Subject: Clarification regarding Commercial Area usage for Residential Project Registration.
Respected Sir/Madam,

With reference to our online application dated 20-02-2026 and the subsequent query regarding the usage of the commercial area (Mall and Hotel), we wish to provide the following clarifications:

1. **Existing Development:** The commercial portion of the project was completed and has been fully operational since 2019. It received its Completion Certificate from the Panchayat Union (RC No. 5793/2018/A3) on 11.12.2018, and a partial Completion Certificate from the DTCP (No. 14/2026) on 09.03.2026.

2. **Usage and Ownership:** The Mall and Hotel are strictly for self-use and are operated and maintained directly by the respective promoter. There is no intent to sell any Undivided Share (UDS) of the land related to these commercial entities, nor are there plans for third-party leasing/contracting that would fall under the current RERA registration.

3. **Scope of Registration:** Since the current proposal is exclusively for the construction, promotion, and sale of Residential Apartments only—which involve the transfer of UDS to individual buyers—we have applied for TNRERA registration for the residential component only.

As the commercial development does not involve any "sale" as defined under the Act, we request you to consider this clarification and proceed with the issuance of the TNRERA Registration for the residential project at your earliest convenience.

Thanking you,

Yours faithfully
