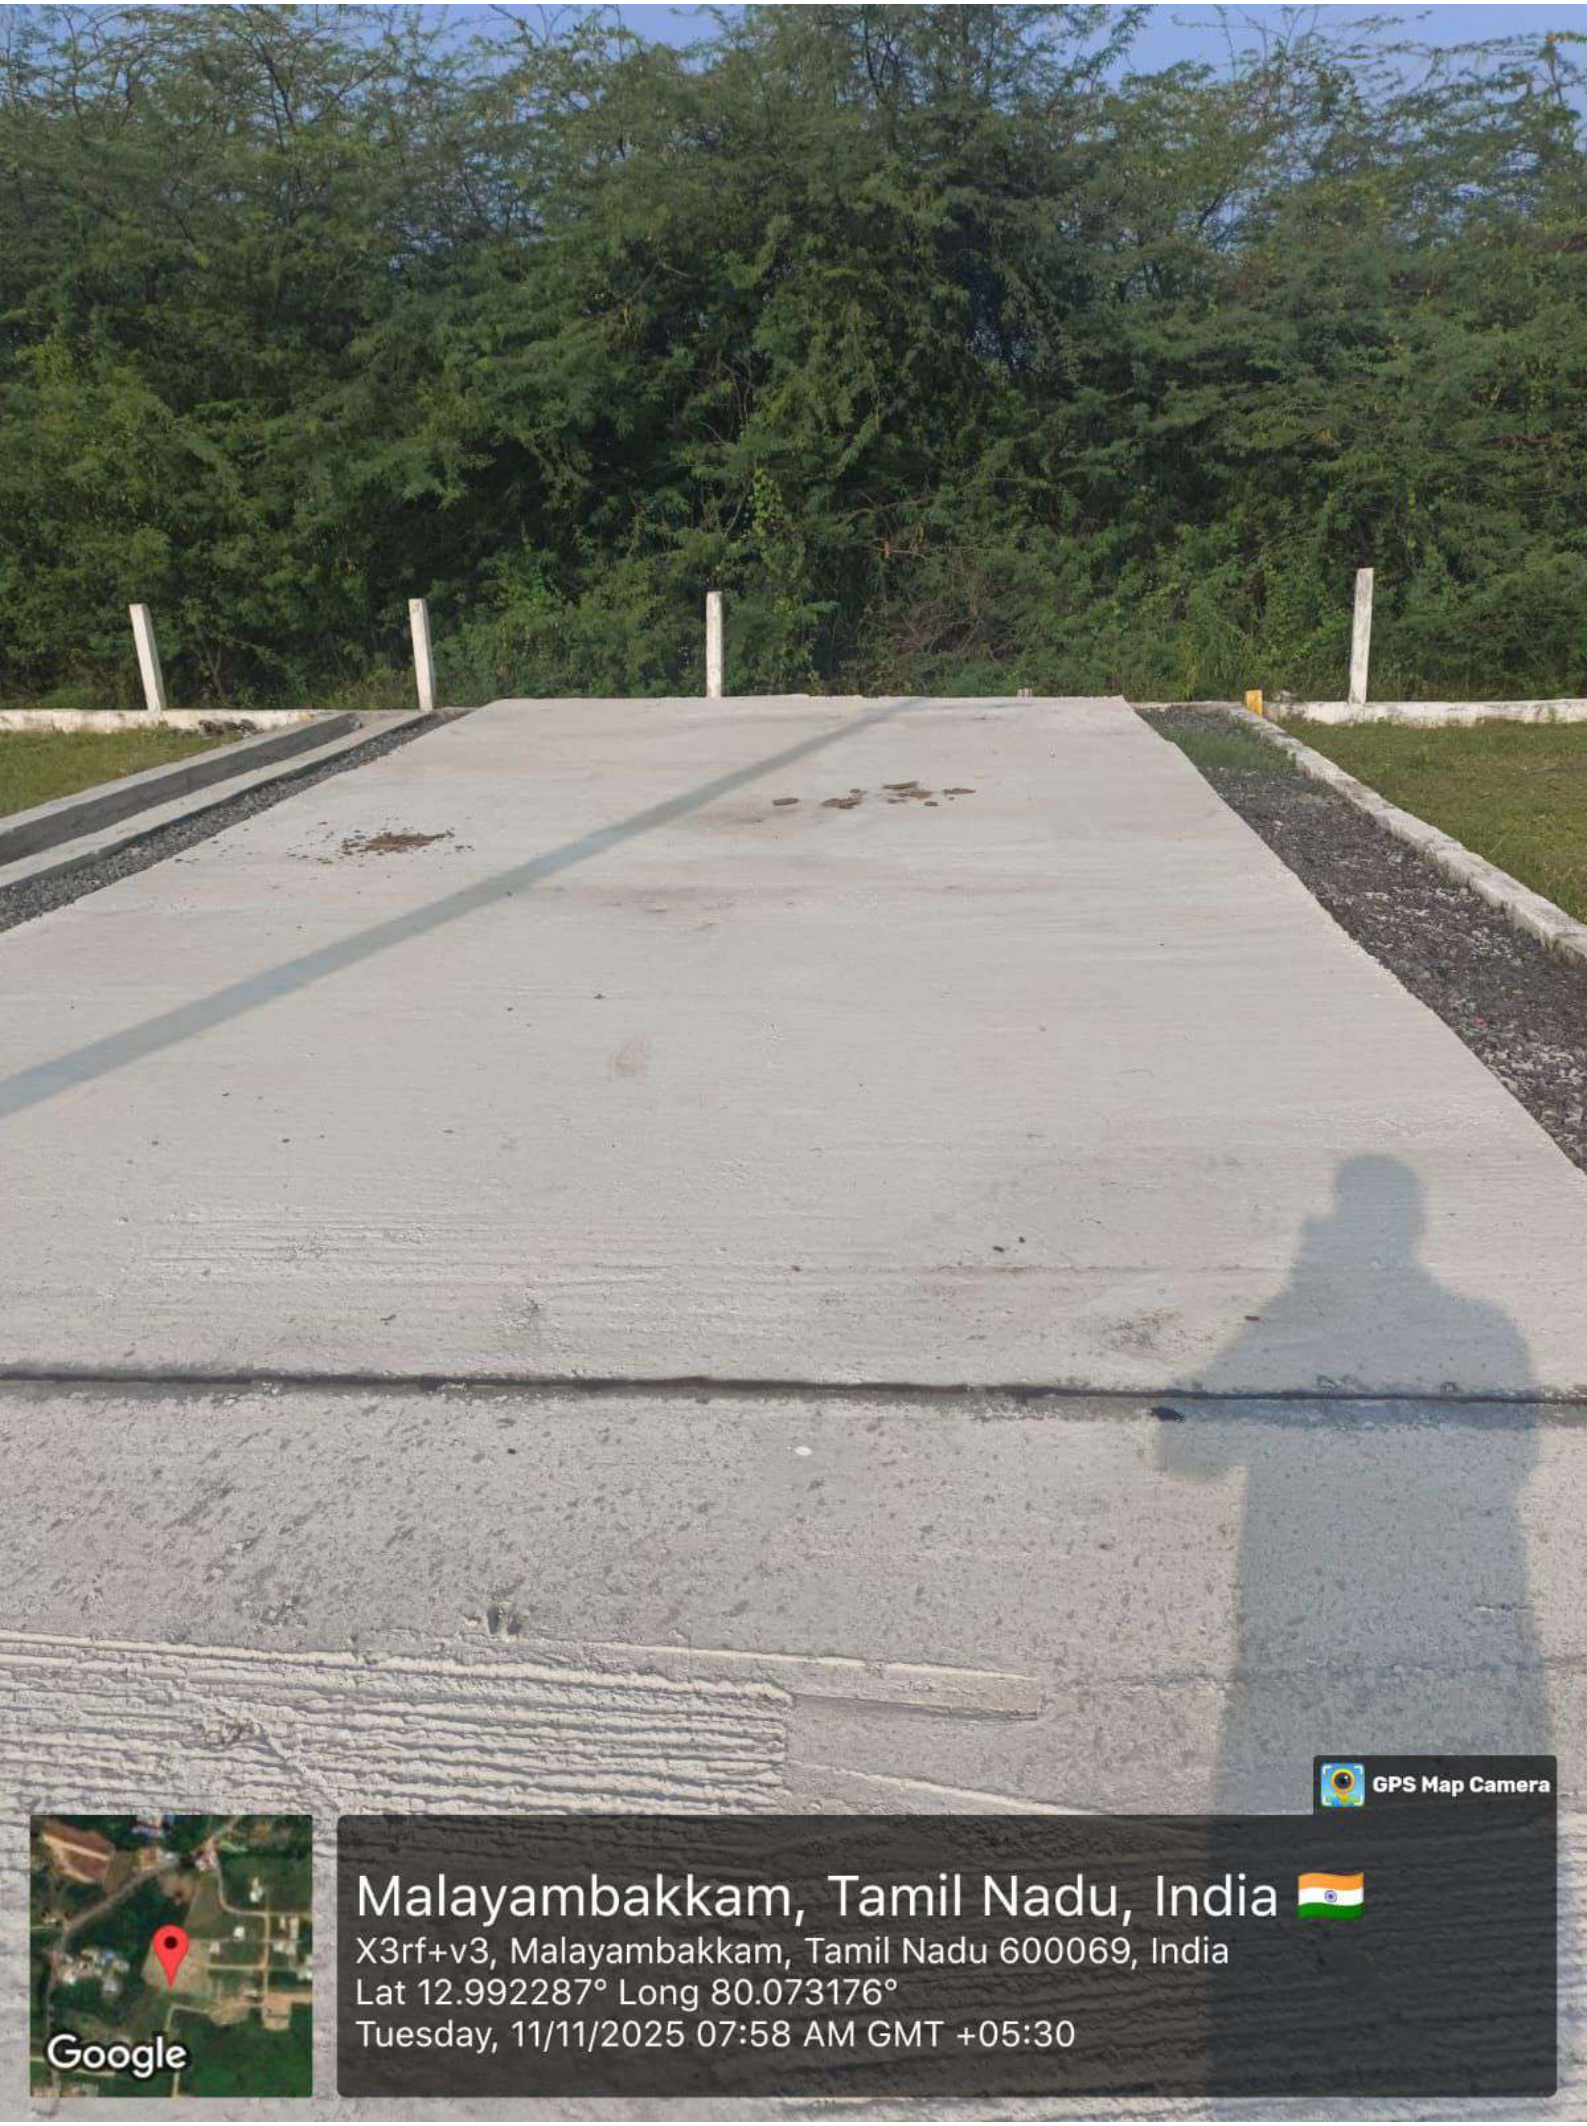

M. Eswa
