Subject: Response to Query – EB Line Disconnection (DCW Payment Receipt)
Application No.: TNRERA/PLI/7951/2025.

Respected Sir/Madam,

This is regarding the TNRERA application no- TNRERA/ PLI/7951/ 2025, and query raised regarding submission of the EB line disconnection (DCW) payment receipt, we wish to clarify the following:

The EB connection in question pertains passing through our Approved Layout to the Agri Service well located in the adjacent Survey No. 440, Veerapandi Village, as per Document No. 8359/2015 owned by Mr. G.Muralidharan. Since the said EB line was not in use and belonged to the adjoining survey field owned by Mr. G. Muralidharan, which is also not in use, the DCW application had to be submitted by the concerned service connection holder as per TANGEDCO regulations. Accordingly, the DCW request was officially submitted to TANGEDCO by the EB service connection holder, Mr. G. Muralidharan, and the estimation for the DCW payment was issued in his name. Through the TANGEDCO online portal, the DCW payment and the related line-shifting processes were duly completed in his name, as he is the authorized person for that EB service connection.

We hereby confirm that the DCW payment has been duly completed, and the line shifting has also been carried out accordingly. Therefore, we kindly request you to accept the enclosed DCW form and proceed with further processing of our RERA application. Thank you for your support and understanding.

Yours faithfully,
