Respected Sir,

Subject: Submission of details under the application for registration of the layout project in Survey No. 152/1A1C1 – Narasingam Bit 4 Village, Madurai North Taluk, Madurai District – Extent: 3,130.00 square metres – 11 plots – File No. TNRERA/PLI/4806/2026 dated 07.07.2026 – Request for consideration and registration.

I have uploaded 4drone photos and 4 Geo tag photos, due to densely grown trees on both sides of the road to a stretch the road portion is not visible in drone photos. However in the geo tag photo with latitude 9.955738: Longitude 78.180595 and latitude 9.955793: Longitude 78.180372 reflected the development of road in this stretch of road.

Hence I request you to kindly consider the project for registration

Thank you.

Yours faithfully,
