Land and building valuation

Note:

The property value calculated through this website is based on the information provided by us. It is not an authority to quote the "final value" of the building. More details are required to calculate the exact value of the property. The price range used is for ordinary residential houses. The value of special type and industrial buildings will be determined based on the inspection of the building by the concerned officials.

Zone:	Chennai
Sub-Registrar's Office:	Neelankarai
