Sub: Query dated 02-07-2025- Regarding affidavit for an existing road formation in the approved layout in SF.no 249/2b2, 3b3, DTCP approval no:528/2024.

Respected Sir/Madam,

For the DTCP approval plan no:528/2024, the road formed in the middle of the site is an existing village Panchayat road and also road is formed and maintained by the Kattukanallur panchayat. Since it is an existing village panchayat road, we are not required to form a new road on the same.

Also, all the plots in our layout is formed in both side of this existing village panchayat road which acts as an approach road as well for our layout plots. Hence we kindly request you to consider this letter as affidavit and provide the RERA certificate to proceed further.

Thank you!!

Yours truly,
