ANNEXURE I

(PROPOSED ENHANCEMENTS TO RESIDENTIAL TOWERS PHASE 2)

Based on the feedback and inputs received from various design experts and allottees, the plan for the Clubhouse for Highliving District is proposed to be revised.

- Earlier proposed club house was 17,650 sq. ft and this too was given in silos at different location. For the purpose of enhancing the customer experience and value of existing property, we are increasing the size of Club House to 60,000 SQ FT and therefore building it for Tower ABH and Future Towers together in consolidated manner at Stilt Level comprising of Gym, Creche, Saloon, Spa, Business centre, Medical centre, Banquet hall, Swimming pool, Café, Indoor games, Squash Court, Library, and Mini theatre, without compromising the number of Car parks to be allotted to the Residents as per Construction Agreement.

- Relocation of Sewage Treatment Plant (STP) for better Services planning outside of Building footprint

As aforementioned the entirety of the communication regarding the proposed changes to the construction and morefully described in the annexures hereinbefore is being received by me/us and the receipt of which is acknowledged hereby.

Upon going through the entirety of the contents of the communication in the annexures hereinbefore provided, and the same being explained to me/us and having understood the scope of the change sought to be made in the construction, I/We hereby provide the following:

EXPRESS CONFIRMATION OF CONSENT BY THE ALLOTTEE
