Subject:

Certificate For : No compound wall has been constructed along the road side

Ref:

Sir, This is to certify that, as per the approved layout plan, no compound wall has been constructed along the road side. The layout is designed with open access along the road frontage to facilitate easy movement of vehicles and pedestrians.

The boundaries of the layout are clearly demarcated as per the approved plan, and the road side area is kept open without any compound wall obstruction. This arrangement ensures proper accessibility, visibility, and compliance with the layout planning requirements.

Hence, it is confirmed that there is no compound wall provided along the road side in the layout as per the approved design and site condition.

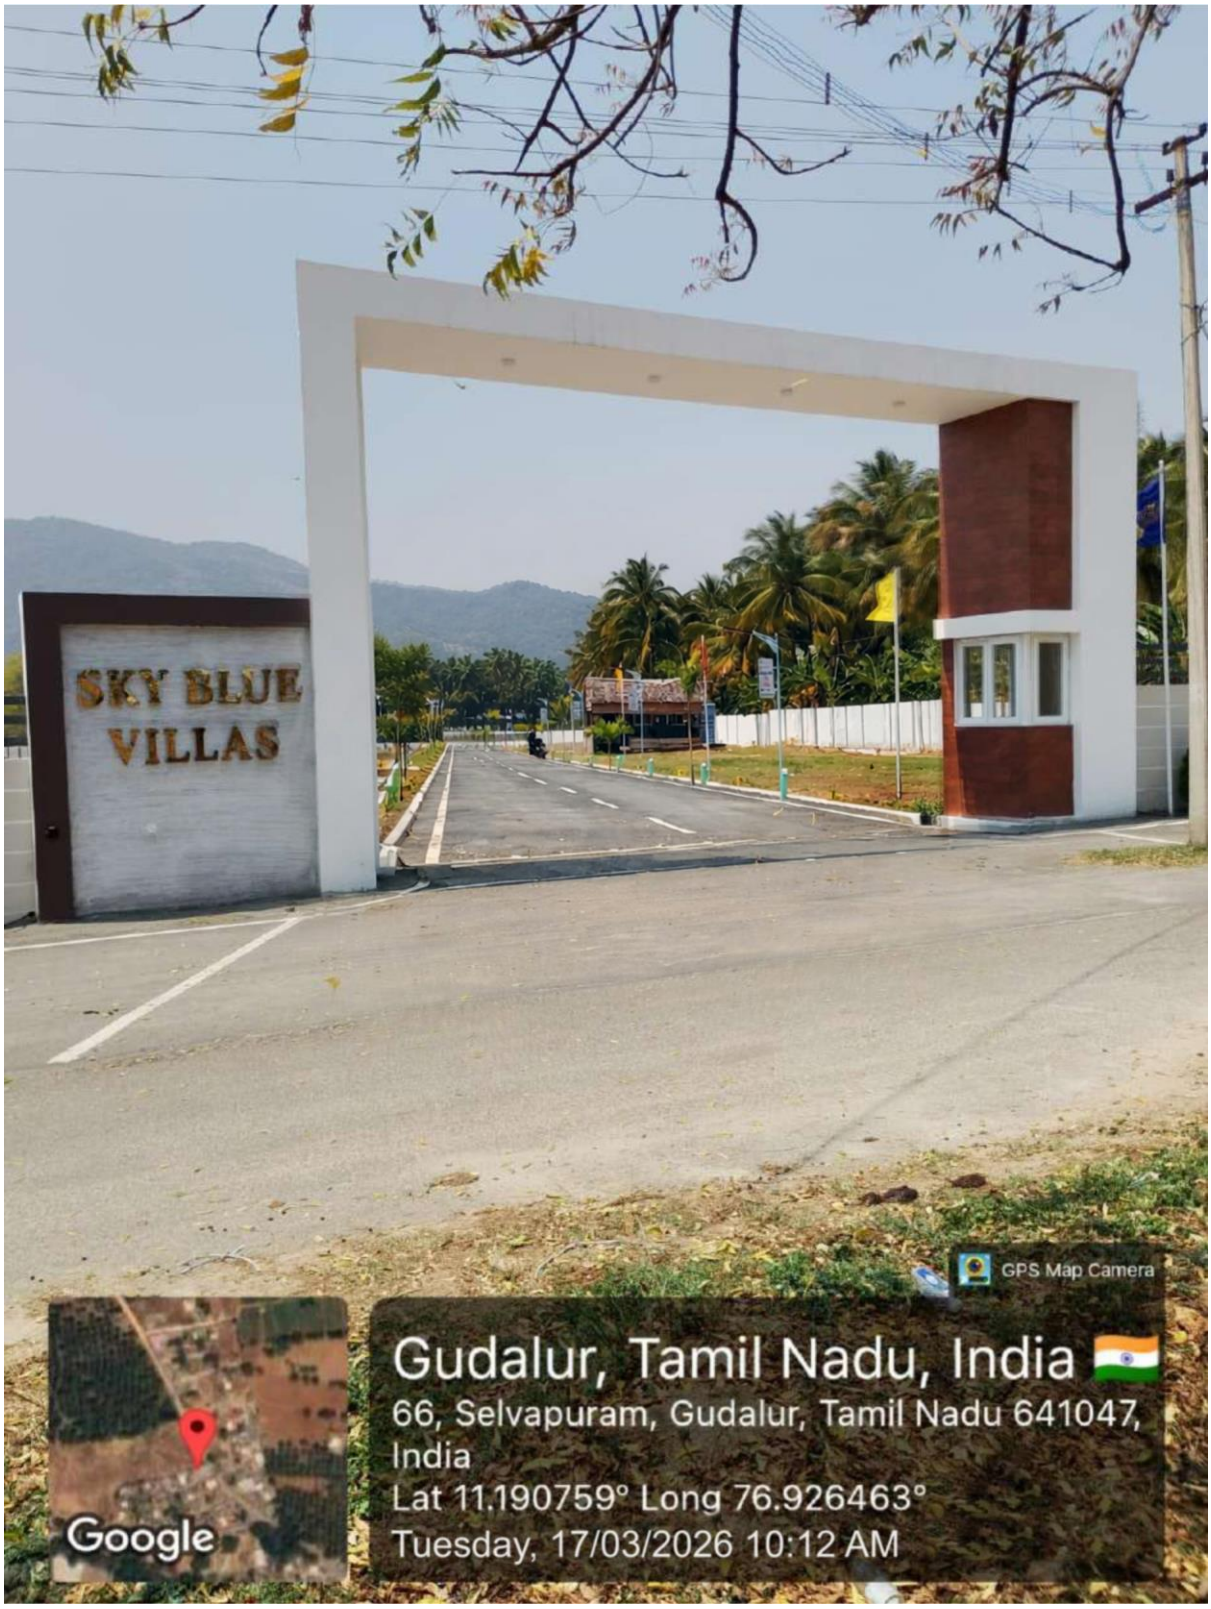

This statement is submitted for official record and reference.
