Body:

Order,

In the area under Palapallam Town Panchayat, Kanyakumari District, technical permission has been granted for 23 proposed residential plots measuring 3793.81 square

meters in the area of 5347.350square meters (1.321 acres) in the letter of the Assistant Director, District Town and Country Planning Office, Nagercoil, as seen in view (2). Further, the area of the proposed land plot and the proposed road and the corners of the proposed plot has been allocated as public allocation. The appropriate amount has been paid to the government by the petitioner as per the government guideline assessment for the park area of 379.135 square meters. As per rule 47(8) of TNCD&BR 2019, 21.72 square meters (0.57 percent) has been allocated for local government use and 25.02 square meters has been allocated to TANGEDCO and handed over as per Donation No. 2619 dated 14.08.2025 and 2620 dated 14.08.2025. In case of unplanned land, as per Rule No. 3, the survey fee is Rs. 23,000/-the detailed investigation fee is Rs.23,000/-, Rs. 38,000/- for drinking water facility, and the regularization fee for the developer or land owner of the land is Rs. 100/- per cent, which is Rs. 100,000/- for 0.827 acres, making a total of Rs. 1,84,000/- paid online through the single window portal. In the letter of the Registrar of Karungal, as seen in the view 5, as per the Government Order No. 79 Housing and Urban Development Department dated 04.05.2017, as per rule (9), a fee of 3% of the market value under Section 47 of the Indian Stamp Act (Central Act 2/1899) has been paid as per IFHRMS payment slip No. 20251112037499 dated 12.11.2025. After it was informed that basic facilities such as tarmac, rainwater drainage and electricity have been established at the place where the above plot is to be constructed, an inspection was carried out by the Executive Officer of the Town Panchayat and it has been confirmed that the basic facilities for the plot have been properly established. The above survey no.387/7,8,9,10A,10B,11,12B has been passed as per the resolution of the Village Council No. 592 dated 28.11.2025 as seen in the view (6) to construct 23 proposed residential plots with an area of 3793.81 square meters on a land measuring 5347.350 square meters.

Further, on the basis of this resolution, the following Village Survey No. It is hereby ordered that the land measuring 5347.350 square meters (1.321 acres) at No. 387/7,8,9,10A,10B,11,12B be divided into 23 residential plots measuring 3793.81 square meters in area and subject to the general conditions and special conditions as per the plan approval and technical approval approved by the Kanyakumari District

12. Before constructing buildings in the plot, permission shall be obtained from the Municipal Corporation for each building.
13. The plots shall be subdivided as shown in the plan. These shall be used only for the purpose for which they are intended.
14. The low voltage line shall be replaced as shown in the approved plan.
15. The owner of the plot shall inform the relevant authorities implementing such law, if the Tamil Nadu Urban Land Ceiling Act is implemented in the area comprising the above plot, of the details of the approval given to the existing plot.
16. The petitioner shall draw a sample plan of the plot on the notice board at the place where the plot was approved by the Executive Officer of Palapallam Town Panchayat and a permanent notice board of size 6' × 4' shall be permanently displayed for public view indicating the date and number of approval of the plot by the Town Panchayat.
17. The public allotment area of the plot, roads and park donated by the petitioner vide Donation No. 2619 dated 14.08.2025 and 2620 dated 14.08.2025 shall be protected by a security fence so that no one encroaches on them.

Special Conditions

1. The land ownership is being considered as per the land ownership documents submitted by the petitioner. Therefore, it is also informed that no right can be claimed on the ground that the plot has been approved for a place where there is no actual land ownership.
2. If the evidence provided regarding land ownership and the documents submitted for consideration are found to be incorrect or if a situation arises that may be affected by the granting of Planning Permission / Concurrence, the approval granted to the plot (Planning Permission / Concurrence) will be cancelled by the Executive Officer of the Town Panchayat without any prior notice.
3. When the plan permission for the plot is granted, the plan permission will be granted only after the development fee / other fees for the site have been collected.
4. If the basic facilities such as tarmac, drainage, pipeline and other repairs installed by the plot owner in the plot are damaged or damaged, the plot owner will be responsible for repairing them for a period of five years.
5. Water supply connections will be provided in accordance with government regulations.
6. The raw sewage in the plot should be maintained by the plot owner at his own expense only once as a permanent drain.
7. All the conditions of the Chennai City Planning Department attached herewith should be followed. Also, the instructions issued by the government from time to time should be followed without fail.
